themes of industry and policy in relation to culture and music as these impact on the nature and identity of rural and regional popular music scenes **The Oxford English Literary History: Volume 12: The Last of England?** Randall

Stevenson,2005-11-10 English Literature in the 1960s soon threw off its post war weariness and the tepid influences of the previous decade New voices new visions and new commitments profoundly reshaped writing during the 60s and throughout the rest of the century Drama thrived on its rapidly rebuilt foundations New freedoms of style and form revitalised fiction Poetry too gradually recovered the variety and inventiveness of earlier years As well as comprehensively charting these changes in the literary field Randall Stevenson persuasively pinpoints their origins in the historical social and intellectual pressures of the times Literary developments are revealingly related to the wider evolution and profound changes in English experience in the late twentieth century to shadows of war and loss of empire declining influences of class shifting relations between the genders emergent minority and counter cultures and the broadening democratization of contemporary life in general Analyses of the rise of literary theory of publishing and the book trade and of the pervasive influences of modernism and postmodernism contribute further to an impressively thorough insightful description of writing in the later twentieth century a literary period Stevenson shows to be far more imaginative and exciting than has yet been recognised Lucid accessible and engaging this volume of the Oxford English Literary History presents a unique illumination of its age one we have lived through but are only just beginning to understand The first full account of its period it will set the agenda for discussion of late twentieth century literature for many years to come **Cinema and Urban Culture in Shanghai, 1922-1943** Yingjin Zhang,1999 This volume establishes cinema as a vital force in Shanghai culture focusing on early Chinese cinema It surveys the history and historiography of Chinese cinema and examines the development of the various aspects affecting the film culture **A Dictionary of Writers and their Works** Christopher Riches,Michael

Cox,2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication **Berlin Alexanderplatz** Peter

Jelavich,2006-01-09 This fascinating exploration of a work that was the epitome of German literary modernism illuminates in chilling detail the death of the Weimar Republic s left leaning culture of innovation and experimentation Peter Jelavich examines Alfred D blin s Berlin Alexanderplatz 1929 a novel that questioned the autonomy and coherence of the human personality in the modern metropolis and traces the radical discrepancies that came with its adaptation into a radio play 1930 and a film 1931 Jelavich explains these discrepancies by examining not only the varying demands of genre and

technology but also the political and economic contexts of the media in particular the censorship practices in German radio and film His analysis culminates in a richly textured discussion of the complex factors that led to the demise of Weimar culture as Nazi intimidation and the economic strains of the Depression induced producers to depoliticize their works Jelavich's book becomes a cautionary tale about how fear of outspoken right wing politicians can curtail and eliminate the arts as a critical counterforce to politics all in the name of entertainment
