The Void and the Metaphors Yasunori Sugimura, 2008 This book aims to revise the traditional interpretation of William Golding s fiction The author investigates Golding s complicated metaphors which fluctuate so widely as to make consistent readings almost impossible The study reveals that these fluctuating metaphors are created around a void which is depicted not only as a gap but also as an impenetrable dark spot or a counter gaze The characters in Golding s fiction endeavour to symbolise the void but it ultimately resists symbolisation Mainly from the perspective of semiotics psychoanalysis and philosophy the book looks at the way in which the elements excluded from the symbolic system react against it and leave this void The author then focuses on the void s significance in the creation of unique metaphors

Graham,2016-02-26 Disciplinary Measures from the Metrical Psalms to Milton studies the relationship between English poetry and church discipline in four carefully chosen bodies of poetry written between the Reformation and the death of John Milton Its primary goal is to fill a gap in the field of Protestant poetics which has never produced a study focused on the way in which poetry participates in and reflects on the post Reformation English Church s attempts to govern conduct Its secondary goal is to revise the understandings of discipline which social theorists and historians have offered and which literary critics have largely accepted It argues that knowledge of the early modern culture of discipline illuminates some important poetic traditions and some major English poets and it shows that this poetry in turn throws light on verbal and affective aspects of the disciplinary process that prove difficult to access through other sources challenging assumptions about the means of social control the structures of authority and the practical implications of doctrinal change More specifically Disciplinary Measures argues that while poetry can help us to understand the oppressive potential of church discipline it can also help us to recover a more positive sense of discipline as a spiritual cure Untangling Faith Women's Bible Study Participant Workbook Amberly Neese,2023-04-18 Reclaim your hope Have you ever felt you struggled to find your faith footing Join Amberly Neese in she explores the questions Jesus asked as a way to reclaim that faith Chapters explore our own questions like Can God Be Trusted and How Can I Grow in Faith Amberly s unique humor and wit help the whole group find their way through deep and rich issues of personal faith doubt and growth Components for this six week Bible study each available separately include a Participant Workbook with daily reading and reflection a full Leader Guide to help plan full group sessions and video sessions with six 20 to 25 minute segments with closed captioning **William Golding** Jack I. God, Death, and Religious Teaching William Charlton, 2023-11-25 This is a collection of articles written by the author which range through the Christian doctrines of creation the human soul the Eucharist and life after death which have always been centres of discussion by philosophers and theologians They discuss the right way to approach theological issues They offer a distinctive approach to ethical questions that arise in controversy between different religious traditions and between religious and secular thinkers generally And they consider the place of faith in religious thinking and the weight that should be given to authority and tradition The volume carries a new general introduction to the collection Today's Scripture Guidance Anthony Teran Miller, 2019-09-20 Today s Scripture Guidance contains daily Scripture from the Word of God to guide Believers and those who want to have detailed Holy Spirit guidance Each daily Scripture is received from God through the servant of Jesus prayer to Him The servant of Jesus surrenders to Jesus in prayer each day asking Him to utilize the Holy Spirit to meet God and receive the Scripture that God wants His people to read that day The servant of Jesus also asks that Jesus calls the Holy Spirit to send Spirit taught words through the servant that gives Spirit guidance of the very Word of God This prayer and surrender process is done by the servant of Jesus each day so that every single day of Scripture is from God and every single day of guidance to the Word of God is from the Holy Spirit The Word and the guidance of God s Word is not from the servant of Jesus but is delivered through the servant of Jesus This is the work that Jesus has called this servant to do Amen Today s Scripture Guidance is from the very Word of God It is spoken boldly with Spirit taught words The guidance is there each day to help the readers of God s Word understand the mystery of His Word through words delivered by the Holy Spirit Today s Scripture Guidance delivers daily reading and guidance to strengthen your understanding of the Word of God and to guide you through living your life in a way that pleases God This Guidance will help you to truly understand the Word of God Each day the Word was selected by God and the guidance was delivered with Spirit taught Words from the Holy Spirit Hallelujah **This Visible Kingdom** Kim Y. End-Time Prophecy Made Easy William Lightner, 2018-08-24 I chose the name End Time Prophecy Made Easy because my goal in writing this book was to simplify prophecy for the average layperson Moreover since Prophecy for Dummies was already taken and copy written I had to choose something If you are a biblical scholar or theological genius this book is definitely not for you However if you are one of the millions of regular people who would just like to know more about end time prophecy this book will make things easier to understand and reduce it to the bare bones It explains what the rapture is where it is located in the Bible and who it is directed toward It explains the tribulation judgment seat of Christ wedding banquet of the Lamb and millennium in nontechnical language This book also distinguishes the differences between the nation of Israel the church and the rest of the world describing their parts in each event It takes each end time event and besides describing what each event is puts it on a timeline depicting the order of these events Interestingly to most people this book also points to the various places in the Bible where the United States is mentioned in prophecy Although the United States was not a nation at the time the Bible was written it gives a very extensive and widespread description of this country This description fits the United States to a tee It is so graphically expressive and vivid that as the description is given every other nation on the face of the earth is eliminated At the same time as the portrayal is depicted the case for it pointing to the United States grows It is obviously clear that the United States is this end time nation the Bible portrays *If Anyone Builds It, Everyone Dies* Eliezer Yudkowsky, Nate Soares, 2025-09-16 The scramble to create superhuman AI has put us on the path to extinction but it s not too late to change course as two of the field s earliest researchers explain in this clarion call for humanity May prove to be the most important book of our time Tim Urban Wait But Why In 2023 hundreds of AI luminaries signed an open letter warning that artificial intelligence poses a serious risk of human extinction Since then the AI race has only intensified Companies and countries are rushing to build machines that will be smarter than any person And the world is devastatingly unprepared for what would come next For decades two signatories of that letter Eliezer Yudkowsky and Nate Soares have studied how smarter than human intelligences will think behave and pursue their objectives Their research says that sufficiently smart AIs will develop goals of their own that put them in conflict with us and that if it comes to conflict an artificial superintelligence would crush us The contest wouldn t even be close How could a machine superintelligence wipe out our entire species Why would it want to Would it want anything at all In this urgent book Yudkowsky and Soares walk through the theory and the evidence present one possible extinction scenario and explain what it would take for humanity to survive The world is racing to build something truly new under the sun And if anyone builds it everyone dies The best no nonsense simple explanation of the AI risk problem I ve ever read Yishan Wong Former CEO of Reddit **The Secret**

Trachings of All Ages Manly Palmer Hall, 2020-09-28 NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world but the ageless truths of life like many of the earth's greatest thinkers have usually been clothed in shabby garments The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages To bring about this coalescence of Beauty and Truth has proved most costly but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure Work upon the text of this volume was begun the first day of January 1926 and has continued almost uninterruptedly for over two years The greater part of the research work however was carried on prior to the writing of the manuscript The collection of reference material was begun in 1921 and three years later the plans for the book took definite form For the sake of clarity all footnotes were eliminated the various quotations and references to other authors being embodied in the text in their logical order The bibliography is appended primarily to assist those interested in selecting for future study the most authoritative and important items dealing with philosophy and symbolism To make readily accessible the abstruse information contained in the book an elaborate topical cross index is included I make no claim for either the infallibility or the originality of any statement herein contained I have studied the fragmentary writings of the ancients sufficiently to realize that dogmatic utterances concerning their tenets are worse than foolhardy Traditionalism is the curse of modern philosophy particularly that of the European schools While many of the statements contained in this treatise may appear at first wildly fantastic I have sincerely endeavored to refrain from haphazard metaphysical speculation presenting the material as far as possible in the spirit rather than the letter of the original authors By assuming responsibility only for the mistakes which may appear herein I hope to escape the accusation of plagiarism which has been directed against nearly every writer on the subject of mystical philosophy Having no particularism of my own to promulgate I have not attempted to twist the original writings to substantiate preconceived notions nor have I distorted doctrines in any effort to reconcile the irreconcilable differences present in the various systems of religious philosophic thought The entire theory of the book is diametrically opposed to the modern method of thinking for it is concerned with subjects openly ridiculed by the sophists of the twentieth century Its true purpose is to introduce the mind of the reader to a hypothesis of living wholly beyond the pale of materialistic theology philosophy or science The mass of abstruse material between its covers is not susceptible to perfect organization but so far as possible related topics have been grouped together

William Golding: The Faber Letters

William Golding, 2025-11-04 The remarkable literary collaboration between a Nobel Prizewinning novelist and his editor of more than forty years Three people have been of major importance and influence in my life and you are one of them There is a way in which I am as a writer at least partly your creation William Golding to Charles Monteith In 1953 William Golding's novel *Lord of the Flies* was rescued from a slush pile of unsolicited manuscripts by Charles Monteith a new young editor at the publishing house Faber Faber It went on to sell over 25 million copies Over the next forty years Monteith worked closely

with Golding on every one of his novels These letters tell the story of their remarkable collaboration They chart Golding's transformation from unknown middle aged schoolmaster to knighted Nobel Prizewinner and they tell the story of a deep and mutually rewarding friendship as Dear Monteith and Dear Golding become Dear Charles and Dear Bill In this beautifully produced stitch bound volume Tim Kendall draws on both public and private archives to reveal the relationship between one of the greatest novelists of the twentieth century and his publisher both men who considered themselves for different reasons to be outsiders Their correspondence sheds fascinating light on both the mysteries of the writing process and the vagaries of the literary world Generous amusing acerbic intimate and often irreverent these letters encompass gossip reading recommendations and stories of Greek island adventures as well as detailed discussion of titles characters and Golding's dreadful spelling
