was until she ran away twenty years ago under a cloud of shame It is now 1955 and following her death her daughters the
Hamilton sisters have come to make the town their home Sonnet at twenty years old has never set foot in Noah Vale but has
been the talk of the town for decades Fable is a budding artist and lovelier even than her heartbreaking mother And Plum is
just a little girl who has been taken away from the only home she has ever known As the years pass the girls settle into their
new life But suspicion and judgement follow them wherever they go In a small town where everyone knows each other it can

under which a character is listed in the guide is often supplied in brackets when a nickname maiden name or other variant is
used in the sketches Major characters in each novel are indicated by boldface type Immediately following the section devoted
to the novels appear the named characters in all of Faulkner s short stories and sketches which are also treated in the order
of their publication Carryover characters who are handled inconsistently by Faulkner are marked with an asterisk and
treated further by the authors in the appendix The authors have also included genealogical charts of the Sartoris Burden and
