Schindler By Mak:

Schindler by MAK Peter Noever,2005 **Dwell** ,2006-10 At Dwell we re staging a minor revolution We think that it s possible to live in a house or apartment by a bold modern architect to own furniture and products that are exceptionally well designed and still be a regular human being We think that good design is an integral part of real life And that real life has been conspicuous by its absence in most design and architecture magazines Schindler, Kings Road, and Southern California Modernism Robert Sweeney,Judith Sheine,2012-10-30 This book establishes R M Schindler s Kings Road House amongst the icons of modernist housing as crucial as Le Corbusier Walter Gropius Mies van der Rohe or Frank Lloyd Wright to the story of twentieth century residential design Weaving together an impressive blend of primary sources Sweeney and Sheine illuminate heretofore unknown or neglected stories regarding Schindler s life his relationship with his mentors most notably Wright himself and the development of his unique theories about space These essays will interest both scholars and practitioners of architecture as well as readers wishing to learn more about the development of architectural modernism in general J Philip Gruen School of Design and Construction Washington State University **R.M. Schindler** Peter Noever,1995 Complete listing of all existing buildings by R M Schindler in the Los Angeles area **Silver Lake Bohemia** Michael Locke,Vincent Brook,2016-11-07 Since the early 1900s Silver Lake has been a magnet for iconoclastic writers architects and political activists Famed architect Frank Lloyd Wright who designed the Hollyhock House for socialist and oil heiress Aline Barnsdall drew a wave of visionary modernists to the area Local civil rights advocate Loren Miller spearheaded the fight against housing discrimination Silver Lake s Black Cat bar and Harry Hay s Mattachine Society were central to the early gay rights movement Literary artists An is Nin and James Leo Herlihy made the neighborhood their home as did other notables like first lady of baseball Effa Manley and Hobo Millionaire James Eads How Michael Locke and Vincent Brook chronicle these and other people and places that helped make Silver Lake the bohemian epicenter of Los Angeles

Austrian Information ,2008 Weimar on the Pacific Ehrhard Bahr,2008-08-08 In the 1930s and 40s LA became a cultural sanctuary for a distinguished group of German artists and intellectuals including Thomas Mann Theodor W Adorno Bertolt Brecht Fritz Lang and Arnold Schoenberg who were fleeing Nazi Germany This book is the first to examine their work and lives *Movie-Made Los Angeles* John Trafton,2023-10-17 Explores the proto cinematic visual culture of Los Angeles that set the scene for modern Hollywood Los Angeles was a cinematic city long before the rise of Hollywood By the dawn of the twentieth century photography painting and tourist promotion in Southern California provided early filmmakers with a template for building a myth making business and envisioning ideal moviegoers These art forms positioned California as a land of transformative experiences and catapulted the dusty backwater town of Los Angeles to the largest city on the west coast by 1915 Photography aided the Southern Pacific Railroad Company in opening the region to the rest of nation Painters gave traditions that were fading in Europe a new lease on life in the California sun with signature colors and techniques that

would be adopted by L A real estate companies agribusiness and health retreats Tourism infused the iconography and signature styles of art with cultural mythology of the state s colonial past offering proto cinematic experiences to those who ventured west Author John Trafton explores how Hollywood an industry based on world building was the product of these art forms in the land of sunshine A more complete story of the American film industry s ascendancy in Los Angeles emerges when one considers how the City of Angels cultivated its self image through pre cinema narrative art Oskar Schindler David Crowe,2007-08-01 Spy businessman bon vivant Nazi Party member Righteous Gentile This was Oskar Schindler the controversial man who saved eleven hundred Jews during the Holocaust but struggled afterwards to rebuild his life and gain international recognition for his wartime deeds David Crowe examines every phase of Schindler s life in this landmark biography presenting a savior of mythic proportions who was also an opportunist and spy who helped Nazi Germany conquer Poland Schindler is best known for saving over a thousand Jews by putting them on the famed Schindler s List and then transferring them to his factory in today s Czech Republic In reality Schindler played only a minor role in the creation of the list through no fault of his own Plagued by local efforts to stop the movement of Jewish workers from his factory in Krak o his new one in Br z and his arrest by the SS who were investigating corruption charges against the infamous Amon G Schindler had little say or control over his famous List The tale of how the List was really prepared is one of the most intriguing parts of the Schindler story that Crowe tells here for the first time Forced into exile after the war success continually eluded Schindler and he died in very poor health in 1974 He remained a controversial figure even in death particularly after Emilie Schindler his wife of forty six years began to criticize her husband after the appearance of Steven Spielberg s film in 1993 In Oskar Schindler Crowe steps beyond the mythology that has grown up around the story of Oskar Schindler and looks at the life and work of this man whom one prominent Schindler Jew described as an extraordinary man in extraordinary times

Soviet Adventures in the Land of the

Capitalists Lisa A. Kirschenbaum, 2024-02-22 Unique account of how ordinary people shaped Soviet American relations in the 1930s told through the adventures of two Russian humourists □□□□□□□□ Jennifer Steinkamp, Kimberli Meyer, Nizan Shaked, 2008 Text by Kimberli Meyer Contributions by Nizan Shaked Translated by Sarah Enany Clocks and Clouds Lilian Pfaff, 2017-06-26 Escher GuneWardena founded in Los Angeles in 1996 reached international recognition through a range of projects commercial spaces treated as conceptual art works hillside residences representing poetic responses to particular site conditions work in historic preservation including such icons as the Eames House and John Lautner's Chemosphere in Los Angeles Their collaborations with artists such as Sharon Lockhart Mike Kelley and Stephen Prina testify to their presence in the art world Frank Escher and Ravi GuneWardena are in part scholars artists architectural historians designers and architects Don Albrecht Curator of Architecture and Design Museum of the City of New York **The Secret Life of the Modern House** Dominic Bradbury, 2021-04-01 Informative and entertaining this publication is a feast for the eyes while also thought provoking and offers excellent inspiration for daydreaming about what makes the perfect modern house Wallpaper A fascinating selection of innovative homes this is a thoughtful journey through the evolution of domestic architecture Sunday Express Over the last century the way that we live at home has changed dramatically Nothing short of a design revolution has transformed our houses and the spaces within them moving from traditional patterns of living all the way through to an era of more fluid open plan and modern styles Whether we live in a new home or a period house our spaces will have been shaped one way or another by the pioneering Modernists and Mid century architects and designers who argued for a fresh way of life Architectural and design writer Dominic Bradbury charts the course of this voyage all the way from the late 19th century through to the houses of today in this ground breaking book Over nineteen thematic chapters he explains the way our houses have been reinvented while taking in along the way the giants of Art Deco influential Modernists including Le Corbusier and Frank Lloyd Wright as well as post war innovators such as Eero Saarinen and Philip Johnson Taking us from the 20th to the 21st century Bradbury explores the progress of modernity itself and reveals the secret history of our very own homes *Reimagining Historic House Museums* Kenneth C. Turino, Max A. van Balgooy, 2019-09-13 Drawing from innovative organizations across the United States Reimagining Historic House Museums is an indispensable source of field tested tools and techniques drawn from such wide ranging sources as non profit management business strategy and software development It also profiles historic sites that are using new models to engage with their communities to become more relevant are adopting creative forms of interpretation and programming and earning income to become more financially sustainable The book is a combination of a museum conference a hands on workshop and toolbox It contains five main parts Fundamentals and Essentials Audiences Different Approaches to Familiar Topics Methods Imagining New Kinds of House Museums This authoritative guide from the American Association for State and Local History AASLH will help house museum boards directors and staff seeking a path forward in rapidly changing times Graduate programs in public history museum

studies curatorial studies and historic preservation will discover models and approaches that will provoke lively discussions about the issues facing the field The Centre as Margin: Eccentric Perspectives on Art Maria de Lourdes Craveiro, Carla Alexandra Gonçalves, 2019-10-01 The Centre as Margin Eccentric Perspectives on Art is a multi authored volume of collected essays that answer the challenge of thinking Art History and the Arts in a broader sense from a liminal point of view Its main goal is thus to discuss the margin from the centre drawing on its concomitance within study themes and subjects ontological and epistemological positions or research methodologies themselves Marginality eccentricity liminality and superfluity are all part of a dynamic relationship between centre and margin s that will be approached and discussed from the point of view of disciplines as different and as close as art history philosophy literature and design from medieval to contemporary art Resulting from recent research developed from the privileged viewpoint offered by the margin this volume brings together the contributions of young researchers along with the work of career scholars Likewise it does not obey a traditional or a rigid diachronic structure being rather organized in three major parts that organically articulate the different essays Within each of these parts in which the book is divided papers are sometimes organized according to their timeframes providing the reader with an encompassing though not encyclopedic overview of the common ground over which the various artistic disciplines build their methodological theoretical and thematic centers and margins The intended eccentricity of this volume and the original essays herein presented should provide researchers scholars students artists curators and the general reader interested in art with a refreshing approach to its various scientific strands The Violin Times ,1894
