Guardians of the Holy Grail Mark Amaru Pinkham,2004 Presenting the ancient Holy Grail lineage from Asia and how the Knights Templar were initiated into it this book reveals how ancient Asian wisdom became the foundation for the Holy Grail legend **Mind Control, Oswald & JFK** Lincoln Lawrence,Kenn Thomas,1997 Rev ed of Were we controlled Lincoln Lawrence **Finding Your Benben Stone** Dr. Daniel E. Mitchell,2014-12-05 Since the advent of religion upon our earth humankind has sought to spiritually connect effectively with the Supreme Being Source of All and Great Cosmic Creator Today many confused current and former followers of religious doctrines and churchgoers still question God about the reason for their existence In other words they are sincerely seeking to discover their life purpose while asking Why am I here In Finding Your Benben Stone Learn how to connect your mind with the universal quantum life force to awaken unto the highest level of spiritual Consciousness and continually draw upon the infinite powers of the Great Cosmic Seed of Life within this New Age of Enlightenment Understand how to find your life purpose by following your intuition and passionate feelings Experience being set free of fear worry doubt and lack of self confidence by the all powerful and encompassing comforter The Spirit of Truth Discover how to enter the kingdom of heaven within you so that you may receive the desires of your heart and experience the most imaginable bliss filled life of abundance **The Shadow Government** Len Bracken,2002 This book presents the alarming evidence that nation states actively engage in terror and also passively allow terror to be visited upon their citizens It is not just liberation movements and radical groups that deploy terrorist tactics for offensive ends States use terror defensively to directly intimidate their citizens and to indirectly attack themselves or harm their citizens under a false flag Their motivation To provide pretexts for otherwise unwanted wars or to gain increased police powers Statesmen have executed indirect terrorism in various ways but most plots tend to involve the pretence of blind eyes

misdirection and cover ups that give the statesmen plausible deniability The shrinking of the Lusitania the bombing of Pearl Harbour the October Surprise the first World Trade Center bombing the Oklahoma City bombing and other well known incidents suggest that terrorism is often successfully used by states to take the offensive against enemies at home and abroad Was 9 11 such an indirect defensive attack Len Bracken traces the clues circumstantially connecting a multi armed hydra of oil interests the CIA FBI diplomats and statesmen to the September 11 attacks and examines whether they were engineered or allowed as a pretext for the war in Afghanistan The subsequent anthrax attack targeting Democratic senators is considered in light of the controversial USA Patriot Acts rights encroaching measures and the act s easy passage under conditions of terror A shadow government appears to have covered the land like black ice
