Antiques ,1926 *The Hidden Spirituality of Men* Matthew Fox,2010-09-24 It is no secret that men are in trouble today From war to ecological collapse most of the world s critical problems stem from a distorted masculinity out of control Yet our culture rewards the very dysfunctions responsible for those problems To Matthew Fox our crucial task is to open our minds to a deeper understanding of the healthy masculine than we receive from our media culture and religions Popular religion forces the punitive imagery of fundamentalism on us pushing most men away from their natural yearning for spirituality and toward intolerance and domination Meanwhile many men particularly young men are looking for images of healthy masculinity to emulate and finding nothing To awaken what Fox calls the sacred masculine he unearths ten metaphors or archetypes ranging from the Green Man an ancient pagan symbol of our fundamental relationship with nature to the Grandfatherly Heart to the Spiritual Warrior He explores archetypes of sacred marriage showing how partnership becomes the ultimate expression of healthy masculinity By stirring our natural yearning for healthy spirituality Fox argues these timeless archetypes can inspire men to pursue their higher calling to reinvent the world **All I Have Is Me** K.L. Smith,2022-03-08 All I Have Is Me is a fictional novel that tells the story of how the Logan family grieves and suffers after their lives are broken and shattered by the loss of their teenaged daughter in an automobile accident The parents blame the death on their younger daughter Theresa who is driving the car The story is told from Theresa s viewpoint Life as Theresa has known it changes forever in a matter of seconds With the death of her older sister there is no longer any warmth happiness or love in the family s life Theresa is heavily burdened watching her parents endless grief She becomes tired of being the recipient of the accusatory looks of disappointment and hurt from her parents She feels that no one cares if she lives or dies After a failed suicide attempt Theresa decides to do her best to stay out of her parents way and bide her time until she can graduate from high school and leave home Upon high school graduation she joins the army because she has nowhere else to go The army provides all her basic needs for survival The army becomes her life for twenty years Theresa learns to exist and function without allowing herself to get emotionally involved in life After retirement from the military Theresa feels a need to put down roots She stumbles upon an old dilapidated farm cottage in a small community She feels a connection to the empty cottage that no one cares for or loves Theresa finds that as she repairs the flaws and cracks in the old cottage and brings it back to life she is also repairing the flaws and cracks in her own life She renews her faith in God By accepting love from others the story tells how Theresa is able to find joy and beauty in living as she allows herself to love forgive herself and learn to live again **Magazine Antiques** ,1926 **Gemmology** P. G. Read,2013-10-22 Gemmology is a text for students preparing for the Gemmological Association s Preliminary and Diploma examinations The book is more expansive and up to date than the author s earlier book Beginner s Guide to Gemmology The book deals with the practical and theoretical sides of gemmology Tracing the background and science of gemmology the book covers the gem material

geological formation and occurrence of gemstones on the earth The composition of gemstones from the atoms elements molecules and compounds comprising them is analyzed and the relationship between chemical composition and durability of the stone is explained The basics of crystallography is mentioned as a tool toward understanding gemmology after which cleavage parting and fracture are done A gemstone s durability and hardness and how the latter influences engineering tests and the mining techniques are compared An important test technique to identify unmounted stones is the measure of specific gravity using displacement measurement methods and hydrostatic methods After more descriptive details are given in identification of gemstones whether these are synthetic or simulants through a comprehensive explanation of the materials found in these other gemstones the fashioning through shaping or polishing of gemstones is explained Emphasis is given on the critical angle in which light rays pass in different rock densities and then the cutting styles gemstone polishing and grading are discussed Students studying for the Gemmological Association s Preliminary and Diploma examinations jewelers lapidarists and diamond cutters as well as those engaged in the hobby of gemmology will find this book helpful and full of information toward their endeavors and hobbies
