Return To Planet Internet:

Return to Planet Internet Steve Rimmer,1995 This newest book from the author of Planet Internet explores other exotic erotic and semisecret resources available on the Net Rimmer describes nearly 200 intriguing Internet sites readers can visit to satisfy curiosities expand the mind and alter their consciousness *Return to the Far Side of Planet Moore!* Martin Mobberley,2015-03-20 The result of an exhaustive study of Sir Patrick Moore s observations of the Moon and planets for more than 60 years this book is a fantastic companion to the extremely popular It Came From Outer Space Wearing an RAF Blazer written by the same author Moore recorded his telescopic observations in his logbooks which are reproduced and described here in detail along with his sketches and notes In this light the author discusses the factors that caused Moore to switch from lunar observing to planetary and variable star observing He has also included personal recollections and humorous anecdotes from Moore s friends and acquaintances as well as a look at his best loved books Further chapters describe Moore s foreign travels and correspondence with those back home Lastly the author has not neglected a few of Moore s most memorable television and radio appearances which are examined along with a close up of what it was like to visit Moore s beloved home of Farthings in Selsey Essentially this is a book written by popular demand from the readers of the author s original biography who craved more of Moore The Return of the Son of Man Michael Collins,2013-01-11 For over 2 000 years after the physical death of Jesus Christ on the Cross mankind has been asking serious questions about the purpose of life here on earth due to religious confusion premature deaths diseases poverty famine illnesses natural disasters wars terrorism climate change broken marriages drought corruptions greed depression recessions slavery addiction accidents deformities immorality selfishness repression etc Life has been so difficult for most inhabitants of this planet especially people in poor and underdeveloped parts of the world Many people have lost faith in God and some do not even believe that He exists This book explains my true life story the story leading up to the external voice of God to me the reason for the worlds problems and also the ultimate solutions to the worlds unending problems Gods anointed single worldwide leader is the only person who can take everyone around the globe forward to everlasting unity peace and stability I am back and ready to put things right once and for all here on planet earth and I want leaders of this present world to seriously consider my claim as the ultimate leader of the entire world This book is primarily directed to every soul on this planet especially believers of the existence of the Almighty God mostly Judaism Christianity Islam and all other religious establishments that exist We must all now stand up together for what we believe to be true and move the people of this planet to the promised world Almighty God will richly bless you as you read this book with an open mind When the world has lifted up the Son of Man then you will know that I am He and that I do nothing of myself but as My Father taught and directs Me I speak these things The purpose of life here on earth is to honour and obey Gods words worship Him by faith in truth and in spirit to work hard and help each other and then enjoy the beauty and majesty of this planet in unity peace love and

harmony and also the planets our Father is about to reveal to mankind The ultimate purpose of life is to become gods and to lead an everlasting life The Return of Planet-X Jaysen Q. Rand,2007 The Return of Planet X is an educational informational source examining all aspects of this controversial subject including the record of X s Ancient Science of Prophecy its Phantom Astronomy Forbidden Archaeology and the Signs Of Its Approach This book examines the history and prophecy of Earth s many cultures throughout the millennia and their voluminous references to the reality of X s periodic passages The most current hypothesis used to examine X s next return through the solar system centers around the fact that X s extended orbit approximately every 3 600 years first passing through the solar system then back out again suggests that its destructive cycle occurs in two phases The first phase begins with X s initial pass through in 2009 separated by three years until its second phase This passage marks X s return leg back into deep space beginning again its 3 600 year long trek through the heavens X s last return visit through the solar system most likely coincided with the Hebrew s exodus from Egypt estimated around 1447 BC roughly 3 459 years ago Did God somehow come to Moses aid by staging a cosmic event that no one today understands The Mayan Celestial Calendar Codex inexplicably ends 21 December 2012 According to ancient Mayan cosmology time as we know it on Earth will reach its climax on that date Written across the scroll of time and space the author believes Planet X will first return in 2009 and again in 2012 **Internet Horror, Science Fiction and Fantasy Television Series, 1998-2013** Vincent Terrace,2014-05-14 This is the first ever compilation on Internet television and provides details of 405 programs from 1998 to 2013 Each entry contains the storyline descriptive episode listings cast and crew lists the official website and comments An index of personnel and programs concludes the book From Barry the Demon Hunter to Time Traveling Lesbian to Hamilton Carver Zombie P I it is a previously undocumented entertainment medium that is just now coming into focus Forty eight photos accompany the text *Return to the Moon* Brian Wilson,2011-05-31 **A Librarian's Guide to the Internet** Jeanne Muller,2003-10-31 Librarians constantly conduct searches for their customers and for themselves However the internet and technology are constantly changing resulting in pressure on librarians to keep up to date with how best to use the internet This guide offers advice on how to use the internet and how to gain the information required most effectively It covers for example how to search in order to achieve the best results strategies what to ask and examples and interpreting results including examples Importantly not only does the book show how to use the Internet but it also links this to perfect customer service how to teach your customers what you know and how to properly interpret what your customers want Helps a librarian deliver perfect customer service with confidence Provides practical tips and hints Written by a highly respected and experienced practitioner **Internet Comedy Television Series, 1997-2015** Vincent Terrace,2016-02-12 Created around the world and available only on the web Internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them
