Saturnalia Spqr V:

SPQR V: Saturnalia John Maddox Roberts, 2025-10-16 This eagerly awaited fifth book in John Maddox Roberts's Edgar nominated historical mystery series once again takes the reader back to the Rome of Julius Caesar and the Roman Senator Decius Caecilius Metellus the Younger. Decius has won himself a reputation as both an investigator and most unfortunately a bit of a playboy. Having been banished by his family for sometimes embarrassing activities to a rather leisurely lifestyle on Rhodes, he is puzzled to be suddenly and unexpectedly summoned home to assist in an investigation. Quintus Caecilius Metellus Celer, a relative of Decius and his family and the head of a powerful political clan, has been poisoned and his infamous wife Clodia is immediately suspected of disposing of her rather inconvenient husband. Not entirely convinced of Clodia's guilt, Decius delves into the intricacies of Rome's ruling class and discovers that a clandestine forbidden witches cult is inextricably intertwined with some very highborn people. A trial for Clodia would be most unwelcome as it could bring to light some well-kept secrets. To get to the bottom of the corruption that accompanies the intoxicating allure of this ancient city, Decius must form an uneasy alliance with Clodius, Clodia's brother and his sworn enemy, and be extremely careful not to step on any toes.

SPQR X: A Point of Law John Maddox Roberts, 2025-10-16 Being under suspicion of murder did not hamper my freedom. This is because Romans are civilized people and don't clap suspects into prison like barbarians do. It would take an order of a lawfully convened court even to place me under house arrest. That's Decius Caecilius Metellus speaking. Senator Decius Caecilius Metellus, please. He is at an outdoor rally in Rome where he is campaigning for election to the praetorship. It looks like a shoo-in until a man named Fulvius, of whom Decius has never heard, arrives at the preelection proceedings with a small army of hoodlums and begins to shout to the assembled voters that Decius is a thief and worse. While this is not an unknown effort used to ruin a candidate's chances, it is enough to have Decius's father call a meeting of family and friends, a meeting that ends with the participants going home determined to find some answers to stop Fulvius's efforts to ruin Decius's chances. Early the next morning, however, as Decius and his friends are on their way to the trial, Fulvius's body is found slashed to death on the steps of the basilica where the court will be sitting. And that doesn't look good for our hero. For those readers who have met Decius before, the next step is clear: the man is a brilliant detective, and he is certainly now in a position where that skill is needed. So it's doubly important for Decius, with the help of his wife Julia and the ex-slave Hermes, to find the solution to the most personal and possibly most difficult puzzle that has come his way.

SPQR VIII: The River God's Vengeance John Maddox Roberts, 2025-10-16 Ancient Rome in this accurate and evocative series is just as politics-driven as any major American city, possibly even more. Decius Caecilius Metellus has, through a series of rather wild adventures and in the act of tracking down killers and other reprobates barely escaped annihilation several times. Now newly elected to the office of aedile, the lowest rung on the ladder of Roman authority, he must smoke out corruption and conspiracy that threaten to destroy all of Rome.

SPQR XI: Under Vesuvius John Maddox

Roberts,2025-09-23 In SPQR XI Under Vesuvius things are going well for Decius Caecilius Metellus He is Praetor Peregrinus which means he has to judge a case or two but those cases are outside of the City His cases will be those dealing with foreigners and all of Italy is his province His first stop is Campania Italy s most popular resort district Decius and his wife Julia are happy for a change of scenery But the good times end when in a town near Vesuvius a priest s daughter is murdered Decius must find her killer and keep the mob off a young boy who everyone blames but he believes to be innocent Decius may have acquired more prestige but he s also acquired more trouble With his SPQR novels John Maddox Roberts has written a satisfying and entertaining historical mystery series The stakes just keep getting higher in this latest atmospheric puzzle

SPQR XII: Oracle of the Dead John Maddox Roberts,2025-10-16 Decius Caecilius Metellus this year s magistrate for cases involving foreigners is living the good life in southern Italy happy to be away from Rome a city suffering war jitters over Caesar s impending actions He thinks he is merely visiting one of the local sights when he takes a party to visit the Oracle of the Dead a pre Roman cult site located at the end of a tunnel dug beneath a temple of Apollo He quickly learns that there is a bitter rivalry between the priests of Apollo and those of Hecate who guard the oracle When the priests of Apollo are all killed the countryside looks to explode in violence as Greeks Romans and native Italians of several conquered nations bring out old enmities Decius is caught squarely in the middle desperate to find a way out that will pacify the district and incidentally save his own skin This riveting series began with the Edgar Award nominated SPQR and has gone on to international success in 13 languages

SPQR VII: The Tribune's Curse John Maddox Roberts,2025-10-16 Decius Caecilius Metellus is happy The weather is beautiful and he is standing for office literally standing in the Roman Forum soliciting votes with a sure chance of winning And Caesar s ongoing dreary war is far off in Gaul Decius is confident that another war looming over Rome instigated by one Crassus against the Parthians for no reason but possible worldly gain will be voted down in the Senate But the vote does not stop Crassus On the day he and his troops set out from Rome the Tribune Ateius Capitus leader of the opposition shrieks an ancient and terrible curse over the huge crowd assembled a curse that frightens not only the man in the street but the highest Romans When Ateius is murdered soon after Decius solver of past mysteries has the ugly task of finding the killer Fascinating details of Rome s mixed attitudes about the power of magic and the practice of rational politics illuminate this latest of Roberts s strong historical mysteries

SPQR VI: Nobody Loves a Centurion John Maddox Roberts,2025-08-22 Julius Caesar as we know arrived in Gaul now France and announced I Came I Saw I Conquered but when Decius Metellus arrives from Rome not seeking military glory but rather avoiding an enemy currently in power he finds that although the general came and saw so far at least he has far from conquered The campaign seems at a standstill Decius s arrival disappoints the great Caesar as well He has been waiting for promised reinforcements from Rome an influx of soldiers to restart his invasion Instead he is presented with one young man ridiculously decked out in military parade finery and short on military skills accompanied not by eager troops but by one callow and reluctant slave the feckless Hermes It

soon develops however that Decius's arrival was fortuitous. When Vinius, the army's cruelest centurion so called because he commands a hundred soldiers, is found murdered, Caesar remembers that his new recruit has successfully come up with the culprit in a number of recent crimes. Murder is bad for morale, particularly since it seems quite clear that the murderer was one of Caesar's men. Caesar orders Decius to find the killer and quickly. Although evidence points to the son of one of Decius's clients, a youth who was the particular target of the centurion's brutality, Decius racks his brain to find a way to save him from the sentence of death. The investigation leads Decius to two German slaves of the dead man, a dwarfish old man and a beautiful woman. They are puzzling: the man is arrogant, the woman haughty, very unlike slaves. There are unanswered questions. It soon becomes clear to Decius that only by finding and punishing the real murderer will it be possible to quiet the rising dissatisfaction with Caesar's unorthodox method of warfare and forestall a mutiny against the mighty Caesar's authority and aims.

SPQR IX: The Princess and the Pirates John Maddox Roberts, 2025-08-22 As I walked back through the City, my mood was moderately elevated. This appointment did not displease me nearly as much as I pretended. Like most Romans, I abhorred the very thought of sea duty, but this was one of the rare occasions when I was looking forward to getting away from Rome. For years I had complained of the disorder of the City, and now that it was gone, I found that I missed it. All the peace and quiet seemed unnatural. I did not expect it to last. Decius Caecilius Metellus the Younger, in **SPQR IX: The Princess and the Pirates**, His two years of aedileship over Decius is ready for his next adventure. He would rather do anything than join the war with Caesar in the dismal forests of Gaul, so he and his slave protégé Hermes find themselves on a mission to rid the Mediterranean of pirates. They set off with shoddy ships and sailors to the island of Cyprus, where a young Cleopatra is staying. Between her impressive crew and the ex-pirate Ariston, providing insider knowledge of that cutthroat occupation, Decius thinks he stands a good chance of bringing himself some glory. That would be too simple, though. The ruler of the island, Silvanus, is murdered in a most peculiar fashion, and Decius, as a guest in his home, has a sacred duty to find and punish the guilty party. Because world relations are already strained, he would rather not suspect Cleopatra, heir to the Egyptian throne. But she has plenty of reasons to hate Rome, and murder runs in her family. Another guest and suspect is Gabinius, who is in exile and could have easily given up loyalty toward his friend if it meant a quicker return to Rome. In the meantime, Decius is being humiliated in his pirate hunt, and as if this weren't enough, Aphrodite herself seeks Decius's help by appearing to him in a dream vision. As Decius investigates world trade, the island history, and the new kind of piracy plaguing the waters, he is finding connections more menacing than he had ever imagined possible. In this ninth book in the series, Roberts crafts another skillful mystery, this time fervently pulsing with the collision of Roman, Greek, and Egyptian interests.

SPQR IV: The Temple of the Muses John Maddox Roberts, 2025-10-16 When Roman junior senator Decius Caecilius Metellus the Younger has a chance to join a diplomatic mission to Alexandria, he welcomes the opportunity to temporarily elude his enemies in the Eternal City, even though it means leaving his beloved Rome. Decius is just beginning to enjoy the outpost's

many exotic pleasures when the suspicious death of an irascible philosopher occurs coinciding with the puzzling and apocalyptic ravings of a charismatic cult leader Intrigued Decius requests and is given permission by the Egyptian Pharaoh to investigate the heinous crime What he discovers is beyond shocking And when the corpse of a famous courtesan mysteriously turns up in his bed Decius suddenly finds himself entangled in a web of conspiracy far more widespread and dangerous than he ever imagined one that threatens to bring about the downfall of the entire Empire

SPQR II: The Catiline

Conspiracy John Maddox Roberts, 2025-08-22 It was a summer of glorious triumph for the mighty Roman Republic Her invincible legions had brought all foreign enemies to their knees But in Rome there was no peace The streets were flooded with the blood of murdered citizens and there were rumors of more atrocities to come Decius Caecilius Metellus the Younger was convinced a conspiracy existed to overthrow the government a sinister cabal that could only be destroyed from within But admission into the traitorous society of evil carried a grim price the life of Decius's closest friend and maybe his own
