Santera The Beliefs And Rituals Of A Growing Religion In America:

Santeria Miguel A. De La Torre, 2004-08-23 A guide to the history beliefs rituals and culture of a religious tradition that despite persecution suppression and its own secretive nature has close to a million adherents in the United States alone Santera is a religion with Afro Cuban roots rising out of the cultural clash between the Yoruba people of West Africa and the Spanish Catholics who brought them to the Americas as slaves With the exile of thousands of Cubans after Castro's revolution in 1959 Santera came to the United States where it is gradually coming to be recognized as a legitimate faith tradition one about which most people in America's mainstream know very little De La Torre explains the worldview myths rituals and history of Santera and discusses what role the religion typically plays in the life of its practitioners as well as the cultural influence it continues to exert in Latin American communities today From publisher description *Handbook of Racism, Xenophobia, and Populism* Adebowale Akande, 2022-12-08 This handbook presents the roots of symbolic racism as partly in both anti black antagonism and non racial conservative attitudes and values representing a new form of racism independent of older racial and political attitudes By doing so it homes in on certain historical incidents and episodes and presents a cogent analysis of anti black Jim Crowism anti people of color Black Latino Native Americans and prejudice that exists in the United States and around the world as a central tenet of racism The book exposes the reader to the nature and practice of stereotyping negative bias social categorization modern forms of racism immigration law empowerment racialized incarceration and police brutality in the American heartland It states that several centuries of white Americans negative socializing culture marked by widespread negative attitudes toward African Americans are not eradicated and are still rife Further the book provides a panoramic view of trends of racial discrimination and other negative and desperate challenges that Black Indigenous and People of Color face across the world Finally the volume examines xenophobia racism prejudice and stereotyping in different contexts including topics such as Covid 19 religion and racism information manipulation and populism The book therefore is a must read for students researchers and scholars of political science psychology history sociology communications media studies diplomatic studies and law in general as well as ethnic and racial studies American politics global affairs populism and discrimination in particular **Liberation Theologies in the United States** Stacey M Floyd-Thomas, Anthony B Pinn, 2010-03-01 Liberation Theologies in the United States reveals how the critical use of religion can be utilized to challenge and combat oppression in America In the nascent United States religion often functioned as a justifier of oppression Yet while religious discourse buttressed such oppressive activities as slavery and the destruction of native populations oppressed communities have also made use of religion to critique and challenge this abuse As Liberation Theologies in the United States demonstrates this critical use of religion has often taken the form of liberation theologies which use primarily Christian principles to address questions of social justice including racism poverty and other types of oppression Stacey M Floyd Thomas and Anthony B Pinn have brought together a stellar group of liberation theology scholars

to provide a synthetic introduction to the historical development context theory and goals of a range of U S born liberation theologies Black Theology Anthony B Pinn Womanist Theology Stacey M Floyd Thomas Latina Theology Nancy Pineda Madrid Hispanic Latino a Theology Benjam n Valent n Asian American Theology Andrew Sung Park Asian American Feminist Theology Grace Ji Sun Kim Native Feminist Theology Andrea Smith Native American Theology George Tink Tinker Gay and Lesbian Theology Robert E Shore Goss Feminist Theology Mary McClintock Fulkerson An extraordinary resource for understanding the vitality of liberation theologies and their relation to social transformation in the changing U S context Written in an accessible and engaged way this powerful and informative text will inspire beginners and scholars alike I highly recommend it Kwok Pui lan author of Postcolonial Imagination and Feminist Theology A delight to read and an exemplary account of the genre of liberation theologies Religious Studies Review

Performative Inter-Actions in African Theatre

1 Kene Igweonu, Osita Okagbue, 2014-01-14 This book is part of a three volume book set published under the general title of Performative Inter Actions in African Theatre Each of the three books in the set has a unique subtitle that works to better focus its content and differentiates it from the other two volumes The contributors backgrounds and global spread adequately reflect the international focus of the three books that make up the collection The contributions in their various ways demonstrate the many advances and ingenious solutions adopted by African theatre practitioners in tackling some of the challenges arising from the adverse colonial experience as well as the one sided advance of globalisation The contributions attest to the thriving nature of African theatre and performance which in the face of these challenges has managed to retain its distinctiveness while at the same time acknowledging contesting and appropriating influences from elsewhere into an aesthetic that is identifiably African Consequently the three books are presented as a comprehensive exploration of the current state of African theatre and performance both on the continent and diaspora Performative Inter Actions in African Theatre 1 Diaspora Representations and the Interweaving of Cultures explores the idea that in and from their various locations around the world the plays of the African diaspora acknowledge and pay homage to the cultures of home while simultaneously articulating a sense of their Africanness in their various inter actions with their host cultures Contributions in Diaspora Representations and the Interweaving of Cultures equally attest to the notion that the diaspora as we see it is not solely located outside of the African continent itself but can be found in those performances in the continent that engage performatively with the West and other parts of the world in that process of articulating identity *Historical Dictionary of Nigeria* Toyin Falola, Ann Genova, Matthew M. Heaton, 2018-06-21 The Historical Dictionary of Nigeria Second Edition introduces Nigeria s rich and complex history Readers will find a wealth of information on pre 20th century history Nigeria under British colonial rule and important post independence issues while providing greater attention to Nigeria s role in international relations diaspora and contributions to arts film and culture in particular This revised edition covers major developments since the last edition such as the rise of the terrorist group Boko Haram and the election of Muhammadu

Buhari to the presidency in 2015 among others This second edition of Historical Dictionary of Nigeria Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Nigeria God in the Gallery Daniel A. Siedell,2008-10 An art historian develops a theological philosophical and historical framework within which to experience and interpret modern and contemporary art that is in dialogue with the Christian faith **Contemporary Perspectives on Religions in Africa and the African Diaspora** Carolyn M. Jones Medine,Ibigbolade S. Aderibigbe,Hans D Seibel,2015-10-14 Contemporary Perspectives on Religions in Africa and the African Diaspora explores African derived religions in a globalized world The volume focuses on the continent on African identity in globalization and on African religion in cultural change Afro-Caribbean Religions Nathaniel Samuel Murrell,2010-01-25 A comprehensive introduction to the Caribbean s African based religions *Encyclopedia of Women in Today's World* Mary Zeiss Stange,Carol K. Oyster,Jane E. Sloan,2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world **World Religions for Healthcare Professionals** Mark F Carr,Siroj Sorajjakool,Ernest Bursey,Siroj SSorajjakool,Julius J Nam,2017-02-10 Religious beliefs and customs can significantly shape patients and professionals attitudes toward and expectations of healthcare as well as their wishes and personal boundaries regarding such daily matters as dress diet prayer and touch Undoubtedly the sensitivity with which clinicians communicate with patients and make decisions regarding appropriate medical intervention can be greatly increased by an understanding of religious as well as other forms of cultural diversity This second edition of a popular and established text offers healthcare students and professionals a clear and concise overview of health beliefs and practices in world religions including Hinduism Buddhism Jainism Confucianism Taoism Sikhism Islam Judaism and Christianity Adopting a consistent structure each chapter considers the demographic profile of the community the religion s historical development and key beliefs and practices including views regarding health and sickness death and dying Each chapter also ends with a useful checklist of advice on what to do and what to avoid along with recommendations for further reading both online and in print form The book s clear and consistent style ensures that readers with little background knowledge can find the information they need and assimilate it easily A brand new chapter on applications and a set of new case studies illustrating issues in clinical practice enhance this wide ranging book s value to students and practitioners alike
