ŞEKERCİOĞLU,2025-03-23

*Education in Nigeria* Daniel A . Nomishan,2023-05-25

This book *Education in Nigeria Reflections and Global Perspectives* provides a broad overview of education in Nigeria It recognizes the vital role education plays in the development of Nigeria and has attempted to air the concerns and call of the Nigerian public as well as educators for reform in the educational system in Nigeria The book further recognizes that Nigerian education continues to be evolved first into a system of Western European education and then into a global system of education It attempts to examine the status of education in Nigeria and thereby seeks solutions by exploring Nigeria s and global historical perspectives current trends and future directions regarding students and learning teachers and teaching the school curriculum and administration of schools It is expected that the comprehensive nature of the text will be beneficial to individuals in teacher preparation programs as well as those who plan to work with children in pre kindergarten nursery through secondary settings The chapter content of the book focuses on the variation of thought as to the principal objectives of educators to help students in Nigeria develop habits skills and ideas and help them to think It adds to the importance of providing education to all especially at the time when Nigeria is frankly making an effort to affirm democracy For any nation to be truly democratic it must maintain an educated electorate Education prepares people to make informed decisions that affect the society All children in Nigeria should therefore receive an education to prepare them to become effective members of the world society This book seeks to examine and reflect on education in Nigeria and globally are genuinely working in order to produce not only intelligent men and women who will be cultured and skilled but also the leaders who will adapt themselves to their environment adjust themselves to the outside world and give direction and purpose to their people for the building of a modern nation whose nationals must realize that they are destined to give leadership in many directions of human endeavour Dr Nnamdi Azikiwe FMR President of Nigeria speaking of progressive elements of Nigeria

**Worksheets Don't Grow Dendrites** Marcia L. Tate,2010-02-18 What could be more frustrating for teachers than teaching an important lesson and then having students unable to recall the content just 24 hours later In this new edition of Marcia Tate s best selling *Worksheets Don t Grow Dendrites* her 20 field tested brain compatible instructional strategies that maximize memory and minimize forgetting are supported by new classroom applications and research throughout Each short chapter is devoted to one of the strategies and includes the brain research and learning style theory undergirding the strategy sample classroom activities utilizing the strategy and reflection action planning steps As Tate s many workshop participants worldwide can attest using these strategies will not only help students retain content and increase motivation but will also improve the classroom environment *2013 International Conference on Computer Science and Artificial Intelligence* Dr. Yuetong Lin,Dr. Gabriel Alungbe,2014-11-16 The main objective of ICCSAI2013 is to provide a platform for
