Revelation Hearing The Last Word:

Revelation David M. Levy, 1999 To many people the book of the Revelation is a mystery they are not sure what it teaches Much of this confusion is caused by Bible teachers who step beyond the boundaries of Scripture and try to speculate about what will happen in the future which can lead to opinions and guesses that are seriously amiss When it comes to the last days how can we know for sure what the Bible says By letting Scripture speak for itself and by carefully separating the facts from the possibilities That's what author David Levy does in his authoritative new commentary on Revelation titled Revelation Hearing the Last Word You'll discover a surprisingly clear picture of what we can expect in the last days and find answers to key questions such as How can we know if the end times are near What can we know about the Antichrist In what order will the events of the last days take place What will happen to Israel during the Tribulation What will life be like during the Millennial Kingdom A valuable resource that describes what we can expect as we approach earth's final hour **The**

Pretribulation Rapture Theory and Dispensationalism Revisited J. Mike Byrd, 2014-08-15 The Pretribulation Rapture Theory and Dispensationalism Revisited reviews and critiques a confusing array of popular theories that address the return of Jesus Christ and the church's rapture It proposes that a clarifying approach rests in letting Scripture interpret Scripture which yields a simpler more natural and consistent explanation of the pretribulation rapture and dispensationalism Drawing upon thousands of hours of Bible study J Mike Byrd presents an analysis and a related proposal that avoid both unthinking conformity to popular notions and oversimplification for the sake of palatability The Pretribulation Rapture Theory and Dispensationalism Revisited addresses methods of interpretation defines dispensationalism and the Dispensational Principle examines the scriptural testimony surrounding the day of the Lord and the day of God's wrath surveys the issues regarding imminence and discusses the rapture the resurrection and Christ's second coming If you wonder what Scripture clearly teaches about the this world's demise the end of human existence and the onset of God's sure and certain work to establish his reign then The Pretribulation Rapture Theory and Dispensationalism Revisited should offer you the scripturally grounded review analysis and explanation you need to understand the Scriptures teachings on these ultimate issues The Time of Jacob's Trouble Donna VanLiere, 2020-03-17 A moving fast paced account of the end times Publisher's Weekly A typical day at work turns into a nightmare for Emma Grady when her favorite patient and several colleagues vanish in front of her Fear turns to chaos as Emma begins the frantic race from Brooklyn to Queens anxious to discover if her boyfriend is safe Subways are closed graves are open and countless people have inexplicably disappeared Mayhem erupts as terror grips the residents of New York City What could make so many vanish in a moment And not just in New York but all over the globe Emma wonders if this is the predicted end of the world and begins a desperate search for answers This page turning story will take you on a riveting journey from New York City to Israel and in the final chapters Donna turns to the pages of the Bible where you'll learn that God has made known to us the end from the beginning and that things aren't spiraling downward but are

actually looking up The bestselling author of The Christmas Shoes now explores a future world facing its final days in The Time of Jacob's Trouble weaving end times prophecies into the lives of Emma and her friends as they struggle to survive and come face to face with the chilling truth about the disappearances

The BE Attitudes for Christians Mary Ruth Whitley, 2018-02-06 The Be Attitudes for Christians has thirty two Christian attitudes that can be applied to many different situations in our lives beginning with BE BLESSED and ending with BE PREPARED This is a devotional a resource and could easily be used for research Studying biblical end times and prophecy has actually given me peace of mind about our world Jesus laid God's plan out for his disciples and revealed to John some prophetic events that will take place in the future There is no date given for God's final plan to occur but it will come to pass like all other prior prophecies described in the Bible God's message is available for anyone who wants to peruse it meditate on it study it be prepared and be blessed by it As a devotional prior to an election I created a Forty Day Fast and Prayer for Christians After sharing it with a woman she urged me to write more devotions using the same process and style That daily devotion was simply an Attitude a Thought and some Scriptures After several years of writing and praying about this I chose the acronym AIM A is the attitude I stands for the instruction and M is the relevant Scripture for memory or meditation All the Be Attitudes are developed around Scripture and allow the reader to be in God's Word By choice the meditation can be long or short When we AIM to let the Word of God move us then His purpose will be accomplished

8 Three messages given in Taipei Taiwan from December 3 through 5 These messages are included in this volume under the title An Explanation of a Few Truths **Revelation's Great Love Story** Larry L. Lichtenwalter, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John's vision seems more like a nightmare But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can't afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ's passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John's vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return Freedom in Covenant Robert D. Cornwall, 2015-09-21 In an age of decreasing denominational loyalty questions of identity have become important Both church members and inquirers wonder what to make of a denomination's core values mission and common practices Because the Christian Church Disciples of Christ was born as a movement of reform on the American frontier during the early nineteenth century it is marked by the time and place of its birth The message it offered at the time was one of Christian unity rooted in theological simplicity and freedom of belief and practice This message influenced the way the tradition came to understand biblical interpretation theology the sacraments ministry and its eschatology As the movement matured many recognized that this message of freedom could lead to unfettered individualism and tended to undermine congregational life and cooperation beyond the congregation In response Disciples leaders turned to the biblical idea of covenant to balance the message of freedom and link congregations with other forms of church without creating hierarchical systems If as some have suggested this is a movement whose time has come then it is important to understand the movement's identity and core values which have been formed within the fulcrum of the tension existing between freedom and covenant **Revelation** Ben Witherington, 2003
