*Satire and Allegory in "Wynnere and Wastoure"* Thomas H. Bestul, 1974-01-01      Satire and Allegory in Wynnere and Wastoure Thomas Howard Bestul, 1974      **Satire and Allegory in Wynnere and Wastoure, by Thomas H. Bestul** Thomas Howard Bestul, 1974      Wynnere and Wastoure and The Parlement of the Thre Ages Warren Ginsberg, 1992-10-01

This edition contains two poems valuable to the study of satire of social abuses in the fourteenth century Wynnere and Wastoure and The Parlement of the Thre Ages Both combine two genres of medieval poetry dream visions and poetic debates As the editor observes the poem s perspectives are truly dizzying on the one hand economics politics ethics and social relations are seen as an interrelated set of universal timeless principles on the other they appear as actual contingent conditions that have resulted from specific acts in history The editions include notes glosses an introduction and a glossary making them accessible to beginning and advanced students in Middle English alike      **Winner and Waster and Its Contexts** W. Mark Ormrod, 2021 First recent full length analysis of a major medieval poem      **Alliterative Poetry of the Later Middle Ages** Thorlac Turville-Petre, 2019-06-26 Originally published in 1989 Alliterative Poetry of the Later Middle Ages is an anthology of texts looking at the tradition of alliterative poetry in medieval English literature The book presents lesser known alliterative Middle English poems which are unmodernised and include explanatory footnotes designed to give clarity to the text and enable critical response to the texts The book illustrates the great range and variety of alliterative verse both rhymed and unrhymed The poems range from descriptions of armies bloody battles dramatic storms and dreams of goddesses Whatever the subject social and political satire theological controversy and moral admonition is always given a lively and interesting setting The book contains a succinct and incisive introductory material and a carefully selected bibliography which will encourage further reading      **Socioliterary Practice in Late Medieval England** Helen Barr, 2001-12-06 Socioliterary Practice in Late Medieval England bridges the disciplines of literature and history by examining various kinds of literary language as examples of social practice Readings of both English and Latin texts from the late fourteenth and early fifteenth centuries are grounded in close textual study which reveals the social positioning of these works and the kinds of ideological work they can be seen to perform Distinctive new readings of texts emerge which challenge received interpretations of literary history and late medieval culture Canonical authors and texts such as Chaucer Gower and Pearl are discussed alongside the less familiar Clanvowe anonymous alliterative verse and Wycliffite prose tracts

**King Lear and the Naked Truth** Judy Kronenfeld, 1998 Opening the play up to the implications of these contexts and this interpretive theory she reveals much about Lear English Reformation religious culture and the state of contemporary criticism      **Hermeneutics and Medieval Culture** Patrick J. Gallacher, Helen Damico, 1989-06-26 This study explores the art of interpretation in works of history art music and literature from the medieval period The authors demonstrate that the search for meaning was a primary concern of medieval authors and that the history of medieval thought from Augustine to

Aquinas and Ockham illustrates the dialectic of question and answer that is the foundation of hermeneutics This study is the first to offer a diversity of hermeneutic approaches and themes in the context of medieval works The study s interdisciplinary approach to the medieval works considered invites analysis from scholars and critics in all areas of medieval studies The breadth of scope in addressing the art of interpretation in the various disciplines also provides a valuable general introduction to medieval culture      **The Poetry of the Alliterative Revival** ,
