The Flame Stone Kate Buchan,1981 *The Republic Chapterplays* R.M. Hayes,2000-09-01 Known as Hollywood's Thrill Factory Republic Pictures produced some of the most exciting serials to hit the big screen The studio's chapterplays were one of the most popular Saturday matinee genres Covering nearly 70 serials the filmographies include full production credits release dates chapter titles running times sound systems when applicable a note on reissues condensations and sequels and an extensive cast list showing roles played Included are an essay on the general development of the American serial and a history of Republic studio to the present *Love Me to Life* Veronica Sites,2020-12-21 An unacknowledged crisis haunts the church as we fail to deal with the causes and aftermath of suicide and the stigma society often places on victims and their loved ones How can we stand up for life and love these people as the Body of Christ In *Love Me to Life* Veronica Sites responds from personal experience serious research and training and a biblical perspective Combining these crucial elements she presents a plan for responding with the gospel message as we live out the message of Jesus in our churches Crucial to this plan is involving leaders but also in educating and empowering all members to understand and positively impact those in need of support In support of this she provides detailed information on the situation as we find it in most churches She then looks at scripture for guidance in how we should deal with those who most need our support and sometimes active intervention Finally she looks at how the church can follow up and build the lives and ministries of the church to those in need This book is filled with practical experience detailed data and scriptural support It can provide the basis for a church to plan how they will acknowledge and respond to the suicide crisis Individuals and small groups can benefit greatly as well but we recommend studying this issue at the congregational level so that everyone is prepared to love their neighbors whether down the pew or down the street into a life of restoration and identity in Christ and not identified by a tragic event Thus this book is for everyone [Republic Studios](#) Richard M. Tolkien and Shakespeare one a prolific popular dramatist and poet of the Elizabethan era the other a twentieth century scholar of Old English and author of a considerably smaller body of work Though unquestionably very different writers the two have more in common than one might expect These essays focus on the broad themes and motifs which concerned both authors They seek to uncover Shakespeare s influence on Tolkien through echoes of the playwright s themes and even word choices discovering how Tolkien used revised updated corrected and otherwise held an ongoing dialogue with Shakespeare s works The depiction of Elves and the world of Faerie and how humans interact with them are some of the most obvious points of comparison and difference for the two writers Both Tolkien and Shakespeare deeply explored the uses and abuses of power with princes politics war and the lessons of history Magic and prophecy were also of great concern to both authors and the works of both are full of encounters with the Other masks and disguises mirrors that hide and reveal or seeing stones that show only part of the truth
