Kippur War P. R. Kumaraswamy, 1999 **Special Issue: Revisiting the Yom Kippur War** P. R. Kumaraswamy, 1999

Israeli Culture on the Road to the Yom Kippur War Dalia Gavriely-Nuri, 2014-02-27 The surprise of the Yom Kippur War 1973 rivals that of the other two major strategic surprises in the twentieth century Operation Barbarossa the German surprise attack on the Soviet Union and the bombing of Pearl Harbor The major difference between these events is that Israeli intelligence had a lot more and better quality information leading up to the attack than did the Soviet Union or the United States prior to those attacks Why then was the beginning of the Yom Kippur War such a surprise While many scholars have tried to explain why Israel was caught unawares despite its sophisticated military intelligence services Dalia Gavriely Nuri looks beyond the military intelligence and political explanations to a cultural explanation Israeli Culture on the Road to the Yom Kippur War reveals that the culture that evolved in Israel between the Six Day War and the Yom Kippur War played a large role in the surprise Gavriely Nuri's analysis provides new and innovative insights into the relationship between culture and socio political phenomena and security **The Yom Kippur War** Asaf Siniver, 2013-10-01 The Yom Kippur War was a watershed moment in the history of the Arab Israeli conflict and the modern Middle East more broadly It marked the beginning of a US led peace process between Israel and her Arab neighbours it introduced oil diplomacy as a new means of leverage in international politics and it affected irreversibly the development of the European Community and the Palestinian struggle for independence Moreover the regional order which emerged at the end of the war remained largely unchallenged for nearly four decades until the recent wave of democratic revolutions in the Arab world The fortieth anniversary of the Yom Kippur War provides a timely opportunity to reassess the major themes that emerged during the war and in its aftermath and the contributors to this book provide the first comprehensive account of the domestic and international factors which informed the policies of Israel Egypt Syria and Jordan as well as external actors before during and after the war In addition to chapters on the superpowers the EU and the Palestinians the book also deals with the strategic themes of intelligence and political of the war on Israeli and Arab societies The Yom Kippur War Walter J. Boyne, 2024-09-04 A vivid chronicle of the military and diplomatic crisis that exploded between Israel and a coalition of Arab states in October 1973 The Yom Kippur War brought Arab and Jew into vicious conflict A war in which Israel almost unleashed her nuclear arsenal and set two superpowers on a treacherous course of nuclear escalation And a war that eventually brought peace But a peace fraught with delicate tensions disputed borders and a legacy of further bloodshed This is a war that Israel never thought was possible Surprised by the fury and excellent execution of the Arab onslaught and perhaps more than a little complacent Israel

suddenly found itself on the point of losing a war because of a lack of ammunition planes and tanks The United States after much vacillation finally elected to help Israel beginning a tremendous airlift code name Operation Nickel Grass which incurred the wrath of the Arab states and their sponsor the Soviet Union Fortunately the airlift came just in time for Israeli ground forces to stabilize their positions and eventually turn the tide in the Sinai and Golan Heights And it was all made possible by an operation that dwarfed the Berlin Airlift and the Soviets simultaneous efforts in Egypt and Syria *The Yom Kippur War* Abraham Rabinovich,2007-12-18 An updated edition that sheds new light on one of the most dramatic reversals of military fortune in modern history The easing of Israeli military censorship after four decades has enabled Abraham Rabinovich to offer fresh insights into this fiercest of Israel Arab conflicts A surprise Arab attack on two fronts on the holiest day of the Jewish calendar with Israel s reserves un mobilized triggered apocalyptic visions in Israel euphoria in the Arab world and fraught debates on both sides Rabinovich who covered the war for The Jerusalem Post draws on extensive interviews and primary source material to shape his enthralling narrative We learn of two Egyptian nationals working separately for the Mossad who supplied Israel with key information that helped change the course of the war of Defense Minister Moshe Dayan s proposal for a nuclear demonstration to warn off the Arabs and of Chief of Staff David Elazar s conclusion on the fifth day of battle that Israel could not win Newly available transcripts enable us to follow the decision making process in real time from the prime minister s office to commanders studying maps in the field After almost overrunning the Golan Heights the Syrian attack is broken in desperate battles And as Israel regains its psychological balance General Ariel Sharon leads a nighttime counterattack across the Suez Canal through a narrow hole in the Egyptian line the turning point of the war *Israel in the 1973 Yom Kippur War* David Rodman,2016-10-20 The State of Israel faced one of its most difficult challenges during the 1973 Yom Kippur War Though the Israel Defense Forces IDF eventually emerged as the clear victor in the war it suffered serious reverses at the outset of hostilities as well as substantial losses in men and equipment This book revisits the Yom Kippur War by exploring a number of issues that have not previously received the attention they deserve or that would benefit from a fresh evaluation Among the issues examined are the American Israeli and Jordanian Israeli relationships during the war the roles of Israeli nuclear weapons and airpower the IDF s practice of combined arms warfare the reasons why the IDF turned the tide of the war more quickly on the Golan front than on the Sinai front the impact of American arms transfers and the lessons derived from the war by the United States Army and the IDF This book which relies heavily on government documents and other primary sources of information fills important descriptive and analytical gaps in the academic literature about the Yom Kippur War No other book compares to it in respect of content and interpretation It is in short essential reading for all scholars interested in the diplomatic and military dimensions of the war **Jewish Contiguities and the Soundtrack of Israeli History** Assaf Shelleg,2014 Jewish Contiguities and the Soundtrack of Israeli History revolutionizes the study of modern Israeli art music by tracking the surprising itineraries of

Jewish art music in the move from Europe to Mandatory Palestine and Israel Leaving behind clichés about East and West Arab and Jew this book provocatively exposes the legacies of European antisemitism and religious Judaism in the making of Israeli art music Foreign Policy Steve Smith, Amelia Hadfield, Timothy Dunne, 2016 The only introduction to foreign policy to combine theories actors and cases in one volume
