Schleiermacher's Preaching, Dogmatics, and Biblical Criticism Catherine L. Kelsey, 2007-05-25 Friedrich Schleiermacher the father of modern theology found his voice first in preaching This book demonstrates how Schleiermacher moved between the critical reading of Scripture the proclamation of Christian faith to congregations over a forty five year period and eventually the work of theology in all its disciplines Schleiermacher's *Preaching Dogmatics and Biblical Criticism* is the first work to fully unveil this interaction by focusing on Schleiermacher's 228 known sermons on the Gospel of John Kelsey shows in detail 1 how the central insights of his theology emerged first in his preaching and 2 that his dogmatic writings provided a context within which these insights could be related to all the major doctrinal themes of Christian faith The study concludes by drawing implications for theological reflection and its relation to worship life in our own time Schleiermacher

Terrence N. Tice, 2018-03-14 This volume illuminates why Friedrich Schleiermacher is hailed as the father of modern theology Terrence Tice generates a dialogue between Schleiermacher readers and himself by examining one of Schleiermacher's Christmas sermons and commenting on the relationship between God the human condition and Jesus as the Redeemer of humankind that is at the center of Schleiermacher's work Following this the major themes of his thought and the reception of the theologian since his lifetime are traced out in detail *Schleiermacher on Christian Consciousness of God's Work in History* Abraham Varghese Kunnuthara, 2008-01-01 This work is a fresh unusually lucid approach to Christian theology and interfaith dialogue from India Its basic aim is to examine the Christian consciousness of God's work in history redemption history within the entire history of the world It uses *Christian Faith* by Friedrich Schleiermacher 1768 1834 as its main text so as to view this theme in a reversed order from the way it is presented there This approach which centers on God's new creation in Christ leads to an incisive understanding of Christianity's relation to other modes of faith Throughout Dr Kunnuthara compares the thought of another Indian Christian leader steeped in Hindu thought Pandippedi Chenchiah 1886 1959 to enable renewed interfaith dialogue across a wide spectrum **Christmas Sermons** Friedrich
