Epstein, Alexander A. Genis, Slobodanka Vladiv-Glover, 2016 Recent decades have been decisive for Russia not only politically but culturally as well The end of the Cold War has enabled Russia to take part in the global rise and crystallization of postmodernism This volume investigates the manifestations of this crucial trend in Russian fiction poetry art and spirituality demonstrating how Russian postmodernism is its own unique entity It offers a point of departure and valuable guide to an area of contemporary literary cultural studies insufficiently represented in English language scholarship This second edition includes additional essays on the topic and a new introduction examining the most recent developments **The Mongolian Manuscripts on Birch Bark from Xarbuxyn Balgas in the Collection of the Mongolian Academy of Sciences** Elisabetta Chiodo, 2009 Restored and edited with the cooperation of the Institute of Central Asian Studies of the University of Bonn **Harbin** Mark Gamsa, 2020-11-03 This book offers an intimate portrait of early twentieth century Harbin a city in Manchuria where Russian colonialists and later refugees from the Revolution met with Chinese migrants The deep social and intellectual fissures between the Russian and Chinese worlds were matched by a multitude of small efforts to cross the divide as the city underwent a wide range of social and political changes Using surviving letters archival photographs and rare publications this book also tells the personal story of a forgotten city resident Baron Roger Budberg a physician who being neither Russian nor Chinese nevertheless stood at the very centre of the cross cultural divide in Harbin The biography of an important city fleshing out its place in the global history of East West contacts and twentieth century diasporas this book is also the history of an individual life and an original experiment in historical writing **Pedagogy of Images** Marina Balina, Serguei Alex Oushakine, 2021-06-21 This collection offers a variety of scholarly views on illustrated books for Soviet children covering everything from artistic innovation to state propaganda The Feminine in the Prose of Andrey Platonov Philip Bullock, 2017-12-02 Andrey Platonovich Platonov 1899 1951 is increasingly regarded as one of the greatest writers of the

Soviet period His linguistic virtuosity philosophical rigour and political unorthodoxy combined to create some of the most captivatingly absurd works of literature in any language Unsurprisingly many of these remained unpublished in his lifetime and indeed for many years thereafter In this lively and original study Philip Bullock traces the development of feminine imagery in Platonov's prose from the seemingly misogynist outrage of his early works to the tender reconciliation with domesticity in his final stories and argues that gender is a crucial feature of the author's audacious utopian vision

Flowers Through Concrete Juliane Fürst, 2021-03-11 Flowers through Concrete Explorations in Soviet Hippieland does what the title promises It takes readers on a journey into a world few knew existed the lives and thoughts of Soviet hippies who in the face of disapproval and repression created a version of Western counterculture skilfully adapting manipulating and shaping it to their late socialist environment As a quasi guide into the underground hippieland readers are situated in the world of hippies firmly in late Soviet reality and are offered an unusual history of the last Soviet decades as well as a case study in the power of transnational youth cultures Flowers through Concrete recounts not only a compelling story of survival against the odds hippies were harassed by police shorn of their hair by civilian guards and confined in psychiatric hospitals by doctors who believed non conformism was a symptom of schizophrenia It also advances a surprising argument despite obvious antagonism the land of Soviet hippies and the world of late socialism were not incompatible Indeed Soviet hippies and late socialist reality meshed so well that the hostile yet stable relationship that emerged was in many ways symbiotic Ultimately it was not the KGB but the arrival of capitalism in the 1990s that ended the Soviet hippie sistema

Writing Russian Lives Polly Jones, 2018-09-14 Like many genres biography came belatedly to Russia As with other such late arrivals biography underwent intensive growth in quantity sophistication cultural significance and

popularity from the era of Nicholas I onwards It stands today as a dominant force in post Soviet publishing Yet studies of Russian biography s poetics and its role as a literary and cultural institution in the nineteenth and twentieth centuries remain thin on the ground a fact often lamented yet not fully addressed in the scattered writings on the subject The present volume examines modern Russian biography as a literary form a publishing phenomenon and a cultural force that reveals and contests hegemonic ideas of the role of the individual in society and of the make up of the human personality itself **The Social Prelude to Stalinism** Roger Pethybridge, 1974-06-18
