Save the Mustangs! Ann E. Weiss,1974-01-01 The legislative process is detailed in describing the efforts of various groups to generate a law protecting mustangs **Youth Camp Safety Act, Hearings Before the Select Subcommittee on Labor Of..., 93-2, May 15, 16; June 12 and 13; Bear Mountain, N.Y., June 7, 1974** United States. Congress. House. Education and Labor,1974 Wild Horses of the West J. Edward de Steiguer,2021-11-30 When the Spanish explorers brought horses to North America the horses were in a sense returning home Beginning with their origins fifty million years ago the wild horse has been traced from North America through Asia to the plains of Spain s Andalusia and then back across the Atlantic to the ranges of the American West When given the chance these horses simply took up residence in the landscape that their ancestors had roamed so long ago In Wild Horses of the West J Edward de Steiguer provides an entertaining and well researched look at one of the most controversial animal welfare issues of our time the protection of free roaming horses on the West s public lands This is the first book in decades to include the entire story of these magnificent animals from their evolution and biology to their historical integration into conquistador Native American and cowboy cultures And the story isn t over De Steiguer goes on to address the modern issues ecology conservation and land management surrounding wild horses in the West today Featuring stunning color photographs of wild horses this extremely thorough and engaging blend of history science and politics will appeal to students of the American West conservation activists and anyone interested in the beauty and power of these striking animals Youth Camp Safety Act United States. wild horse herd The book will have wide appeal to wild horse activists scholars of local and federal governance and western history enthusiasts
