Saved By The Ball:

Factory, 1925 *Saved by Default* Paul Garber, 2016-01-26 Reverend David S Randall seems to be the most gifted evangelist of modern times People flock to hear him when he begins his career as a ten year old boy preacher traveling with a Christian rabbi Eventually known as God s man for the hour his charisma draws thousands to the altar His creativity blossoms when he discovers television and takes traveling evangelism beyond the traditional revival meeting format to an event with the sparkle of a Broadway show David s mother believes her son has a God given talent that few in history have ever possessed But does this man have a special anointing from God or has he simply exploited a finely tuned skill How can God allow good Christian people to follow a man with such a troubled secret life With my background in Christian TV this novel completely resonated with me Over 34 years encountering all kinds of Charismatics I ve questioned my faith walk Why am I not radical like most I have interviewed This novel helps answer that question I now feel I am a radically normal Christian Herman Bailey CTN Executive Producer It s Time for Herman and Sharron *Saved by Angels* Bruce Van Natta, 2008-06-28 Many people believe in and practice praying to the Lord but the Bible is very clear that the Lord also speaks back to us in various ways This book goes into detail about the 7 different ways that God speaks to us as found in the Bible and how that applies to our lives today It reveals to us that these 7 areas are not just the different ways that God still speaks to us but that when looked at as a whole they are a picture of what a healthy relationship with God involves It further shows that this kind of intimate relationship is available to all believers and that this is exactly the kind of relationship that God desires to have with each of us Throughout the book several Biblical and personal examples are used to validate each section The reader is also given opportunities to see how God has already been talking to them in his her own life and then record these examples at the end of every chapter Each person who reads this book is challenged to grow in his her relationship with the Lord and is given many tools to help accomplish that This is important because when a believer has an intimate relationship with the Lord they hear His voice more clearly The Holy Spirit is then better able to guide and empower the believer to become victorious in their daily walk *The boy who saved the world* Alex Mabon, 2006 In Glenrue a small village in the Highlands of Scotland John Roberts and his three friends are chosen for a secret mission to recover the ray His mission takes him to the depths of the Bermuda Triangle and the Nevada Desert and eventually to the mountains of Afghanistan where he confronts the world s most notorious terrorist **How God Saved Me: My Inspirational Story** Christopher Fox, 2014-07-14 My name is Chris Fox and I was born with Tourette s syndrome and obsessive compulsive disorder In the past I constantly battled getting bullied in school which eventually led to substance abuse and a life that was out of control I wasn t living anymore I was trying to survive My life was filled with turmoil and I almost lost it numerous times until I met the woman of my dreams She accepted my Tourette s and OCD but I almost lost her due to my out of control lifestyle I was in too deep and I had to choose to walk alone or walk with God I surrendered to God and encountered the Holy

Spirit The Spirit revealed that I had a special gift to make others laugh and I needed to put all of my trust in God to pursue my dreams After living such a painful past I knew I had made the biggest decision of my life *Squash Diary: the Story of How Squash Saved My Life* Kiran Dellimore,2010-05-11 Squash Diary is an inspiring true story about one man s amazing recovery from a near fatal car accident through his passion for the game of squash **Saved** Jack Falla,2015-11-10 Veteran Boston goaltender Jean Pierre Savard sees stardom and the money it brings as fate s make up call for a life in which he lost his father his wife and most of his self confidence for anything not involving saves or sex Now late in his career Savard and his teammate and best friend Cam Carter are trying to fulfill their boyhood dreams of winning a Stanley Cup before they retire A surprise late season trade pits the friends against each other in a playoff series both could lose but only one can win Saved takes the reader into the rinks dressing rooms planes buses and hotels that are the backdrop to the long grind of an NHL season That grind is made bearable by the likes of players such as Bruno Govoni whose cell phone ring tone is the orgasmic moaning of a porn star Loretta Lash LaRue of Phil Flipside Palmer the only person besides the Kingsmen who knows all the words to Louie Louie or that Child of the Moon was the flipside of the Rolling Stones Jumpin Jack Flash and team enforcer Kevin Quigley who claims all his fights are retaliations but sometimes I retaliate first Most sports novels bring the game to the reader Saved brings the reader to the game Praise for Jack Falla Falla s graphic portrayal of a violent sport and its colorful players and his insider s view of how hockey is played coached and officiated is exciting surefire entertainment Publishers Weekly on Saved Literary hot chocolate that will warm your heart Robert Lipsyte The New York Times on Home Ice The best hockey book ever John Buccigross ESPN sportscaster on Home Ice Possibly the best hockey book since Ken Dryden s The Game Toronto Globe and Mail on Home Ice *Saved* Peter Shilton,Steph Shilton,2021-09-16 After a trophy laden and record setting club and international career England s greatest ever goalkeeper Peter Shilton could rightly look forward to an equally successful post playing career But a gambling habit forged in his playing days soon spiralled into a gambling addiction a silent self destructive and ruinous obsession that destroyed relationships his mental health and very nearly himself With the love and support of his wife Steph he was able to face up to his addiction find hope for the future and overcome his 45 year secret and turn his life around Peter and Steph who has over 20 years experience working in the NHS now campaign to raise awareness of this and other destructive addictions helping both addicts and their partners weather the long and arduous journey back to recovery Their charity Gambling with Lives works with both the government and FA to tackle the tragic rate of suicide associated with gambling addiction and campaigns to bring in stricter advertising controls Steph and Peter bravely tell both sides of their journey with a direct honesty and an empathy born of real life experience offering advice and hope to not only to those effected by gambling but sufferers of other chronic addictions They also shine a light on football s obsession with gambling taking millions of pounds from the gambling sites and bookies who sponsor the game while neglecting to support both the players and fans who fall prey to addiction This is the
