Revivals and Roller Rinks Lynne Sorrel Marks, 1996-01-01 Based primarily on a study of the towns of Thorold Campbellford and Ingersoll this investigation seeks as well to determine the nature of commonalities and differences in patterns of participation in religious and leisure activities within both middle and working class families *Roughing it in the Suburbs* Valerie J. Korinek, 2000-12-15 Originally launched in 1928 by the 1950s and 1960s nearly two million readers every month sampled Chatelaine magazine s eclectic mixture of traditional and surprisingly unconventional articles and editorials At a time when the American women s magazine market began to flounder thanks to the advent of television Chatelaine s subscriptions expanded as did the lively debate between its pages Why In this exhilarating study of Canada s foremost women s publication in the 50s and 60s Valerie Korinek shows that while the magazine was certainly filled with advertisements that promoted domestic perfection through the endless expansion of consumer spending a number of its sections including fiction features letters and the editor s column began to contain material that subversively complicated the simple consumer recipes for affluent domesticity Articles on abortion spousal abuse and poverty proliferated alongside explicitly feminist editorials It was a potent mixture and the mail poured in both praising and criticizing the new directions at the magazine It was Chatelaine s highly interactive and participatory nature that encouraged what Korinek calls a community of readers readers that in their very response to the magazine led to its success Chatelaine did not cling to the stereotypical images of the era instead it forged ahead providing women with a variety of images ideas and critiques of women s role in society Chatelaine s dissemination of feminist ideas laid the foundation for feminism in Canada in the 1970s and after Comprehensive fascinating and full of lively debate and history *Roughing it in the Suburbs* provides a cultural study that weaves together a history of Chatelaine s producer s consumers and text It illustrates how the structure of the magazine s production and the composition of its editorial and business offices allowed for feminist material to infiltrate a mass market women s monthly In doing so it offers a detailed analysis of the times the issues and the national cross section of the women and sometimes men who participated in the success of a Canadian cultural landmark Winner of the Laura Jamieson Prize awarded by the Canadian Research Institute for the Advancement of Women **Documenting First Wave Feminisms** Maureen Moynagh, Nancy Forestell, 2012-01-14 Contemporary feminists are used to juggling many different identities at once balancing affiliations based on race nation class and sexuality First wave feminists also negotiated or failed to negotiate

similar tensions in their international organizing Using primary documents dating from the abolitionist movement to the Second World War Maureen Moynagh and Nancy Forestell investigate the tensions inherent in organizing early transnational feminist movements Documenting First Wave Feminisms Volume 1 provides a historical framework to bring together voices of women both canonical and less well known from Mary Wollstonecraft to Mabel Dove who were active in feminist movements in all corners of the world Suffrage imperialism citizenship sexuality and moral reform are shown to be key issues in a variety of exchanges across North America Europe the global south and the Pan Pacific region This source book is as nuanced as first wave feminism itself and will prove a valuable resource for studying women s rights in an increasingly globalized world *The Modern Girl* Jane Nicholas,2015-01-01 Using a wide range of visual and textual evidence Nicholas illuminates both the frequent public debates about female appearance and the realities of feminine self presentation in 1920s Canada **Sit Down and Drink Your Beer** Robert A. Campbell,2001-01-01 Campbell argues that the regulation of the environment of the classic beer parlour rather than being an example of social control is best understood as moral regulation and part of a process of normalization Wisdom, Justice and Charity Suzanne Morton,2014-06-09 One of Canada s first social workers Jane B Wisdom had an active career in social welfare that spanned almost the first half of the twentieth century Competent thoughtful and trusted she had a knack for being in important places at pivotal moments Wisdom s transnational career took her from Saint John to Montreal New York City Halifax and Glace Bay as well as into almost every field of social work Her story offers a remarkable opportunity to uncover what life was like for front line social workers in the profession s early years In *Wisdom Justice and Charity* historian Suzanne Morton uses Wisdom s professional life to explore how the welfare state was built from the ground up by thousands of pragmatic and action oriented social workers Wisdom s career illustrates the impact of professionalization gender and changing notions of the state not just on those in the emergent profession of social work but also on those in need Her life and career stand as a potent allegory for the limits and possibilities of individual action **Breadwinning Daughters** Katrina Srigley,2010-01-02 As one of the most difficult periods of the twentieth century the Great Depression left few Canadians untouched Using more than eighty interviews with women who lived and worked in Toronto in the 1930s *Breadwinning Daughters* examines the consequences of these years for women in their homes and workplaces and in the city s court rooms and dance halls In this insightful account Katrina Srigley argues that young women were central to the labour market and family economies of Depression era Toronto Oral histories give voice to women from a range of cultural and economic backgrounds and challenge readers to consider how factors such as race gender class and marital status shaped women s lives and influenced their job options family arrangements and leisure activities *Breadwinning Daughters* brings to light previously forgotten and unstudied experiences and illustrates how women found various ways to negotiate the burdens and joys of the 1930s *Paddling Her Own Canoe* Veronica Strong-Boag,Carole Gerson,2017-06-22 Frequently dismissed as a nature poet and an Indian Princess E Pauline Johnson 1861
