Revolutionary Art Of The Future Rediscovered Poems:

Correspondence Between Hugh MacDiarmid and Sorley MacLean Susan R. Wilson, 2010-04-08 This is both the first complete annotated edition of the letters exchanged by these major twentieth century Scottish poets and the first major exploration of their long friendship and literary association Spanning nearly fifty years from 27 July 1934 to 23 July 1978 this engaging correspondence offers a revealing and sometimes intimate look at their lively dialogical exchanges on a broad range of topics from major historical events such as the Spanish Civil War and WW II to the mundane challenges of daily life The introductory chapters chart the development of MacDiarmid and MacLean s enduring friendship in relation to their quite different literary contexts and careers discuss MacLean s significant contributions to MacDiarmid s Golden Treasury of Scottish Poetry and situate MacLean s literary innovations in terms of Gaelic modernism They thus provide comparative critical insights into the influence of cultural nationalism on each writer s developing poetics their work as translators and their mutual influence on each other s careers These private letters in which culture politics and modern history intersect offer a fascinating glimpse at the creative processes and collaborative work of Hugh MacDiarmid and Sorley MacLean Key Features The first complete annotated edition of the correspondence between the two poets The only major exploration of MacDiarmid and MacLean s friendship and literary association Full biographical and historical Introduction bibliography and appendices

Hugh MacDiarmid's Poetry and Politics of Place Scott Lyall, 2006-08-28 By examining at length for the first time those places in Scotland that inspired MacDiarmid to produce his best poetry Scott Lyall shows how the poet s politics evolved from his interaction with the nation exploring how MacDiarmid discovered a hidden tradition of radical Scottish Republicanism through which he sought to imagine a new Scottish future Adapting postcolonial theory this book allows readers a fuller understanding not only of MacDiarmid s poetry and politics but also of international modernism and the social history of Scottish modernism

Edinburgh Companion to Hugh MacDiarmid Scott Lyall, 2011-05-16 The only full length companion available to this distinctive and challenging Scottish poet By using previously uncollected creative and discursive writings this international group of contributors presents a vital updating of MacDiarmid scholarship They bring fresh insights to major poems such as A Drunk Man Looks at the Thistle To Circumjack Cencrastus and In Memoriam James Joyce and offer new political ecological and science based readings in relation to MacDiarmid s work from the 1930s They also discuss his experimental short fiction in Annals of the Five Senses the autobiographical Lucky Poet and a representative selection of his essays and journalism They assess MacDiarmid s legacy and reputation in Scotland and beyond placing his poetry within the context of international modernism

Scotland's Harvest Richie McCaffery,2023-07-24 This study is the first exploration of the impact of World War Two on Scottish poets of both the front line and the home front World War One has always been thought of as a poet s war one of horror and futility The poetry of World War Two by contrast has long languished in its shadow though there was a much greater amount of it written This book asks whether these poets felt they were grown for war or rather that they grew through war experience with an emphasis on the possibilities of the future instead of cataloguing the senseless horror of the battlefield How were the hopes of Scottish poets different from their English counterparts How was their poetry different and how did it impact on their later lives

Chapman ,2004 **Scottish Literature and Postcolonial Literature** Michael Gardiner,2011-06-13 The first full length study of Scottish literature using a post devolutionary understanding of postcolonial studies Using a comparative model and spanning over two hundred years of literary history from the 18th Century to the contemporary this collection of 19 new essays by some of the leading figures in the field presents a range of perspectives on Scottish and postcolonial writing The essays explore Scotland s position on both sides of the colonial divide and also its role as instigator of a devolutionary process with potential consequences for British Imperialism

Edinburgh History of Scottish Literature: Modern Transformations: New Identities (from 1918) Ian Brown,2006-11-13 In almost a century since the First World War ended Scotland has been transformed in many rich ways Its literature has been an essential part of that

transformation The third volume of the History explores the vibrancy of modern Scottish literature in all its forms and languages Giving full credit to writing in Gaelic and by the Scottish diaspora it brings together the best contemporary critical insights from three continents It provides an accessible and refreshing picture of both the varieties of Scottish literatures and the kaleidoscopic versions of Scotland that mark literary developments since 1918
