Saving Old Glory The History Of The American Flag Desecration Controversy

Louis P. Masur

Saving Old Glory The History Of The American Flag Desecration Controversy:

Saving Old Glory Robert Justin Goldstein, 2019-05-28 First published in 1995 *Saving Old Glory* provides a detailed account of the origins and development of the American flag desecration controversy

The Soiling of Old Glory Louis P. Masur, 2024-04 April 5 1976 As Boston simmered with tension over forced school busing one photo made headlines Examine the power of photography and the iconic value of the flag as it opens a dramatic window onto the turbulent issue of race in America

The American Flag John R. Vile, 2018-10-05 At a time when the U S flag is both a source of both pride and controversy this volume provides the first encyclopedic A to Z treatment of the U S flag in American history culture and law This title is a comprehensive resource for understanding all aspects of the American flag and its relationship to the American people The encyclopedia provides a thorough historical examination of key developments in the flag s design as well as laws and court decisions related to the flag and the First Amendment In relation to the flag s history it also discusses evolving public attitudes about its importance as a national symbol The encyclopedia contains illuminating scholarly essays on presentations of the flag in American politics the military and popular culture including art music and journalism Additionally these essays address important rules of flag etiquette and modern controversies related to them from flag burning to refusing to stand during the playing of the U S National Anthem

To Die For Cecilia Elizabeth O'Leary, 2018-06-05 July Fourth The Star Spangled Banner Memorial Day and the pledge of allegiance are typically thought of as timeless and consensual representations of a national American culture In fact as Cecilia O Leary shows most trappings of the nation s icons were modern inventions that were deeply and bitterly contested While the Civil War determined the survival of the Union what it meant to be a loyal American remained an open question as the struggle to make a nation moved off of the battlefields and into cultural and political terrain Drawing upon a wide variety of original sources O Leary s interdisciplinary study explores the conflict over what events and icons would be inscribed into national memory what traditions would be invented to establish continuity with a suitable past who would be exemplified as national heroes and whether ethnic regional and other identities could coexist with loyalty to the nation This book traces the origins development and consolidation of patriotic cultures in the United States from the latter half of the nineteenth century up to World War I a period in which the country emerged as a modern nation state Until patriotism became a government dominated affair in the twentieth century culture wars raged throughout civil society over who had the authority to speak for the nation Black Americans women s organizations workers immigrants and activists all spoke out and deeply influenced America s public life Not until World War I when the government joined forces with right wing organizations and vigilante groups did a racially exclusive culturally conformist militaristic patriotism finally triumph albeit temporarily over more progressive egalitarian visions As O Leary suggests the paradox of American patriotism remains with us Are nationalism and democratic forms of citizenship compatible What binds a nation so divided by regions languages ethnicity racism gender and class The most thought provoking question

of this complex book is Who gets to claim the American flag and determine the meanings of the republic for which it stands

America's Changing Icons Annessa Ann Babic, 2018-02-23 America's Changing Icons is a discursive examination of the female patriotic icon in the United States This creative and entertaining work examines her use and decline particularly in the 20th century with a particular focus on popular culture icons like Lady Columbia Rosie the Riveter and Wonder Woman These fictional creations used with advertisements letters and literature of the eras work together to craft a multi layered and dynamic portrait of cultural politics tides and perceptions about American women life and place

Perspectives on American Dance Jennifer Atkins, Sally R. Sommer, Tricia Henry Young, 2020-04-14 Accessible and well researched combines practical and theoretical perspectives on ways that dance shapes the American experience Highly recommended Choice Unpredictable Counterintuitive Stunningly conceived So you think you know dance history These anthologies are full of revelations Mindy Aloff editor of Leaps in the Dark Art and the World This is a picture of American dance and a picture of America through dance as we have not conceived of it before advancing the bold and capacious idea that movement can illuminate who Americans are and who they want to be A startlingly original compilation that includes stops in the unlikely places it makes the case that following the moving body into every byway of life reveals an America that has been hiding in plain sight It will be impossible to think of this subject in the same way again Suzanne Carbonneau George Mason University and scholar in residence Jacob's Pillow Dancing embodies cultural history and beliefs and each dance carries with it features of the place where it originated Influenced by different social political and environmental circumstances dances change and adapt American dance evolved in large part through combinations of multiple styles and forms that arrived with each new group of immigrants Perspectives on American Dance is the first anthology in over twenty five years to focus exclusively on American dance practices across a wide span of American culture This volume and its companion show how social experience courtship sexualities and other aspects of life in America are translated through dancing into spatial patterns gestures and partner relationships In this volume of Perspectives on American Dance the contributors explore a variety of subjects white businessmen in Prescott Arizona who created a Smoki tribe that performed authentic Hopi dances for over seventy years swing dancing by Japanese American teens in World War II internment camps African American jazz dancing in the work of ballet choreographer Ruth Page dancing in early Hollywood movie musicals how critics identified American qualities in the dancing of ballerina Nana Gollner the politics of dancing with the American flag English Country Dance as translated into American communities Bob Fosse's sociopolitical choreography and early break dancing as Latino political protest The accessible essays use a combination of movement analysis thematic interpretation and historical context to convey the vitality and variety of American dance They offer new insights on American dance practices while simultaneously illustrating how dancing functions as an essential template for American culture and identity Jennifer Atkins is associate professor of dance at Florida State University Sally R Sommer is professor of dance and director of the FSU in NYC program at Florida

State University Tricia Henry Young is professor emerita of dance history and former director of the American Dance Studies program at Florida State University Contributors Jennifer Atkins Kathaleen Boche Cutler Edwards Karen Eliot Lizzie Leopold Julie Malnig Adrienne L McLean Joellen A Meglin Dara Milovanovic Jill Nunes Jensen Marta Robertson Lynette Russell Sally Sommer Ph D Daniel J Walkowitz Sara Wolf Ph D Tricia Henry Young *Colors and Blood* Robert E. Bonner, 2018-06-05 As rancorous debates over Confederate symbols continue Robert Bonner explores how the rebel flag gained its enormous power to inspire and repel In the process he shows how the Confederacy sustained itself for as long as it did by cultivating the allegiances of countless ordinary citizens Bonner also comments more broadly on flag passions those intense emotional reactions to waving pieces of cloth that inflame patriots to kill and die *Colors and Blood* depicts a pervasive flag culture that set the emotional tone of the Civil War in the Union as well as the Confederacy Northerners and southerners alike devoted incredible energy to flags but the Confederate project was unique in creating a set of national symbols from scratch In describing the activities of white southerners who designed sewed celebrated sang about and bled for their new country s most visible symbols the book charts the emergence of Confederate nationalism Theatrical flag performances that cast secession in a melodramatic mode both amplified and contained patriotic emotions contributing to a flag centered popular patriotism that motivated true believers to defy and sacrifice This wartime flag culture nourished Confederate nationalism for four years but flags martial associations ultimately eclipsed their expression of political independence After 1865 conquered banners evoked valor and heroism while obscuring the ideology of a slaveholders rebellion and white southerners recast the totems of Confederate nationalism as relics of the Lost Cause At the heart of this story is the tremendous capacity of bloodshed to infuse symbols with emotional power Confederate flag culture black southerners charged relationship to the Stars and Stripes contemporary efforts to banish the Southern Cross and arguments over burning the Star Spangled Banner have this in common all demonstrate Americans passionate relationship with symbols that have been imaginatively soaked in blood **United States Congressional Serial Set, Serial No. 14850, House Reports Nos. 123-146 , The Living Lincoln** Thomas A. Horrocks, Harold Holzer, Frank J. Williams, 2011-05-13 *The Living Lincoln* gives new voice to several aspects of Abraham Lincoln s career as seen through the lens of recent scholarship in essays that show how the sixteenth president s appeal continues to endure and expand Featuring eleven essays from major historians the book offers thoughtful provocative and highly original examinations of Lincoln s role as commander in chief his use of the press to shape public opinion his position as a politician and party leader and the changing interpretations of his legacy as a result of cultural and social changes over the century and a half since his death In an opening section focusing largely on Lincoln s formative years insightful explorations into his early self education and the era before his presidency come from editors Frank J Williams and Harold Holzer respectively Readers will also glimpse a Lincoln rarely discerned in books calculating politician revealed in Matthew Pinsker s illuminating essay and shrewd military strategist as demonstrated by Craig L Symonds Stimulating

discussions from Edna Greene Medford John Stauffer and Michael Vorenberg tell of Lincoln's friendship with Frederick Douglass his gradualism on abolition and his evolving thoughts on race and the Constitution to round out part two Part three features reflections on his martyrdom and memory including a counterfactual history from Gerald J Prokopowicz that imagines a hypothetical second term for the president emphasizing the differences between Lincoln and his successor Andrew Johnson Barry Schwartz's contribution presents original research that yields fresh insight into Lincoln's evolving legacy in the South while Richard Wightman Fox dissects Lincoln's 1865 visit to Richmond and Orville Vernon Burton surveys and analyzes recent Lincoln scholarship This thought provoking new anthology introduced at a major bicentennial symposium at Harvard University offers a wide range of ideas and interpretations by some of the best known and most widely respected historians of our time The Living Lincoln is essential reading for those seeking a better understanding of this nation's greatest president and how his actions resonate today

Radicalism in American Silent Films, 1909-1929 Michael Slade Shull, 2015-09-03 This work identifies 436 American silent films released between 1909 and 1929 that engaged the issues of militant labor and revolutionary radicalism It begins with an extended introduction and analytical chapters that investigate the ways in which the American motion picture industry portrayed the interrelationships between labor radicals exploitative capitalists socialist idealists and Bolsheviks during this critical twenty year period Each entry contains a detailed plot synopsis citations to primary sources coding indicating the presence or absence of 14 predominant discernible biases including anti and pro capitalism socialism revolution and labor and subject coding keyed to 64 related terms and concepts including agitators Bolshevism bombs female radicals militias mobs political refugees and strikes These statistical data included in the filmography are presented in a series of charts and are fully integrated into the historical critical text Total number and percentage statistics for the instances of these coded biases and traits are given per year per era and overall
