Scandinavia Robert I. Vexler,1977 A chronology of events in Scandinavian history accompanied by a selection of pertinent documents The History of Nations: Otte, E.C. Norway, Sweden and Denmark...Polar research by G.T. Surface ,1910 *The Cambridge History of Scandinavia* Knut Helle,2003-09-04 This volume presents a comprehensive exposition of both the prehistory and medieval history of the whole of Scandinavia The first part of the volume surveys the prehistoric and historic Scandinavian landscape and its natural resources and tells how man took possession of this landscape adapting culturally to changing natural conditions and developing various types of community throughout the Stone Bronze and Iron Ages The rest and most substantial part of the volume deals with the history of Scandinavia from the Viking Age to the end of the Scandinavian Middle Ages c 1520 The external Viking expansion opened Scandinavia to European influence to a hitherto unknown degree A Christian church organisation was established the first towns came into being and the unification of the three medieval kingdoms of Scandinavia began coinciding with the formation of the unique Icelandic Free State **The Shortest History of Scandinavia** Mart Kuldkepp,2025-04-29 From the Stone Age to Scandimania a brisk illuminating journey through 14 000 years of Nordic history Outsiders have long viewed Scandinavia as special starting with the ancient Greeks and their myths of ultima Thule a place where the Sun goes to rest Today we admire Scandinavia for its universal welfare equality peacefulness and untouched nature not to mention its interior design crime literature and love of all things hygge Yet Nordic history has had its hardships and dark periods too pandemics war the expansionism of the Viking Age and the eighteenth century alliances with Nazi Germany in World War II and a eugenics movement in the twentieth century In *The Shortest History of Scandinavia* historian Mart Kuldkepp masterfully sketches the outlines of Scandinavia s rich history from the first known peoples of the region who followed the ice sheet north as it retreated at the end of the last Ice Age to the Scandinavians living in nations that are among the happiest in the world today In this short but deeply insightful volume Kuldkepp illuminates the concept of Nordicness a hard to define quality that has nonetheless steered the region to respond to major challenges actively shaping their history and exerting a considerable influence on European and global history in the process A superbly clear learned and wide ranging history of the five Nordic nations Andrew Scott author of *Northern Lights* *A Political and Social History of Modern Europe* Carlton Joseph Huntley Hayes,1916 **Monographic Series** Library of Congress,1978 **Scandinavian Penal History, Culture and Prison Practice** Peter Scharff Smith,Thomas Ugelvik,2017-07-28 This book draws on historical and cross disciplinary studies to critically examine penal practices in Scandinavia The Nordic countries are often hailed by international observers as model societies with egalitarian welfare policies low rates of poverty humane social policies and human rights oriented internal agendas This book however paints a much more nuanced picture of the welfare policies ideologies and social control in strong centralistic states Based on extensive new empirical data leading Nordic and international scholars discuss the relationship between prison conditions in
