Saving The River The Story Of The St Croix River

**United States. Congress. Senate.
Committee on Interior and Insular
Affairs**

Saving The River The Story Of The St Croix River:

Saving the River James Taylor Dunn,1986 *Saving the Saint Croix* Theodore J. Karamanski,1993 **Stillwater, Minnesota: A Brief History** Holly Day and Sherman Wick,2016-10-10 The riverfront always drew people to Stillwater The Ojibwe and Dakota first settled here later striking a treaty with Europeans who quickly realized the St Croix River s potential as an ideal way to move lumber One of the first to float logs down the river was Captain Stephen Hanks cousin to Abraham Lincoln The lumber business gave birth to Minnesota s first millionaire as the city grew and Stillwater received one of the state s first Carnegie grants for a free public library Meanwhile the state prison saw notorious gangster Cole Younger found the Prison Mirror in 1887 now the nation s oldest continuously operated offender newspaper Authors Holly Day and Sherman Wick celebrate the history and charm of one of Minnesota s finest cities from the frontier to today *Saving the River* Helen McCann White,James Taylor Dunn,2001 **Protectors of the Land and Water** Thomas R. Huffman,2000-11-09 Since the beginning of the twentieth century Wisconsin citizens have promoted innovative environmental programs During the 1960s Wisconsin was again at the forefront of the movement advancing mainstream political environmentalism Thomas Huffman traces the rise of environmentalism in the Badger State during these key years when the people of Wisconsin instituted policies in such areas as outdoor recreation and resource planning water pollution control the preservation of wild rivers and centralized environmental management Huffman focuses especially on the influence of Senator Gaylord Nelson a Democrat and founder of Earth Day and Governor Warren Knowles a Republican He shows that their efforts and the efforts of their followers in citizen groups the business and university communities and the state government clearly indicate that the origins of environmentalism cannot be placed along a left right political spectrum Rather the movement evolved from an interweaving of liberal and conservative ideologies and from important traditions and precedents within the state s environmental culture What happened in Wisconsin is particularly significant Huffman points out because of the effect of that state s example on other states and the federal government Originally published in 1994 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **River Conservation Directory** ,1990 **To Amend the Wild and Scenic Rivers Act** United States. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Public Lands,1973 **To Amend the Wild and Scenic Rivers Act (part 4)** United States. Congress. Senate. Committee on Interior and Insular Affairs,1975 *The Rivers of America* Carol Fitzgerald,2001 **To Amend the Wild and Scenic Rivers Act** United States. Congress. Senate. Interior and Insular Affairs Committee,1975
