Short Introduction Gil Troy, 2009-07-30 They called it the Reagan revolution Ronald Reagan noted in his Farewell Address Well I ll accept that but for me it always seemed more like the great rediscovery a rediscovery of our values and our common sense Nearly two decades after that 1989 speech debate continues to rage over just how revolutionary those Reagan years were The Reagan Revolution A Very Short Introduction identifies and tackles some of the controversies and historical mysteries that continue to swirl around Reagan and his legacy while providing an illuminating look at some of the era s defining personalities ideas and accomplishments Gil Troy a well known historian who is a frequent commentator on contemporary politics sheds much light on the phenomenon known as the Reagan Revolution situating the reception of Reagan s actions within the contemporary liberal and conservative political scene While most conservatives refuse to countenance any criticism of their hero an articulate minority laments that he did not go far enough And while some liberals continue to mourn just how far he went in changing America others continue to mock him as a disengaged do nothing dunce Nevertheless as Troy shows two and a half decades after Reagan s 1981 inauguration his legacy continues to shape American politics diplomacy culture and economics Both Bill Clinton and George W Bush modeled much of their presidential leadership styles on Reagan s example while many of the debates of the 80s about the budget tax cutting defense spending and American values still rage Love him or hate him Ronald Reagan remains the most influential president since Franklin D Roosevelt and one of the most controversial This marvelous book places the Reagan Revolution in the broader context of postwar politics highlighting the legacies of these years on subsequent presidents and on American life today About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life s most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

The Reagan Revolution and the Rise of the New Right Kenneth J. Heineman, 2021-06-24 For students of U S history The Reagan Revolution explores how a Hollywood upstart and eventual conservative leader became one of the most successful and influential presidents in U S history one whose presidency helped to define the end of the Cold War This book covers Ronald Reagan s long rise to the presidency and the conservative political revolution he brought about in the 1980s Spurning the moderate values and policies Republicans had previously championed Reagan s revolution continues to play an outsized role in America s political life This important reference book gives browsers and readers alike an opportunity to focus on many of the intertwined issues of the 1980s abortion gay rights law and order the Cold War tax cuts de industrialization the Religious Right and the political divisions that made Reagan s legislative victories possible The book opens with a concise biography covering Reagan s rise from radio personality and actor to governor and president Subsequent chapters cover politics and policy Chapters also include an important review of Reagan s legendary public relations operations morning in America and the perfection of the television photo op and the ways in which 1980s popular culture influenced and was influenced by his

presidency This section portrays Reagan as a product of Hollywood who keenly understood the importance of public opinion and creating a positive image

The New Reagan Revolution Michael Reagan, Jim Denney, 2012-01-31 We must go forth from here united determined that what a great general said a few years ago is true There is no substitute for victory Ronald Reagan 1976 Republican National Convention The New Reagan Revolution reveals new insights into the life thoughts and actions of the man who changed the world during the 1980s The challenges and threats we face today are eerily similar to the conditions in the world before the beginning of the Reagan era The good news is that we already know what works Ronald Reagan has given us the blueprint This book is not merely a diagnosis of our nation's ills but a prescription to heal our nation In these pages you'll find a plan for returning America to its former greatness soundness and prosperity It's the plan Ronald Reagan developed over years of study observation and reflection It's a plan he announced to the nation straight from his heart when he was called to the podium during the 1976 Republican National Convention It's the plan he put into action during his eight years in office as the most effective president of the 20th century This plan saved America once and can do so again Ronald Reagan brought America back from the brink of economic ruin and tossed the Evil Empire into the dustbin of history That is why I call him with true reverence and the highest of esteem Ronaldus Magnus Now his elder son Michael Reagan has written the definitive book on Ronald Reagan's vision and achievements He writes from a close up perspective no other conservative can match My friend Michael Reagan has given us the blueprint for a new Reagan revolution and he has given Ronald Reagan back to us again Read it learn it live it love it Rush Limbaugh the 1 radio talk show host in America Ronald Reagan issued a call to arms and led a revolution against those who claimed that America's best days were behind her He restored our crumbling economy and collapsed the Soviet Union Today Michael Reagan calls us back to Ronald Reagan's principles which saved America once and can do so again The New Reagan Revolution is a practical agenda for refreshing the tree of liberty and returning America to her constitutional roots This book tells you what you can do to preserve the legacy of freedom for your children and grandchildren Read it then live it Mark Levin talk show host and New York Times bestselling author of Liberty and Tyranny From a perspective of Ronald Reagan that no one else can offer Michael Reagan not only shares with us poignant revealing stories about his father but takes us inside the mind of the man who inspired a rekindling of America's founding ideals and with them a reawakening of the American spirit Even better Michael shows us how the application of these timeless principles can lead us to overcome the most difficult challenges we currently face as a nation challenges that are strikingly similar to those Ronald Reagan confronted and conquered David Limbaugh 1 New York Times bestselling author of Crimes Against Liberty Michael Reagan the elder son of the greatest president of the 20th century has written the Reaganite roadmap for restoring America's greatness Only Michael Reagan could have written a book which embraces the full range of Ronald Reagan's intellect and spirit from his unyielding toughness at Reykjavik and Berlin to his deep compassion for the oppressed He shows us how to apply the timeless principles

of Reagan conservatism to the fast changing world in which we live Must reading for every true conservative Newt Gingrich Former Speaker of the House Who better than Michael Reagan to explain to us how Ronald Reagan is not only a great man of history but also a visionary for our future The New Reagan Revolution is a must read for those who are interested in our past and worried about what tomorrow might bring Bravo Peter Schweizer author of Reagan s War The Epic Story of His Forty Year Struggle and Final Triumph Over Communism The Reagan Presidency Paul Kengor, Peter Schweizer, 2005-04-29 In this important new volume editors Paul Kengor and Peter Schweizer bring together original essays from leading scholars who examine topics as varied as Iran Contra abortion the Cold War governmental management and economic policy Through critical analysis these essays seek a better understanding of Ronald Reagan his policies and his lasting legacy
