Revolutionary Communicator:

The Revolutionary Communicator Jedd Medefind, Erik Lokkesmoe, 2004 In an age exhausted by spin hype and image do you long for an authentic connection with others Do you desire to rise above life s noise in a way that shapes and influences your home workplace and community Whether you re an executive stay at home mom or even pastor everyone has the opportunity to impact those around them through more effective communication The Revolutionary Communicator looks at Jesus of Nazareth in a completely new light revealing seven revolutionary ways to leave a lasting impact on others Discover the greatest of all communicators in a manner even many lifelong followers never have and become a student of Jesus in a realm of utmost importance the way you communicate Book jacket Upended Jedd Medefind, Erik Lokkesmoe, 2012-05 Connect Influence Love In a way that overturns the world s assumptions Upended invites the follower of Jesus to become an apprentice to Jesus particularly in the choices that shape our lives most how we communicate and connect Join this exhilarating exploration of the often overlooked often oversimplified character of Jesus and His unparalleled way of communicating Study echo and embrace the ways of the Master Your life will inevitably be upended Not always how you d imagined but certainly for the better Much better (No More) Mediocre Me John E. Michel, 2020-12-31 If you were to account for your life at this moment are you living up to your own potential Does your present state of affairs give you reason to be disappointed or discouraged Is your job unsatisfying your relationships far from what they could be your spiritual life a mere shadow of what it once was If you answered yes to one or more of these questions then there is a very good chance you like scores of other Americans have been lulled into accepting a life that is simply good enough This is what I term a Mediocre Me Mindset a confining way of thinking about your role in the world that convinces you to settle for the perceived safety of the status quo rather than push outside your comfort zone to try and make tomorrow a little better than you found it today In Mediocre Me you will find a simple yet profoundly powerful approach to rethinking the way you view your role in the world It s a proven means of breaking free from the grasp of mediocrity so you can lead a life of true purpose meaning and significance And perhaps the best part of all it s not a new idea The concepts in Mediocre Me are actually anchored in an over two thousand year old legend One that reminds us we are at our individual and collective best not when we are standing still unwitting prisoners of the status quo but rather when we are unafraid to reject apathy and embrace action by leading the positive change we want to see occur in our surroundings Ralph Waldo Emerson once wrote America is another name for opportunity At a time in our nation s history when we seem more divided than united more fearful than hopeful there can be no more fence sitting It s time to begin writing a different more empowering personal leadership story of your own One that will energize you to do what you can when you can where you can to be a force for good in your part of the world when doing so is needed now more than ever Why We Love the Church Kevin DeYoung, Ted Kluck, 2009-06-24 This book presents the case for loving the local church It paints a picture of the local church in all its biblical and real life

guts gaffes and glory in an effort to edify local congregations and entice the disaffected back to the fold It also provides a solid biblical mandate to love and be part of the body of Christ and counteract the leave church books that trumpet rebellion and individual felt needs Why We Love the Church is written for four kinds of people the Committed the Disgruntled the Waffling the Disconnected The Word Made Fresh Meredith Gould,2008-07-01 The Word Made Fresh Communicating Church and Faith Today is more than a how to guide It will help readers appreciate the significance value and role of church communications as a ministry Readers will be invited to understand the role they play in transmitting the Gospel and counseled about using spiritual practices to face the challenges of using secular means to communicate sacred messages
