Marguerite Johnson

Sapphos Gymnasium:

Sappho's Gymnasium Olga Broumas, T. Begley, 1994 In these hypnotically incantatory poems grief and ecstasy paradise and hell cohabit each located within the other Just as a brilliant jazz duo might break down the structure of a tune Broumas and Begley breakdown the conventions of traditional syntax leaving out punctuation other than line and stanza breaks sounding out and recombining phrases introducing neologisms and etymological sources on lower cover **Sappho**

Marguerite Johnson, 2013-10-16 This series of short incisive books introduces major figures of the ancient world to the modern general reader including the essentials of each subject's life works and significance for later western civilisation In the newly created tradition of the Ancients in Action series Marguerite Johnson has written a fascinating and accessible account of what remains of the life and works of the Greek poet Sappho Sappho's ancient biography is covered in addition to the post classical accounts of her life which continue to appear in a variety of creative and non creative contexts in contemporary literature and art Sappho's poetry essentially preserved in tantalising fragments is discussed in a series of thematic chapters that include her religious writings particularly directed to the goddess of love Aphrodite personal interpretations of mythological themes marriage hymns and love songs to female companions *Dwelling in Possibility* Yopie Prins, Maeera Shreiber, 2018-10-18 *Dwelling in Possibility* cuts across conventional boundaries between critical and creative writing by featuring the work of both women poets and feminist critics as they explore and exemplify the relationship between gender and poetic genres The contributors suggest new ways of thinking and writing about poetry in light of contemporary questions about history and identity Most of the contributions are published here for the first time

Poetry from Sojourner Ruth Lepson, 2004 Collection of poems from 25 years of Sojourner For much of its history Sojourner was the most widely circulated feminist literary journal in America and more than 1 200 poems have appeared in its pages since it began publication in 1975 Nearly 150 of those poems are collected in this volume where together they form a powerful testament to the vibrancy wit and diversity of feminist poetry In addition to works by such well known poets as Molly Peacock Nikki Giovanni Betsy Sholl and Adrienne Rich this collection includes poems by women from a host of different backgrounds including many whose work appeared in print for the first time in Sojourner Some of these poems explode with energy others speak with a haiku like softness some discuss love lust and sexuality while others deal with loss divorce and revenge The voices collected here are old and young rural and urban straight and gay from mothers and daughters to wives lovers and countless others all contributing to this anthology's wide ranging conversation about feminism and feminist poetics *The Butterfly Effect* Susan Hawthorne, 2005 This is a concept from physics in which it is surmised that small actions can have enormous consequences and that the flutter of a butterfly's wing on one side of the world can cause devastating storms on the other side This work includes poems on a range of subjects including death history culture physics and more Lesbian Desire in the Lyrics of Sappho Jane McIntosh Snyder, 1997 The lyrics of Sappho are the earliest

surviving examples of explicitly homoerotic literature and have often been analyzed in terms of their revelations about the island society of Lesbos This volume examines Sappho's poetry through the lens of lesbian desire It focuses on the active female gaze in the texts and the narrative voice one that describes female experience and desires as primary not secondary to the dominant male culture **Athens** Barrie Kerper, 2004 Provides a collection of travel articles on the culture cuisine and everyday life of the Greek city along with bibliographies and practical tips on transportation culinary treasures accommodations and sights **Resident Alien** Kazim Ali, 2015-10-23 A deeply complex and beautiful analysis of poetry in its many forms and its use in collaborations with other arts and disciplines *Car Maintenance, Explosives and Love* Susan Hawthorne, Cathie Dunsford, Susan Sayer, 1997 Annotation This anthology reflects the varied tongues the inventiveness and the diversity of lesbian culture and writing H. D. & Bryher Susan McCabe, 2021-10-15 H D Bryher An Untold Love Story of Modernism explores the lives of two queer women one a poet and the other a historical novelist living from the late 19th century through the 20th century Seeking invisibility to shield their deviance they quested ancient cultures and gnostic wisdom to find a more egalitarian creative process like electricity to anchor their lives together As innovators of the power of two their writing knit their psyches together
