Savannah Renaissance:

Savannah Renaissance Lee Adler, Emma Adler, 2003 This is the story of how one city and a handful of dedicated citizens turned a genteel antebellum city into one of America's greatest urban success stories Having survived more than 260 years of wars hurricanes and the Great Depression Savannah was a prime target for a more subtle and elusive enemy the threat of losing its identity as a result of poorly conceived civic projects that placed no emphasis on retention of the classical city plan and its component architectural elements This account shows how a few citizens worked individually and in newly formed organisations to redefine what they viewed as inappropriate urban planning for their city It is also a story of the early days of the historic preservation movement when few people valued the worth of a city by its historic and ethnic neighbourhoods and the ability of these historic districts to create an urban environment that was economically viable **Sins of Savannah: The Secrets, the Sex, the Society of Savannah's First Family** Beau Bedford, 2021-04-14 **Sins of Savannah** The Secrets the Sex the Society of Savannah's First Family A Roman Clef Novel By Beau Bedford Born to a distinguished Savannah family young Button Oglethorpe turns his back on family wealth and social position to follow his dream On his journey to be a part of Hollywood's entertainment industry he meets many obstacles however Button is always smiling and eternally optimistic
