Sayings Of Jesus In The Churches Of Paul:

The Sayings of Jesus in the Churches of Paul David L. Dungan, 1971 **Imitating Jesus** Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions

facing the church **Dictionary of Paul and His Letters** InterVarsity Press,2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today *The Christ and the Spirit* James D. G. Dunn,1998 **Studies in Paul** Nils A. Dahl,2002-07-19 Prof Dahl examines the life theology and significance of the Apostle Paul in the development of the church The variety of topics and the thoroughness of the research make these essays indispensable to all who study the New Testament **Faith in Jesus and Paul** Maureen W. Yeung,2002 For the hundred years since W Wrede Paulus 1904 made the provocative claim that Paul should rightly be regarded as the second founder of Christianity scholars have debated vigorously on the relationship between Jesus and Paul Past studies on the Jesus Paul debate have largely been confined to either the literary or the theological level This study looks at the issue afresh by combining the historical and the theological approaches The discussion focuses on the issue of faith paying special attention to two groups of Jesus sayings Faith that can remove mountains and Your Faith has healed saved you and Paul s use of Gen 15 6 and Hab 2 4 The distinctive methodology of this study is to compare Jesus and Paul against the backdrops of the Jewish biblical tradition and Hellenistic parallels The picture of the Jesus Paul relationship that emerges is a most complex one To a great extent the similarity between Jesus and Paul is due to their common Jewish heritage The early Church plays a part in influencing Paul s concept of faith and Paul himself reinterprets the Jewish Scriptures in an innovative manner At the same time Paul is found to be greatly indebted to Jesus for his concept of faith The method of placing Jesus and Paul against the Jewish and Hellenistic backgrounds permits a fuller appreciation of the historical and theological continuities between Jesus and Paul than has hitherto been possible

Paul's Paradigmatic "I" Brian Dodd,1999-02-01 This study claims that Paul uses his personal example as an explicit literary strategy in 1 Corinthians Galatians and Philippians and as an arguably implicit strategy in 1 Thessalonians and Philemon He uses his own example to ground and illustrate his argumentation in a rhetorically sophisticated manner often structuring his argument on such a basis In places a crisp statement of his own case serves as a thesis statement of the argument that follows e g Rom 1 17 Gal 1 10 while at other times it serves to summarize the argument and to provide a transition to the next phase especially in 1 Corinthians and Gal 2 15 21 All the while Paul s self portrayals in his letters serve not autobiographical or egoistic purposes but pedagogical and argumentative aims **The Apostle Paul and His Letters** Edwin D. Freed,2014-12-05 The Apostle Paul and His Letters presents a detailed examination of the apostle s seminal writings in the Book of Acts Paul was writing primarily to converts who had joined church communities only recently mostly forsaking either Judaism or paganism Paul s emphases on faithfulness toward God the faithfulness of Jesus and his moral teachings are always primary themes The book discusses a range of topics the circumstances that led Paul to write each letter Paul s emphasis on the morality of the believers to whom he was writing the influence of Old Testament Qumran and

pagan writings on Paul's own the intellectual and cultural context of the time and how careful attention to Paul's language can shed light on his meaning This book is written for a wide range of interested readers including students pastors church workers and others interested in learning about Paul as a person and his work *The "Man Christ Jesus"* Stephen Oliver Stout,2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus **The Jesus Legend** Paul Rhodes Eddy, Gregory A. Boyd,2007-08 Confronts the legendary Jesus case showing how the Synoptic Gospels are the most historically probable representation of the actual Jesus of history Early Christian Witnesses ,2022-11-20 The articles and talks included in this collection cover fifty years of theological engagement the primary focus being on education for ministry in Australia and abroad Despite the diversity of topics such as hermeneutics New Testament theology preaching ecumenical relations and early church history there is a connecting concern to listen to the unique voices of early Christian witnesses as foundational for the faith and the apostolic claims of the church in its present day witness The publication of these essays has been suggested for some time Despite my reluctance to reissue articles written over a period of more than five decades I have relented in the hope that there will be enough to engage the interest of a variety of readers and not only former students in seminaries and theological colleges in Australia and various places overseas Included here are mainly articles written specifically for publication in journals but also lectures and talks to various groups of clergy lay people and theological students Of prime concern has always been the explication of the Christian faith according to its earliest witnesses in the early church of apostles and martyrs Faith remains attested and lived approved not proven **An Introduction to the New Testament** DAVID A DESILVA,2020-05-21 Professor deSilva's outstanding textbook sets a new standard for the genre The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation The attractive layout includes numerous maps photographs and text boxes **The Formation of the Biblical Canon: Volume 2** Lee Martin McDonald,2017-01-26 Lee Martin McDonald provides a magisterial overview of the development of the biblical

canon the emergence of the list of individual texts that constitutes the Christian bible In these two volumes in sum more than double the length of his previous works McDonald presents his most in depth overview to date McDonald shows students and researchers how the list of texts that constitute the bible was once far more fluid than it is today and guides readers through the minefield of different texts different versions and the different lists of texts considered canonical that abounded in antiquity Questions of the origin and transmission of texts are introduced as well as consideration of innovations in the presentation of texts collections of documents archaeological finds and Church councils In the first volume McDonald reexamines issues of canon formation once considered settled and sets the range of texts that make up the Hebrew Bible or Old Testament in their broader context Each individual text is discussed as are the cultural political and historical situations surrounding them This second volume considers the New Testament and the range of so called apocryphal gospels that were written in early centuries and used by many Christian groups before the canon was closed Also included are comprehensive appendices which show various canon lists for both Old and New Testaments and for the bible as a whole

Paul and the New Perspective Seyoon Kim, 2001-11-08 Understanding Paul and his conversion to Christianity is imperative for a thorough knowledge of the New Testament In *Paul and the New Perspective* Seyoon Kim develops his argument that the origin of Paul's gospel lies in two places his radical conversion at Damascus and his usage of the Jesus tradition in light of Damascus This new way of looking at Paul further explains how Paul made strong distinctions between the Spirit and the flesh law with further implications for his doctrine of justification A departure from the New Perspective School represented by James D G Dunn Kim's *Paul and the New Perspective* offers a thorough and extensive argument for the foundation of the gospel that Paul spread in the first century

Jesus, Paul, and the Early Church Eckhard J. Schnabel, 2018-07-24 This volume contains seventeen essays written by Eckhard J Schnabel written over the past 25 years The essays focus on the realities of the work of Jesus Paul John and the early church exploring aspects of the history missionary expansion and theology of the early church including lexical ethical and ecclesiological questions Specific subjects discussed include Jesus silence at his trial the introduction of foreign deities to Athens the understanding of Rom 12:1 Paul's ethics the meaning of baptism in the realities of persecution Christian identity and mission in Revelation and singing and instrumental music in the early church

Finding the Historical Christ Paul Barnett, 2009-04-10 Paul Barnett's title *Finding the Historical Christ* is a calculated jab against the popular dichotomy between the Jesus of history and the Christ of faith In this book Barnett seeks to establish that the two figures are in fact one and the same The culmination of Barnett's *After Jesus* trilogy *Finding the Historical Christ* carefully examines the ancient sources pertaining to Jesus including writings by historians hostile to the Christian movement Josephus Tacitus Pliny the summarized biographies of Jesus in the book of Acts and especially the four canonical Gospels Based on compelling historical evidence Barnett maintains that Jesus of Nazareth regarded himself as the prophesied Christ as did his disciples before Jesus died and rose again This is the only way to explain the phenomenon of the early church worshipping

Jesus There is currently something of a revival of confidence in the historical value of the Gospels Paul Barnett's work notable for its sober use of historical method and its many fresh observations and proposals is an excellent contribution to that development Richard Bauckham University of St Andrews Over his illustrious career Paul Barnett has returned repeatedly to questions about the historical Jesus the historicity of the Gospels and the history of earliest Christianity Drawing together scattered strands of all of that work elaborating them further and adding still new ones Barnett here mounts what may be his most impressive case yet for the accuracy of the canonical material and the messiahship of Jesus of Nazareth on historical grounds alone Craig L Blomberg Denver Seminary **Lord Jesus Christ** Larry W. Hurtado, 2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset's Kyrios Christos 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the nomina sacra The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado's Lord Jesus Christ is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it **Preach the Word** Stephen Oliver Stout, 2014-12-09 At some time or another every preacher has entered the pulpit wondering What shall I preach This study finds the answer in the preaching charge of 2 Timothy 4 1 5 summarized in the command Preach the Word In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts a Pauline theology of preaching emerges What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ All other activities in his ministry are subservient to this overriding concern and they find meaning only if preaching is

primary That being the case this book takes seriously the words of Paul when he encourages future preachers to follow his teaching conduct and purpose 2 Tim 3 10 offering Paul as the model for the Christian preacher As readers will discover anyone who desires to preach biblically should seek to preach like Paul and the way to do that is to Preach the Word
