Scarlet Night:

Scarlet Night Dorothy Salisbury Davis, 1981 Scarlet Nights Jude Deveraux, 2010-08-03 The New York Times bestselling author of *Lavender Mornings* continues the Edilean saga with an exciting story about a woman who learns that her fiancé is not who he appears to be. Engaged to the charming and seductive Greg Anders, Sara Shaw is happily anticipating her wedding in Edilean, Virginia. The date has been set, the flowers ordered, even her heirloom dress is ready. But just three weeks before the wedding, Greg gets a telephone call during the night and leaves without explanation. Two days later, a man climbs up through a trapdoor in the floor of Sara's apartment, claiming that he is the brother of her best friend and that he's moving in. While Mike Newland is indeed telling the truth about his identity, his reason for being there reaches far deeper. He's an undercover detective, and his assignment is to use Sara to track down a woman who is one of the most notorious criminals in the United States and also happens to be the mother of the man Sara plans to marry. Mike thinks the job will be easy if he can figure out how to make a good girl like Sara trust him, that is. But Mike has no idea what this mission has in store for him. He's worked hard to keep private his connections to Edilean, which date back to his grandmother's time there in 1941. But as Mike and Sara get to know each other, he can't help but share secrets about himself that he's told no one else. And in return, Sara opens up to Mike about things she could never reveal to Greg. As the pair work together to solve two mysteries, their growing love begins to heal each of them in ways they never could have imagined.

The Epic of Cassius Crossroads Enrique Prado, 2022-05-25 Two hundred years ago, a Man in Amber held the world on his back, but in his time of need, humanity cowered and were then cursed. Monsters of unspeakable horror now roam the earth, men now mutated to resemble the beasts of the earth, have fled to the farthest reaches. But against all odds, they have managed to rebuild. In the land of Akumu Verde, the newest members of the Krahe Dragoons have been added to their ranks. Of them are Charles Crossroads Roy and Bawui, whose first assignment takes them to the edge of their homeland. Where what would have been a simple search and rescue has now become a fight for their lives and sanity.

Poems and Prose Georg Trakl, 2005 An undeniable aura surrounds the name of Georg Trakl, a poet of intense inner vision and originality whose work stands alongside that of Yeats, Valéry, and T. S. Eliot. The distinctive tone of Trakl's work, especially admired by his patron Ludwig Wittgenstein, is autumnal and melancholy. Trakl was writing at a time of spiritual and social disintegration, on the eve of the First World War, when personal values and perceptions tended to be subsumed in a more generalized anguish and exaltation.
