The Satanic Revival Mark I. Bubeck,1991 **Satanic Diversion of the Black Race** DR. D. K. OLUKOYA,2015-01-29

Satanic Diversion of the Black Race So what exactly is wrong with the black man Why do they tell us strange stories Why do people make statements like these Why do some people also say the average black man is stupid organization wise What is the explanation for our treasures that are being misused Why should someone bring a piece of mirror and with it collect fifty slaves What is God s purpose for the black man according to the Scriptures And what has kept the black man from fulfilling this purpose What are the forces behind this satanic diversion In the Bible whenever the world has been in a crisis God has always made a black person to appear on the scene to show the way Whenever God has a major step to take in spiritual history a black man has always come along Read through this book and gain knowledge *Satan's Arsenal Exposed* Christian Media LLC,2023-11-15 Satan has an arsenal of weapons at his disposal that he employs daily to defeat and capture souls He will test tempt put you on trial and convict you without reservation Included in the devil s arsenal are three main components discussed in this book Using these weapons he intends to defeat and steal your soul away from the creator God Firstly he has a well thought out plan specifically molded to defeat each individual God created Satan has a very effective way of getting to every person alive He knows his targets oftentimes better than they know themselves Secondly his well trained army of humans and demons hide everywhere to ambush their prey in places you would least expect to find them They bring their wit and abilities with them to the battlefield and lurk around every corner of life Finally there are weapons that are abundant and finely honed to capture the unwitting soul The weapons include semantics deception compromise peer pressure and social media Cognitive threats and abuse social threats and abuse and an abundance of other weapons are exposed in this manuscript Today s cults occult and all false religions intentionally steal innocent hearts Their lies will sound good but the intent is only evil Here are the weapons Satan uses *Dealing with Local Satanic Technology* Dr. D. K. Olukoya,2016-01-20 Technology of Darkness What a strange expression The Bible says Lest Satan should get an advantage of us for we are not ignorant of his devices 2 Cor 2 11 In every locality the enemy operates a technology of death spiritual robbery and destruction Every locality has its own spiritual powers controlling it The enemy dribbles man according to his culture traditions and environment Ignorance of local wicked devices has destroyed so many destinies This book is a warfare manual to help you destroy every local satanic technology You have a very powerful weapon in your hands **Fire From Heaven** Mark I. Bubeck,Craig Bubeck,2010-01-01 There is a great awakening on the 21st century church s horizon and it depends on you All the signs of history and culture point to the certainty of God bringing about revival to his people one by one and soon Satan knows that to resist broad scope revival the spiritual battlefield is ironically very personal You must understand your vital part in the immanent battle and equip yourself enthusiastically to answer the call The corporate body of Christ s war is very personal battle it is in a real sense an army of one *The Secret Life of a Satanist* Blanche

Barton,2014-08-18 *The Secret Life of a Satanist* steps behind the curtain with the founder and High Priest of the Church of Satan What is contemporary Satanism and why would one start a church dedicated to the Dark One It wasn't a rebellion against an oppressive religious upbringing it was Anton Szandor LaVey's disgust with most of humanity Drawing from Jack London H L Mencken Friedrich Nietzsche Marquis de Sade George Bernard Shaw John Milton Benjamin Franklin and a host of reprobates with a large dose of alchemy and black magic LaVey formulated a philosophy that deeply resonated with him LaVey did not worship Satan he paid homage to the rebellious spirit of innovation defiance and self reliance that the archetype embodied His background as a musician circus lion trainer hypnotist and police photographer is covered here The author who later became his paramour and mother to his only son was allowed extraordinary access to documents concerning his life testimonies from people who had known him for years and most importantly anecdotes and fond memories from a man living out of his time After the original publication of this biography in 1990 LaVey and Blanche Barton fought through the Satanic Panic together and guided the Church for another seven years This revised edition adds a dozen new and never before seen images

Drawers of Power from the Heavens Dr. D. K. Olukoya,2013-12-16 Many people suffer today because of gross ignorance concerning what is actually going on in the spiritual realm Some of the stubborn problems that men are struggling with today were actually programmed into human lives through certain hidden powers These powers carry out their activities in the day and in the night through association with very powerful spiritual strongholds The Importance of this message is to show you that many problems are caused by powers which rule the day and the night These powers have continued to perpetrate all forms of wickedness in the lives of millions if not billions of men and women You will experience a great change in your life the moment you begin to understand and control the powers that rule the day and the night

Satan in America W. Scott Poole,2009-11-16 *Satan in America* tells the story of America's complicated relationship with the devil New light evangelists of the eighteenth century enslaved African Americans demagogic politicians and modern American film makers have used the devil to damn their enemies explain the nature of evil and injustice mount social crusades construct a national identity and express anxiety about matters as diverse as the threat of war to the dangers of deviant sexuality The idea of the monstrous and the bizarre providing cultural metaphors that interact with historical change is not new Poole takes a new tack by examining this idea in conjunction with the concerns of American religious history The book shows that both the range and the scope of American religiousness made theological evil an especially potent symbol Satan appears repeatedly on the political religious and cultural landscape of the United States a shadow self to the sunny image of American progress and idealism

Cult Watch John Ankerberg,John Weldon,1991-01-01 A compilation of the entire Facts On series *Cult Watch* gives you facts about the major cults and movements in a format you can use in counseling or witnessing

Satan's Counterfeit Healing Lawrence E. Burkholder,2019-09-30 The Christian church worldwide has been taken prisoner by Satan's counterfeit healing This statement is based on the author's personal experience modest exposure

to the Toronto Blessing observation of parachurch healing ministries and extensive historical reconstructions Satan's Counterfeit Healing presents and evaluates Satan's supernatural healing from the Paleolithic period ca 45000 BCE to the contemporary church The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena These manifestations include physical and exorcistic supernatural healings Paleolithic and Neolithic periods produced Great Mother goddess worship and healing which have persisted ever since These idolatries combined with OT nature gods were a backdrop to Jesus' true miracles For two thousand years of church history there's been a tug of war between true and false healing Mother goddess as Mariological shrine healing joined with natural and demonic magic and esoteric energy psi Alongside these the Holy Spirit has raised up genuine healers and their ministries Modern healing is marked by energy counterfeits and faith healing the latter especially accompanied by trance false prophecy and psi transformations True divine healing can be recovered when Christians repudiate nature gods reject false prophecy and restore proper eschatology
