Charles Montgomery is an unlikely hero. An eleven year old identical twin he is torn from his God fearing family and institutionalized for his strange pronouncements. On the eve of his eighteenth birthday he mysteriously disappears only to return a decade later transformed. The hero's journey traverses the religious psychiatry obsessed 1950s into the turbulent revolutionary sixties. It is meshed within a tapestry of human connections interwoven with dark threads of addiction abuse and mental illness and woven with golden threads of compassion forgiveness and gratitude. Implied in the title is a scent of mysticism. Sprinkled with serendipity and interspersed with lucid dreams the story hints at unseen forces at play in everyday life and glows with channeled messages of universal truths illuminating its pages.

A Scent of Roses Michael Cummings, 2016-06-18. As she passed Mr Sigmund she caught a whiff of something. Beneath his thickly applied Old Spice and the scent of too much detergent she could smell something distinctly floral. Zoe stopped startled. It was coming from Mr Sigmund the scent of lavender and rose petals. Come back prepared tomorrow he said waving her out of the room. Zoe stumbled into the hallway backwards staring at Mr Sigmund as he closed the door. The smell of flowers seemed to waft from every pore of his body following her into the hall until it was cut off abruptly by the closed door. She stood still for a moment books and papers in hand and stared back through the glass partition. When Zoe Sides smells roses someone is about to die. Winter snows are setting in and everyone in town is beginning to smell of roses. Before the snow thaws Zoe and her band of survivors will face an evil that has fed on humans for millennia wearing the husks of the dead like masks to move among us. The possessed priest kicked out of the church for the death of a parishioner. Father Ted is little more than the town drunk now. But he drinks to keep the voice trapped in his head quiet. Beverly the elderly librarian having lost her son years ago she is swept up by events when Father Ted shows up on her doorstep begging for help. Will they be able to survive the coming winter. Or will they be picked off one by one to feed the entity that calls itself the Throng.

An Introduction to Religious and Spiritual Experience Marianne Rankin, 2008-12-10. This comprehensive new introduction looks at spiritual experiences from past to present from the experiences of the founders of the major world religious traditions to events in the lives of ordinary people today. Mystical and Near Death Experiences are included. Examples are drawn from a variety of sources including original accounts from the Alistair Hardy Religious Experience Research Centre Archive at the University of Wales Lampeter as well as many given to the author in person. Interpretations of these experiences follow from religious philosophical and scientific viewpoints. Various questions are considered. Is there a common core to spiritual experience. Do these experiences offer proof of the existence of God or of the possibility of survival of death. This fascinating work concludes with an evaluation of what can be learned about
