Revisioning The Political Feminist Reconstructions Of Traditional Concepts In Western Political Theory:

Revisioning The Political Nancy J Hirschmann,2018-03-05 Feminist scholars have been remaking the landscape in political theory and in this important book some of the most important feminist political theorists provide reconstructions of those concepts most central to the tradition of political philosophy The goal is nothing less than the construction of a blueprint for a positive feminist theory Many of these papers are completely new others are extensions of important earlier work two are reprints of classic papers The result is a progress report on the continuing feminist project to re envision traditional political theory As such it constitutes essential reading not only for feminist thinkers but also for traditional philosophers and political theorists who will need to come to terms with these contemporary critiques and re readings

Revisioning the Political Nancy J. Hirschmann,Christine Di Stefano,2019-08-30 Feminist scholars have been remaking the landscape in political theory and in this important book some of the most important feminist political theorists provide reconstructions of those concepts most central to the tradition of political philosophy The goal is nothing less than the construction of a blueprint for a positive feminist theory Many *The Power of Feminist Theory* Amy Allen,2025-06-17 In this new second edition of *The Power of Feminist Theory Domination Resistance Solidarity* Amy Allen diagnoses the inadequacies of previous feminist conceptions of power and draws on the work of a diverse group of theorists of power including Michel Foucault Judith Butler bell hooks and Hannah Arendt in order to construct a new feminist conception of power The conception of power developed in this book enables readers to theorize domination resistance and solidarity and perhaps more importantly to do so in a way that illuminates the interrelatedness of these three modalities of power The new edition of this foundational text includes substantial new material on intersectionality and power transnational feminism and power in relation to homonationalism and neo imperialism and empowerment feminism It addresses important criticisms of Foucault Arendt and Butler that have been raised by Black feminists critical philosophers of race postcolonial theorists and Marxists *The Power of Feminist Theory Domination Resistance Solidarity* is an essential text for students engaging with feminist analyses of power feminist theory and feminist political thought **Reconstructing Political Theory** Mary Lyndon Shanley,Uma Narayan,1997 In this volume a companion to *Feminist Interpretations and Political Theory* Penn State 1991

edited by Mary Lyndon Shanley and Carole Pateman leading feminist theorists rethink the traditional concepts of political theory and expand the range of problems and concerns regarded as central to the analysis of political life Written by well known scholars in philosophy political science sociology and law the book provides a rich interdisciplinary account of key issues in political thought While some of the chapters discuss traditional concepts such as rights power freedom and citizenship others argue that topics less frequently discussed in political theory such as the family childhood dependency compassion and suffering are just as significant for an understanding of political life The Introduction shows how such diverse topics can be linked together and how feminist political theory can be elaborated systematically if it takes notions of independence and dependency public and private and power and empowerment as central to its agenda **Feminist Political Theory** Valerie Bryson, 2016-01-01 Feminist theory is a challenging and often deeply divided body of thought that raises issues which affect us all In this her third edition of the highly successful **Feminist Political Theory** Valerie Bryson provides both a wide ranging history of Western feminist thought from medieval times to the present day and a lucid analysis of contemporary feminist politics and debates Fully updated to cover the latest feminist scholarship throughout this timely new edition provides an accessible and thought provoking exploration of complex theories related to real life issues such as sexual violence political representation transgender rights cyberfeminism and globalisation With unrivalled scope depth and accessibility this new edition of Valerie Bryson's **Feminist Political Theory** is set to be the go to text on feminism for students and researchers or indeed anyone interested in gender justice

The Oxford Handbook of Political Theory John S Dryzek, Bonnie Honig, Anne Phillips, 2008-06-12 Oxford Handbooks of Political Science are the essential guide to the state of political science today With engaging contributions from 51 major international scholars the **Oxford Handbook of Political Theory** provides the key point of reference for anyone working in political theory and beyond

The Ashgate Research Companion to Feminist Legal Theory Vanessa E. Munro, 2016-04-01 As a distinct scholarly contribution to law feminist legal theory is now well over three decades old Those three decades have seen consolidation and renewal of its central concerns as well as remarkable growth dynamism and change This Companion celebrates the strength of feminist legal thought which is manifested in this dynamic combination of stability and change as well as in the diversity of perspectives and methodologies and the extensive range of subject matters which are now included within its ambit Bringing together contributors from across a range of jurisdictions and legal traditions the book provides a concise but critical review of existing theory in relation to the core issues or concepts that have animated and continue to animate feminism It provides an authoritative and scholarly review of contemporary feminist legal thought and seeks to contribute to the ongoing development of some of its new approaches perspectives and subject matters The Companion is divided into three parts dealing with Theory Concepts and Issues The first part addresses theoretical questions which are of significance to law but which also connect to feminist theory at the broadest and most interdisciplinary level The second part also draws on general

feminist theory but with a more specific focus on debates about equality and difference race culture religion and sexuality
The Issues section considers in detail more specific areas of substantive legal controversy *The Blackwell Guide to Social and Political Philosophy* Robert L. Simon,2008-04-15 The Blackwell Guide to Social and Political Philosophy brings together a collection of newly commissioned essays which examine fundamental issues in social and political theory Written by leading social and political philosophers each essay provides a map to the history of the issue at hand and a judicious assessment of the main arguments that have been brought to bear upon that issue **Canon Fodder** Penny A. Weiss,2009 A discussion of women thinkers in political philosophy and the nature of political inquiry Provided by publisher
