Sarojini Naidu Selected Letters 1890s To 1940s

Eugene Benson

Sarojini Naidu Selected Letters 1890s To 1940s:

Sarojini Naidu, Selected Letters, 1890s to 1940s Sarojini Naidu, 1996 Poet Orator Freedom Fighter And Leader Of The Women S Movement Sarojini Naidu Was One Of India S Best Known National Figures This Book Is The First Ever Compilation And Publication Of Her Letters *The Cambridge History of Black and Asian British Writing* Susheila Nasta, Mark U. Stein, 2020-01-16 The Cambridge History of Black and Asian British Writing provides a comprehensive historical overview of the diverse literary traditions impacting on this field s evolution from the eighteenth century to the present Drawing on the expertise of over forty international experts this book gathers innovative scholarship to look forward to new readings and perspectives while also focusing on undervalued writers texts and research areas Creating new pathways to engage with the naming of a field that has often been contested readings of literary texts are interwoven throughout with key political social and material contexts In making visible the diverse influences constituting past and contemporary British literary culture this Cambridge History makes a unique contribution to British Commonwealth postcolonial transnational diasporic and global literary studies serving both as one of the first major reference works to cover four centuries of black and Asian British literary history and as a compass for future scholarship *A Forgotten Ambassador in Cairo* N.S. Vinodh, 2020-12-29 Amongst the multitude of tombs in the City of the Dead in Cairo there lies buried a lone Indian a scholar writer debonair statesman and a leader of the freedom movement Who is he How did he get there For a man who used both the lectern and the pen to devastating effect during the Indian Independence movement led by the likes of Gandhi and Nehru little is known of Syud Hossain Born to an aristocratic family in Calcutta he forayed into journalism early in life and became the editor of Motilal Nehru s nationalist newspaper The Independent After a brief elopement with Motilal s daughter Sarup aka Vijaya Lakshmi Pandit Hossain under immense pressure from Nehru and Gandhi annulled the marriage and stayed away from the country Thus began several years of exile Eventually he landed in the United States Flitting from one place to another making homes of hotel rooms he imparted Gandhi s message across the country He fought for India s cause from afar garnering support in the United States and decrying British oppression Syud Hossain inspired and irked in equal measure with every speech he delivered and every editorial he penned he sent a shiver down the spine of the colonial ruler In addition Hossain took on the fight for Indian immigrant rights in the United States one that successfully culminated in President Truman signing the Luce Cellar Bill into an Act in 1946 Hossain returned to India to witness the triumph of her independence as well as the tragedy of Gandhi s assassination Thereafter appointed India s first ambassador to Egypt he died while in service and was laid to rest in Cairo *A Forgotten Ambassador in Cairo* offers an illuminating narrative of Hossain s life interspersed with historical details that landscapes a vivid political picture of that era Through primary sources that include Hossain s private papers British Intelligence files and contemporary correspondence and newspapers N S Vinodh brilliantly brings to life a man who has been relegated far too long to the shadows of time **Anglophone Indian Women**

Writers, 1870-1920 Ellen Brinks, 2016-04-15 The result of extensive archival recovery work Ellen Brinks's study fills a significant gap in our understanding of women's literary history of the South Asian subcontinent under colonialism and of Indian women's contributions and responses to developing cultural and political nationalism As Brinks shows the invisibility of Anglophone Indian women writers cannot be explained simply as a matter of colonial marginalization or as a function of dominant theoretical approaches that reduce Indian women to the status of figures or tropes The received narrative that British imperialism in India was perpetuated with little cultural contact between the colonizers and the colonized population is complicated by writers such as Toru Dutt Krupabai Satthianadhan Pandita Ramabai Cornelia Sorabji and Sarojini Naidu All five women found large audiences for their literary works in India and in Great Britain and all five were also deeply rooted in and connected to both South Asian and Western cultures Their works created new zones of cultural contact and exchange that challenge postcolonial theory's tendencies towards abstract notions of the colonized women as passive and of English as a de facto instrument of cultural domination Brinks's close readings of these texts suggest new ways of reading a range of issues central to postcolonial studies the relationship of colonized women to the metropolitan literary culture Indian and English women's separate and joint engagements in reformist and nationalist struggles the translatability of culture the articulation strategies and complex negotiations of self identification of Anglophone Indian women writers and the significance and place of cultural difference

Sarojini Naidu Anu Kumar, 2014-02-05 In the battle for liberty fear is the one unforgivable sin She always wanted to be wild and free like the birds but she became much more the Bulbul e Hind or the Nightingale of India A child prodigy Sarojini Naidu ne Chattopadhyay grew to be so fearless and gifted that she was an example to all Gopal Krishna Gokhale led her to devote her song and speech thought and dreams to the Motherland and she never wavered in leading or following the cause right into jail several times Wise lyrical and feisty Sarojini Naidu brought intelligence energy and intensity to the independence movement She was the first woman to become President of the Indian National Congress and later the Governor of Uttar Pradesh Her frequent ill health never subdued her spirit Her irreverence was legendary she was the one who gave Mahatma Gandhi the endearing nickname of Mickey Mouse A staunch patriot a unique poet an efficient administrator a progressive reformer and a women's activist she was hailed as a fiery public speaker It is not surprising then that Women's Day in India is celebrated on the birthday of Sarojini Naidu a heroine then and an inspiration now and forever This book brings together her outstanding work and words and highlights the main tenets of her life From her stellar role in the difficult times she lived in you too can learn to be a little bit like Sarojini Naidu

Encyclopedia of Life Writing Margaretta Jolly, 2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company

Encyclopedia of Post-Colonial Literatures in English Eugene Benson, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written

by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide *Nineteenth-Century Literature in Transition: The 1890s* Dustin Friedman, Kristin Mahoney, 2023-09-07 The 1890s were once seen as marginal within the larger field of Victorian studies which tended to privilege the realist novel and the authors of the mid century In recent decades the fin de siècle has come to be viewed as one of the most dynamic decades of the Victorian era Viewed by writers and artists of the period as a moment of opportunity transition and urgency the 1890s are pivotal for understanding the parameters of the field of Victorian studies itself This volume makes a case for why the decade continues to be an area of perennial fascination focusing on transnational connections gender and sexuality ecological concerns technological innovations and other current critical trends This collection both calls attention to the diverse range of literature and art being produced during this period and foregrounds the relevance of the Victorian era's final years to issues and crises that face us today *Gandhi* G. B. Singh, 2004-04 Among prominent leaders of the twentieth century perhaps no one is more highly regarded than Mahatma Gandhi He is revered by the vast majority of Hindus as the hero of Indian independence and many people throughout the world consider him to be a modern saint In this explosive intriguing and provocative investigation Colonel G B Singh charges that the popular image of Gandhi is highly misleading Despite his famous philosophy of nonviolent resistance satyagraha Colonel Singh's analysis of the evidence leads him to conclude that Gandhi's ideology was in fact rooted in racial animosity first against blacks in South Africa and later against whites in India The author also finds evidence of multiple cover ups designed to hide Gandhi's real history including even collusion to cover up the murder of an American This provocative thesis is sure to be controversial

Stories of women Elleke Boehmer, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Elleke Boehmer's work on the crucial intersections between independence nationalism and gender has already proved canonical in the field *Stories of women* combines her keynote essays on the mother figure and the postcolonial nation with incisive new work on male autobiography daughter writers the colonial body the trauma of the post colony and the nation in a transnational context Focusing on Africa as well as South Asia and sexuality as well as gender Boehmer offers fine close readings of writers ranging from Achebe Okri and Mandela to Arundhati Roy and Yvonne Vera shaping these into a critical engagement with theorists of the nation like Fredric Jameson and Partha Chatterjee This edition will be of interest to readers and researchers of postcolonial international and women's writing of nation theory colonial history and historiography of Indian African migrant and diasporic literatures and is likely to prove a landmark study in the field An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence
