Scarlet Sunset Mary Cummins, 1970-01-01 A Handbook of Pictorial Art by ... R. St. J. Tyrwhitt. With a chapter on Perspective by A. Macdonald Alexander MACDONALD (Artist), 1875 Color Secrets Williams Gillum, 1929 **Prairie Schooner** Lowry Charles Wimberly, 1927 **The Road from Coorain** Jill Ker Conway, 2011-06-22

In a memoir that pierces and delights us Jill Ker Conway tells the story of her astonishing journey into adulthood a journey that would ultimately span immense distances and encompass worlds ideas and ways of life that seem a century apart She was seven before she ever saw another girl child At eight still too small to mount her horse unaided she was galloping miles alone across Coorain her parents thirty thousand windswept drought haunted acres in the Australian outback doing a man's job of helping herd the sheep because World War II had taken away the able bodied men She loved and makes us see and feel the vast unpeopled landscape beautiful and hostile whose uncertain weathers tormented the sheep ranchers with conflicting promises of riches and inescapable disaster She adored and makes us know her large visioned father and her strong radiant mother who had gone willingly with him into a pioneering life of loneliness and bone breaking toil who seemed miraculously to succeed in creating a warmly sheltering home in the harsh outback and who upon her husband's sudden death when Jill was ten began to slide bereft of the partnership of work and love that had so utterly fulfilled her into depression and dependency We see Jill staggered by the loss of her father catapulted to what seemed another planet the suburban Sydney of the 1950s and its crowded noisy cliquish school life Then the heady excitement of the University but with it a yet more demanding course of lessons Jill embracing new ideas new possibilities while at the same time trying to be mother to her mother and resenting it escaping into drink pulling herself back striking a balance We see her slowly gaining strength coming into her own emotionally and intellectually and beginning the joyous love affair that gave wings to her newfound self Worlds away from Coorain in America Jill Conway became a historian and the first woman president of Smith College Her story of Coorain and the road from Coorain startles by its passion and evocative power by its understanding of the ways in which a total deep rooted commitment to place or to a dream can at once liberate and imprison It is a story of childhood as both Eden and anguish and of growing up as a journey toward the difficult life of the free *Elegy Landscapes: Constable and Turner and the Intimate Sublime* Stanley Plumly, 2018-08-21

A sweeping look at the lives and work of two important English Romantic painters from a Los Angeles Times Book Prize winning author Renowned poet Stanley Plumly who has been praised for his obsessive intricate intimate and brilliant Washington Post nonfiction explores immortality in art through the work of two impressive landscape artists John Constable and J M W Turner How is it that this disparate pair will come to be regarded as Britain's supreme landscape painters precursors to Impressionism and Modernism How did each painter's life influence his work Almost exact contemporaries both legendary artists experience a life changing tragedy for Constable it is the long illness and death of his wife for Turner the death of his singular parent and supporter his father Their work will take on new

power thereafter Constable his Hampstead cloud studies Turner his Venetian watercolors and oils Seeking the transcendent aesthetic awe of the sublime and reeling from their personal anguish these talented painters portrayed the terrible beauty of the natural world from an intimate close up perspective Plumly studies the paintings against the pull of the artists lives probing how each finds the sublime in different though inherently connected worlds At once a meditation on the difficulties in achieving truly immortal works of art and an exploration of the relationship between artist and artwork Elegy Landscapes takes a wide angle look at the philosophy of the sublime
