Scotlands Forgotten Valour:

Scotland's Forgotten Valour Graham Ross, William Reid, 1995 An anthology of the personal stories of the Scottish born soldiers who have received the Victoria Cross since it was first established in 1856 This book studies the history of the Victoria Cross from the Scottish perspective The medal has been awarded for acts of extreme gallantry irrespective of rank or status Within the last 300 years the Scots have played a role in every major campaign of the British Army Of the first ten VCs awarded five have been awarded to Scots soldiers **Military History of Scotland** Spiers Edward M.

Spiers, 2014-07-11 The Scottish soldier has been at war for over 2000 years Until now no reference work has attempted to examine this vast heritage of warfare A Military History of Scotland offers readers an unparalleled insight into the evolution of the Scottish military tradition This wide ranging and extensively illustrated volume traces the military history of Scotland from pre history to the recent conflict in Afghanistan Edited by three leading military historians and featuring contributions from thirty scholars it explores the role of warfare in the emergence of a Scottish kingdom the forging of a Scottish British military identity and the participation of Scots in Britain s imperial and world wars Eschewing a narrow definition of military history it investigates the cultural and physical dimensions of Scotland s military past such as Scottish military dress and music the role of the Scottish soldier in art and literature Scotland s fortifications and battlefield archaeology and Scotland s military memorials and museum collections VCs The Sideshows Gerald Gliddon, 2014-08-01 The thirteenth and final volume of the VCs of the First World War series features the lives and careers of forty six servicemen who won the coveted Victoria Cross in theatres of war or Sideshows as they became known beyond the Western Front and Gallipoli Opening with the stories of four VC winners who took part in the prolonged struggle to drive the German Army out of East Africa VCs of the First World War The Sideshows goes on to tell the stories of the two Indian Army winners of the VC defending the North West Frontier Finally it covers the campaigns against the Austro German forces in Italy securing the oil wells in Mesopotamia later Iraq defending the Suez Canal and attacking the Ottoman Army in Palestine and lastly serving in Salonika in the Balkans Each VC winner s act of bravery is recorded here in intricate detail together with the background of the men and their lives after the war if they survived **VCs Passchendaele 1917** Stephen Snelling, 2012-02-29 Of all the costly campaigns fought across the Western Front during the First World War none strikes a more chilling chord than Passchendaele Even now more than ninety years on the very mention of the name is enough to conjure up apocalyptic images of desolation and misery on a quite bewildering scale humanity drowning in a sea of mud Passchendaele has come to serve as a symbol of the folly and futility of war chiefly remembered for its carnage and profligate waste of human lives It also stands as testament to the endurance and extraordinary courage displayed by men of all ranks and nationalities During the 3 1 2 month long struggle which claimed the lives of more than 60 000 British and Commonwealth servicemen 61 men were adjudged to have performed deeds worthy of the Empire s highest award for valour the Victoria Cross Men from Australia

Canada New Zealand and South Africa were among their number alongside men from England Ireland Scotland and Wales They came from all walks of life counting humble privates and for the first time a general among their ranks This is a lasting memorial to a body of men who deserve to be numbered among the bravest of the brave VCs The Final Days 1918 Gerald Gliddon,2014-07-15 The latest volume in the series covering the final days of the war on the Western Front from the Allied Armies being poised to capture the Hindenburg Line to the Armistice on 11 November 1918 The book opens with the stories of seven VC winners who took part in the Battle of the Canal du Nord on 27 September 1918 Despite enemy resistance the British First and Third Armies advanced six miles leading eventually to the successful capture of Cambrai The last period of the war became a series of battles to capture a series of river lines From the Battle of the Canal du Nord until Armistice Day a period of just under six weeks a total of 56 VCs were won in the victorious Allied advance The VC winners came from France and Canada as well

The Victoria Crosses of the Crimean War James W. Bancroft,2017-09-30 All 111 VC recipients of the Crimean War are profiled in this detailed military history with forty five portraits In 1854 Great Britain went to war against the Russia Empire on the Crimean Peninsula To honor the British soldiers who showed extraordinary valor in that conflict the Victoria Cross was introduced Now drawing on four decades of accumulated research historian James Bancroft tells the stories of these first VC recipients for the first time Bancroft describes who the men were how they gained the Victoria Cross and their postwar lives He also includes detailed information on burial places memorials and dates of awards and promotions The 111 men profiled here performed deeds of exceptional courage Among them are heroes who put themselves in mortal danger by picking up live shells that could have blown them apart at any moment gallant troopers who took part in a cavalry charge they knew was doomed and valiant individuals who had the audacity to sneak into unknown territory

The Great Redan at Sebastopol James W. Bancroft,2023-04-06 On 18 June 1855 the 40th anniversary of the Battle of Waterloo British assault troops moved out of their trenches before Sebastopol in the Crimea and attacked the formidable Russian bastion known as the Great Redan They came under such a murderous fire from the Russian defenders that the attack faltered and the British were eventually forced to fall back As they did so they left over 1 000 comrades dead and dying out in the open and at the mercy of enemy snipers The Siege of Sebastopol saw the development of trench warfare for the first time Using eyewitness accounts and unpublished letters the author tells the story of how the men coped with the terrible conditions as they prepared for the assault as well as the events during and after the fighting Among the anecdotes is an officer who had the ingenious idea of warming up cannon balls in the camp fires and taking them into the tents at night to keep warm and he went on to live for over a hundred years Well known for his depth of research the author questions a number of points regarding the Great Redan that are commonly believed to be historical fact Quoting the father of Alexander the Great it was the Russians who soon after the assault on the Great Redan first referred to the British as An army of lions led on by donkeys For over 100 years it was stated in many publications that the most Victoria Crosses awarded for a single

action was the eleven presented for actions during the defense of Rorke's Drift during the Zulu War in 1879. However, as the author reveals, twenty of the lions who fought at the Great Redan received Britain's highest gallantry award in whole or in part for their actions on 18 June 1855. The book includes biographical tributes to many of the men who were killed in action, gives details of the places where they are commemorated, and provides biographies with all the up-to-date information concerning the twenty Victoria Cross recipients.

Victoria Cross Heroes: Volume II Michael Ashcroft, 2016-11-08 Foreword by Lance Sergeant Johnson Beharry VC. THE VICTORIA CROSS is Britain and the Commonwealth's most prestigious gallantry medal for courage in the face of the enemy. It has been bestowed upon 1,355 heroic individuals from all walks of life since its creation during the Crimean War. Lord Ashcroft, who has been fascinated with bravery since he was a young boy, now owns 200 VCs by far the largest collection of its kind in the world. Following on from the bestselling *Victoria Cross Heroes* first published in 2006 to mark the 150th anniversary of the award, *Victoria Cross Heroes Volume II* gives extraordinary accounts of the bravery behind the newest additions to Lord Ashcroft's VC collection: those decorations purchased in the last decade. With nearly sixty action-packed stories of courageous soldiers, sailors, and airmen from a range of global conflicts including the Indian Mutiny of 1857-58, the Second Anglo-Boer War of 1899-1902, and the First and Second World Wars, this book is a powerful testament to the strength of the human spirit and a worthy tribute to the servicemen who earned the Victoria Cross. Their inspirational deeds of valour and self-sacrifice should be championed and never forgotten.

The Seaforth

Highlanders Paul Chrystal, 2025-04-28 Formed in 1881 through the amalgamation of two line infantry regiments, 72nd Regiment and 78th Highland Regiment, the Seaforth Highlanders fought in various late colonial wars in Africa: invasion of Egypt, Mahdist War, 2nd Boer War, and India's Hazara Campaigns and Chitral Expedition. Northwest Frontier, as well as serving in the Far East. In the First World War, its battalions saw service in the Middle East: Mesopotamia, Kut, Baghdad, Palestine, as well as most of the major battles of the Western Front from Le Cateau in 1914 to the breaking of the Hindenburg Line in 1918, and including Aubers Ridge, Messines, 2nd Ypres, The Somme, and Passchendaele. In between the wars, they were involved in colonial policing again on the Northwest Frontier, Palestine, and elsewhere. During the Second World War, 1st Battalion fought in the East throughout Malaya, Burma, India, while 2nd Battalion saw action in the Battle of France and was forced to surrender to Rommel's troops at St. Valéry-en-Caux. A particular strength of this book is the personal story of one of the regiment's soldiers: his time on the North West Frontier and coverage of his four years of captivity and forced labour in PoW camps as suffered by many 2nd Battalion veterans during World War 2. This comes courtesy of exclusive access to this PoW's correspondence home. Meanwhile, the reconstituted 2nd Battalion redeemed itself through its participation in the Second Battle of El Alamein, the invasions of Tunisia, Sicily, and Italy, D-Day, and the Normandy Battles, and the invasion of Germany, operations Veritable and Plunder. Overall, this is an excellent and overdue account of the loyal service and many campaigns and battles of the Seaforth Highlanders Regiment across eighty years from its raising to its amalgamation into the
