Scandal Infamous Gay Controversies Of Th:

Scandal Marc E Vargo, 2013-11-12 Examine the cornerstone incidents of modern gay political history Scandal Infamous Gay Controversies of the Twentieth Century is a compelling and thorough examination of same sex controversies that range from accusations of obscenity and libel to espionage treason murder and political dissent with penalties that included censorship imprisonment deportation and death In each case scandal brought the subject of homosexuality into public view in an explosive sensational manner stalling and sometimes reversing any progress made by the gay and lesbian community in mainstream society Author Marc E Vargo details the dignity courage and wisdom displayed by the gay men and women under attack in the face of public judgment A unique blend of biography and gay political history Scandal Infamous Gay Controversies of the Twentieth Century recounts seven international incidents that tally the cost of being homosexual in a heterosexual society In each episode gay men or lesbians are targeted for legal persecution subjected to sensationalized media coverage and publicly condemned The book examines the short and long term consequences of each controversy for those involved and the impact each scandal had on gay and mainstream society Scandal Infamous Gay Controversies of the Twentieth Century documents the stories of Italian filmmaker Pier Paolo Pasolini his 1975 murder and its subsequent cover up British diplomats Guy Burgess and Donald Maclean their defection to Russia at the height of the Cold War Cuban political dissident Reinaldo Arenas his imprisonment in the 1960s that led to the exposure of the violent homophobia of the Castro regime Irish consul Roger Casement his execution on treason charges and the later accusation that crucial evidence had been forged South African human rights activist Simon Nkoli his persecution by his country's all white pro apartheid government British writer Radclyffe Hall the obscenity trial in the 1920s surrounding her novel The Well of Loneliness German emperor Kaiser Wilhelm II the expos of his relationship with Prince Eulenburg A scholarly work of historical significance Scandal Infamous Gay Controversies of the Twentieth Century is written in a straightforward tone that appeals to academics students and interested readers gay or straight The book stands alone as a record of the role played by public opinion in modern gay history Scandal Marc E. Vargo, Marc Vargo, 2003 A compelling and thorough examination of same sex controversies ranging from accusations of obscenity and libel to espionage treason murder and political dissent this startling book explores cases where the subject of homosexuality came into public view in an explosive sensational manner stalling and sometimes reversing any progress made by the gay and lesbian community in mainstream society Facing penalties that included censorship imprisonment deportation and even death these gay men and women displayed dignity courage and wisdom in the face of public attack Lost Gay Novels Anthony Slide, 2013-04-03 Searching for an introduction to the shadowy intriguing world of early 20th century gay themed fiction In Lost Gay Novels respected pop culture historian Anthony Slide resurrects fifty early 20th century American novels with gay themes or characters and discusses them in carefully researched engaging prose Each entry offers you a detailed discussion of plot and characters a summary of

contemporary critical reception and biographical information on the often obscure writer In *Lost Gay Novels* another aspect of gay life and society is in the words the author uncloseted providing you with an absorbing glimpse into the world of these nearly forgotten books *Lost Gay Novels* gives you an introduction to authors who aren't usually associated with homosexuality including John Buchan James M Cain and Rex Stout the history of gay publishing in the US and abroad gay themes in novels published between 1917 and 1950 with entries from nearly every year the ways in which the popular culture of the time shaped the authors attitudes toward homosexuality the difficulty of finding detailed biographical information on little known authors If you're interested in gay studies or history or even if you're just looking for a comprehensive guide to titles you've probably never heard of before *Lost Gay Novels* will be a welcome addition to your collection The introduction from author Slide called by the Los Angeles Times a one man publishing phenomenon provides you with an overview to the basics of this landmark collection Themes found in many of the titles include death secrecy and living a double life and in reading the entries you will discover just why these themes are so common As Slide says in his introduction The approach of the novelist toward homosexuality may not always be a positive one but the works are important to an understanding of contemporary attitudes toward gay men and gay society *Lost Gay Novels* will help you further your own understanding of the dynamic relationship between literature and culture and you will finish the book with a greater appreciation of modern American gay fiction

Gay Novels of Britain, Ireland and the Commonwealth, 1881-1981 Drew Wayne Gunn, 2014-10-27 While American gay fiction has received considerable scholarly attention little has been given to developments in other English speaking countries This survey catalogs 254 novels and novellas by some 173 British Irish and Commonwealth authors in which gay and bisexual male characters play a major role Arranged chronologically from the appearance of the first gay protagonist in 1881 to works from the onset of the AIDS epidemic in 1981 in depth entries discuss each book's publication history plot and significance for the construct of gay identity along with a brief biography of its author Including iconic works like Oscar Wilde's *The Picture of Dorian Gray* 1890 and E M Forster's *Maurice* as well as lesser known but noteworthy novels such as Rose Macaulay's *The Lee Shore* 1912 and John Broderick's *The Waking of Willie Ryan* 1969 this volume the first of its kind enlarges our understanding of the development of gay fiction and provides an essential reading list

On the Meaning of Friendship Between Gay Men Andrew R. Gottlieb, 2010-05-26 *On the Meaning of Friendship Between Gay Men* takes readers beyond a traditional exploration of gay sexuality and romantic relationships into the realm of recognizing the importance of friendship to gay men

Anything but Straight Wayne Besen, 2012-07-26 The real story behind ex gay ministries and reparative therapy Nationally known activist Wayne Besen spent four years examining the phenomenon of ex gay ministries and reparative therapies interviewing leaders attending conferences and visiting ministries undercover as he accumulated hundreds of hours of research The result is *Anything but Straight* Unmasking the Scandals and Lies Behind the Ex Gay Myth a groundbreaking exposé of the controversial movement that's revered by

independent religious groups and reviled by gay and lesbian organizations The book presents a historical perspective on the dispute examining ex gay groups such as Love In Action Exodus International Homosexuals Anonymous and profiling a cast of characters that includes Pat Robertson the Rev Jerry Falwell ex gay poster boy John Paulk National Association of Research and Therapy of Homosexuality activist Richard Cohen and psychiatrist Dr Robert Spitzer An in depth well researched and historically significant account Anything but Straight is full of startling facts and alarming surprises The original content and novel material in the book includes a first ever comprehensive history of the ex gay ministries and reparative therapy the inside story of the night the author photographed ex gay poster boy John Paulk inside a gay bar the author s discovery that Anne Paulk lied about being a lesbian and has admitted to having a strong attraction to men BEFORE she became ex gay previously undisclosed bizarre techniques used by the ex gay ministries and reparative therapists the author s exclusive in depth interviews with leading ex gay leadersthey disclose their deepest secrets hidden desires and true motivations an extraordinary new study that shows that most ex gay leaders have suffered from substance abuse or severe emotional problemswhile many ex gay leaders claim they were unhappy being gay this report helps prove that their dissatisfactions came not from their homosexuality but from poor life choices and irresponsible behavior new revelations that one of the nation s leading reparative therapists hailed from a secretive cult that was scandalized for practicing nude therapy From the author Through my extensive experience I have learned that the extraordinary claims made by the ex gay groups are without merit and the efficacy of their programs is dubious at best and harmful at worst One frequent question I get is Why can t gay activists simply leave ex gay groups alone and let them go about their business This is exactly what happened for nearly three decades while ex gay groups labored in near anonymity But all this recently changed when the ex gay groups intricately aligned themselves with the anti gay political agenda of the Religious Right With ex gays added to their arsenal the Right could disingenuously claim to love gay people and offer them hope for change while simultaneously fighting for punitive legislation Their insidious message Since gays and lesbians can change there is no need for laws that protect them against arbitrary prejudice Anything but Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth is an essential read for activists on both sides of the ex gay fence family members of gays and lesbians Gay Bisexual Lesbian and Transgender church members psychiatric and social science professionals and anyone who has dealt with coming out issues An appendix of resources and a helpful bibliography make it easy to find additional information on this fascinating topic

Public Indecency in England 1857-1960 David Cox, Kim Stevenson, Candida Harris, Judith Rowbotham, 2015-06-12

Throughout the nineteenth century and twentieth century various attempts were made to define and control problematic behaviour in public by legal and legislative means through the use of a somewhat nebulous concept of indecency Remarkably however public indecency remains a much under researched aspect of English legal social and criminal justice history Covering a period of just over a century from 1857 the date of the passing of the first Obscene Publications Act to 1960 the

date of the famous trial of Penguin Books over their publication of *Lady Chatterley's Lover* following the introduction of a new Obscene Publications Act in the previous year. *Public Indecency in England* investigates the social and cultural obsession with various forms of indecency and how public perceptions of different types of indecent behaviour led to legal definitions of such behaviour in both common law and statute. This truly interdisciplinary book utilises socio-legal, historical and criminological research to discuss the practical response of both the police and the judiciary to those caught engaging in public indecency as well as to highlight the increasing problems faced by moralists during a period of unprecedented technological developments in the fields of visual and aural mass entertainment. It is written in a lively and approachable style and as such is of interest to academics and students engaged in the study of deviance, law, criminology, sociology, criminal justice, socio-legal studies and history. It will also be of interest to the general reader.

Edwin and John James Sears, 2009-04-10 In *Edwin and John*, award-winning author James T. Sears interweaves diaries, letters and poems to craft an innovative first-person narrative history that details the hard realities of growing up gay in the South during the early decades of the 20th century. Set against the backdrop of World War II and the post-war South, Edwin and John provides a unique and intimate approach to queer history by following the 50-year relationship between John Zeigler and Edwin Peacocke that carried them both from their roots in the conservative South through service in World War II and into a placid and loving literary life where they opened a bookshop in what was then the small town of Charleston, South Carolina. Edwin and John is a revealing look at queer history, detailing how these two men and their remarkable circle of close friends, which included some of the greatest writers and artists of their era including Prentiss Taylor, Carson McCullers and John Bennett, endured war, intolerance and jealousies while living proud and public lives in far more conservative times.

The Sexual Constitution of Political Authority Aleardo Zanghellini, 2015-04-24 While there is no shortage of studies addressing the state's regulation of the sexual, research into the ways in which the sexual governs the state and its attributes is still in its infancy. *The Sexual Constitution of Political Authority* argues that there are good reasons to suppose that our understandings of state power quiver with erotic undercurrents. The book maintains more specifically that the relationship between ideas of political authority and male same-sex desire is especially fraught. Through a series of case studies where a statesman's same-sex desire was put on trial, either literally or metaphorically as a problem for the good exercise of public powers, the book shows the resilience and adaptability of cultural beliefs in the incompatibility between public office and male same-sex desire. Some of the case studies analysed are familiar ground for both political constitutional history and the history of sexuality. *The Sexual Constitution of Political Authority* argues, however, that only by systematically reading questions of institutional politics and questions of sexuality through each other will we have access to the most interesting insights that a study of these trials can generate. Whether they involve obscure public officials or iconic rulers such as Hadrian and James I, these compelling fragments of queer history reveal that the disavowal of male same-sex desire has been and partly remains central

to mainstream understandings of political authority

Understanding the Sociology of Health Anne-Marie Barry, Chris Yuill, 2016-09-19 Understanding the Sociology of Health continues to offer an easy to read introduction to sociological theories essential to understanding the current health climate Up to date with key policy and research and including case studies and exercises to critically engage the reader this book shows how sociology can answer complex questions about health and illness such as why health inequalities exist To better help with your studies this book contains a global perspective with international examples a new chapter on health technologies online access to videos of the author discussing key topics as well as recommended further readings a glossary chapter summaries and reflective questions to help you engage with the subject Though aimed primarily at students on health and social care courses and professions allied to medicine this textbook provides valuable insights for anyone interested in the social aspects of health

Imposed Morality Dr Alena Rada, PhD, 2021-06-01 The book Imposed Morality is written from a multidisciplinary perspective and in this sense is totally different from other books dealing with human sexuality and particularly homosexuality While other books usually present only one point of view such as medical psychiatric psychological social or legal this book present a total and multidisciplinary view It also includes a discussion of the present views of homosexuality both in the western countries as compared to some non western societies which do not seem to take the many important aspects of this practice recently discussed and evaluated by western scientists in consideration and continue to criminalize homosexuality leading to death sentences and executions of gay people or them being stoned publicly to death

Beautiful Idiots and Brilliant Lunatics Rob Baker, 2015-11-15 London s forgotten scandals secrets and personalities from the twentieth century told by the writer of the popular blog Another Nickel in the Machine

Gender, Sexuality, and Intelligence Studies Mary Manjikian, 2020-06-18 This is the first work to engage with intelligence studies through the lens of queer theory Adding to the literature in critical intelligence studies and critical international relations theory this work considers the ways in which both the spy and the activities of espionage can be viewed as queer Part One argues that the spy plays a role which represents a third path between the hard power of the military and the soft power of diplomacy Part Two shows how the intelligence community plays a key role in enabling leaders of democracies to conduct covert activities running counter to that mission and ideology in this way allowing a leader to have two foreign policies an overt public policy and a second closeted queer foreign policy

The Boundaries of Desire Eric Berkowitz, 2015-08-01 The act of reproduction and its variants never change much but our ideas about the meaning of sex are in constant flux Switch a decade cross a border or traverse class lines and the harmless pleasures of one group become the gravest crimes in another Combining meticulous research and lively storytelling The Boundaries of Desire traces the fast moving bloodsport of sex law over the past century and challenges our most cherished notions about family power gender and identity Starting when courts censored birth control information as pornography and let men rape their wives and continuing through the sexual revolution and into the present day when rape

gay rights sex trafficking and sex on the internet saturate the news Berkowitz shows how the law has remained out of synch with the convulsive changes in sexual morality By focusing on the stories of real people Berkowitz adds a compelling human element to what might otherwise be faceless legal battles The law is made by people after all and nothing sparks intolerance on the left and right more than sex Ultimately Berkowitz shows the emptiness of sanctimonious condemnation and argues that sexual questions are too subtle and volatile for simple catch all solutions **The Dissidence of Reinaldo Arenas**

Sandro R. Barros,Rafael Ocasio,Angela L. Willis,2022-02-22 Focusing on the didactic nature of the work of Reinaldo Arenas this book demonstrates the Cuban writer s influence as public pedagogue mentor and social activist whose teaching on resistance to normative ideologies resonates in societies past present and future **Finding Out** Deborah T.

Meem,Jonathan Alexander,Key Beck,Michelle A. Gibson,2022-07-28 Finding Out Fourth Edition introduces readers to lesbian gay bisexual transgender queer LGBTQ studies By combining accessible introductory and explanatory material with primary texts and artifacts this text reader explores the development and growth of LGBTQ identities and the interdisciplinary nature of sexuality studies Now available in a digital ebook format the fourth edition has been thoroughly updated to include a new chapter on Trans Lives and Theories and new readings Chapters include more discussions of important and current issues in LGBTQ studies such as the emergence of non binary identities and issues of race and class making Finding Out Fourth

Edition an even more comprehensive introduction to the field **Noble Lives** Marc E. Vargo,2016-04-29 Learn the cost of being gay or perceived as gay for three historical figures Noble Lives examines how sexual orientation affected the careers of two historical figures generally accepted as gay and a third whose sexual identity was in constant question during his lifetime This unique book features comprehensive biographical accounts of Jazz Age author Glenway Wescott Academy Award winning composer Aaron Copland and Nobel Peace Laureate Dag Hammarskj ld addressing the relationship between their sexuality and their achievements in literature the social sciences musical composition diplomacy and global politics Noble Lives is the first English language text to thoroughly and objectively explore the troubled sexuality of Sweden s Hammarskj ld the former Secretary General of the United Nations Noble Lives is a colorful and concise read that puts a historical perspective on the public and private lives of three important twentieth century figures Glenway Wescott Author and political progressive he used his life to enlighten society through his persistent efforts to enhance the public s awareness and acceptance of homosexuality Though his early work The Grandmothers The Pilgrim Hawk was well received Wescott s career suffered from his inability to write honestly from his own experiences as a gay man and his output was limited by the unwillingness of English language publishers to release literary works having same sex themes He published his last novel in 1945 and for the next 40 years was something of an elder statesman of American literature dealing with censorship laws defending controversial members of the literary community and advancing ideals of freedom of thought and expression He worked closely in the 1950s with Alfred Kinsey Director of the Institute for Sex Research at Indiana University to develop

objective research into gay sexuality Aaron Copland Hailed by The New York Times as the pioneer of American music he lived an openly gay life without regret in an era when the general public held neither his sexual orientation nor his Jewish background in high esteem Copland was accused of promoting gay musicians based on their sexuality rather than their ability and was rumored to be part of a fraternity of gay composers a Homintern but overcame the discrimination he faced to receive a Pulitzer Prize an Academy Award and presidential medals from three administrations In the years following his persecution by Sen Joseph McCarthy and the Senate s Permanent Subcommittee on Investigations Copland produced his most personal work The Tender Land a musical drama thought by most to be the autobiographical account of a gay man living in conservative times and perceived as a coming out tale Dag Hammarskjöld Despite holding a position of public prominence as Secretary General of the United Nations from 1953 until his death in 1961 he managed to withhold even the most minor details of his personal life from the world Even his posthumously published journal Markings shies away from any mention of his private life Possibly asexual probably homosexual Hammarskjöld was unable to accept his sexuality and lived an unhappy frustrated life of sexual abstinence suffering slurs from political figures and the international media But though he couldn t resolve his own internal conflicts he was masterful at settling external conflicts as he worked to solve disputes in Palestine Vietnam Egypt and the Congo Noble Lives is an invaluable reference source for LGBT readers providing an understanding and appreciation of those who paved the way during an unenlightened and unforgiving time It s also an excellent resource for mainstream readers with an interest in biography and the history of the twentieth

Speaking for Our Lives Robert B Ridinger, 2014-02-25 Read the words they risked everything for This landmark volume collects more than a hundred years of the most important public rhetoric on gay and lesbian subjects In the days when homosexuality was mentioned only in whispers a few brave souls stood up to speak for the rights of sexual minorities In *Speaking for Our Lives* Historic Speeches and Rhetoric for Gay and Lesbian Rights 1892-2000 their stirring words have finally been gathered together along with the political manifestoes broadsheets and performance pieces of the gay and lesbian liberation movement *Speaking for Our Lives* comprises speeches and manifestoes prompted by events ranging from demonstrations to funerals Scholars and researchers will appreciate the brief commentary introducing each piece which discusses the author the occasion and the political and social contexts in which it first appeared You ll find the words of a broad variety of individuals and groups including the Victorian humanist and crusader Robert Ingersoll key groups such as the Mattachine Society Homosexual Law Reform Society Gay Activists Alliance and International Gay Association activists and educators Robin Morgan Joseph Bean and Dr Franklin Kameny artists and journalists of the movement such as John Eric Larsen Joan Nestle Barbara Grier and Jim Kepner elected officials including Bella Abzug Ed Koch Eleanor Holmes Norton Gerry Studds Tammy Baldwin and Bill Clinton Many of these documents have long been out of print *Speaking for Our Lives* makes these noteworthy texts readily available to the broader public they deserve This book preserves an essential part of twentieth

century history *OK2BG* Jack Dunsmoor, 2015 *OK2BG* is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author's attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in *OK2BG* is to read reassess before you run asunder *Intimate Politics* James Stanyer, 2013-08-27 It is often remarked that politicians' private lives are becoming a feature of political communication in many advanced industrial democracies However there have so far been no genuinely comparative studies examining the personalized nature of political communication *Intimate Politics* provides for the first time a systematic comparative analysis of such developments in Australia France Germany Italy Spain the UK and the US Drawing on a wide range of primary and secondary sources it assesses the extent to which the private lives of politicians have become a feature of political communication in each democracy The book provides a comprehensive account of the shifting boundaries between the public and private and whether any developments are universal or more advanced in some democracies than others and seeks to explain why this might be *Intimate Politics* will be of great value for students and scholars of communication and media studies and political science and is required reading for anyone who wants a fuller understanding of the transformation of mediated politics in advanced industrial democracies
