Scripture Versus Science : Reconciling God's Ancient Wisdom with a Modern World View Robert D. Harter, PhD, 2015-07-12 With trepidation Dr Robert D Harter approached the subject of Earth origins and human development from the position of a lifelong Christian who is also a scientist He grew up in a rural Ohio Christian family and thoroughly understands the position of those who believe the Earth and everything in it was created a few thousand years ago At the same time he is a university professor who understands the basis upon which the Earth is claimed to be millions of years old Both positions cannot be correct and it is probable that neither is completely wrong Using a scientist's analytical approach Dr Harter evaluated and compared biblical anthropological and geological records In *Scripture Versus Science* he proposes a resolution to the increasingly heated argument about evolution While unlikely to provide a clear and definitive answer this book begins to thin the fog that has developed around it He states There has been a lot of fog associated with whether God created the universe and everything in it or whether it just happened by chance In writing this book I attempt to show that the ideas supporting the two views are not necessarily mutually exclusive In other words I hope I have allowed a bit of sun to shine through the fog

His Story Jeffrey L. Walling,2017-11-14 There is an ongoing battle in regard to the authenticity of Gods Word raging in our homes and communities not between science and the Bible but rather between humanistic atheistic theology and Christianity This publication seeks to cover the gambit of historical and scientific evidence from A to Z that could be used as a textbook for Christian educators Our churches are not teaching this in their Sunday schools Christian schools and homeschoolers are not getting this on chalkboards Parents dont have the resources or tools to prepare and protect their teenagers heading into secular high schools and colleges from the onslaught of anti Christ teachings The scripture says in Hosea 4 6 My people are

destroyed for lack of knowledge because thou hast rejected knowledge I will also reject thee that thou shalt be no priest to me seeing thou hast forgotten the law of thy God I will also forget thy children As an added benefit students going into high school reading this book who have not decided what field of study they are interested in will get an opportunity to be exposed to several areas of interest Fields of study that include geology literary analysis genomics anthropology archaeology paleontology zoology meteorology genealogy astronomy earth sciences evolution and biblical studies are all interrogated to a significant depth *The Original Story* John Barton, Julia Bowden, 2005-07-28 The Original Story is a comprehensive and

Biblical Judgments invites readers to consider today's timeless dilemmas of law and government social justice and human rights through the perspective of a text that has helped shape western society the Hebrew Bible By focusing on biblical narratives and literature rather than on traditional interpretations of biblical law Daphne Barak Erez is able to look beyond historic norms to concentrate on what Old Testament stories can reveal about the big issues She discusses questions such as What can modern day governmental regulation learn from the exercise of food rationing in Egypt as a response to Pharaoh's dream of a future famine How does social distancing in the time of Covid 19 compare with people sent outside the camp as a

precautionary measure against bible era plagues What can promoters of social justice glean from the demands made to Moses that daughters should also inherit from their father when biblical law did not recognize inheritance rights of women Rather than offering a historical study Barak Erez draws upon famous court decisions from around the world to root her analysis in modern law Organized by subject matter Biblical Judgments analyzes how the themes of law and government judging and judges human rights and social justice criminal law private law and family and inheritance law are presented through a number of different stories In recounting the compelling narratives of the Hebrew Bible Biblical Judgments exposes their inherent legal tensions and what we can learn about legal dilemmas today **The Word of Truth** Dale Moody,1981-01-16 Bringing together the insights of several disciplines biblical theology modern science biblical criticism textual source form redaction historical theology and the history of doctrine Moody develops a systematic theology that is biblically grounded and ecumenically oriented Thoroughly indexed **The Final Call: Book 1 - Time To Wake Up** Annie Peterson,2019-07-31 Jason Elliott made his decision to be part of the rapture of the Church when he was twelve in a one room Christian school Now a high profile investigative reporter on assignment in Israel he his wife and his team come to realize this age is rapidly coming to an end and it was all foretold in the Bible They discover the prophecies written 2 500 years ago are unfolding today as if written yesterday Will the signing of the Israeli Palestine Peace Agreement mark the beginning of the final seven years to the Battle of Armageddon Is World War III in the Bible Is Armageddon the end of the world In this fast paced mystery Satan does his best to derail him but Jason maintains his Christian values even when he accidentally uncovers the assassination plot of white collar terrorists that make him and his family their targets as if to say Take that Satan The Living Church ,1982 The Story of Original Sin John Toews,2013-01-15 This book traces the history of the interpretation of the disobedience of Adam and Eve in Genesis 3 through the biblical period and the church fathers until Augustine It explains the emergence of the doctrine of original sin with the theology of Augustine in the late fourth century on the basis of a mistranslation of the Greek text of Romans 5 12 The book suggests that it is time to move past Augustine s theology of sin and embrace a different theology of sin that is both more biblical and makes more sense in the postmodern West and in the developing world Library of Congress Subject Headings Library of Congress.
