Twelve Great Scots and Their Roots Walter Stephen, 2024-03-01 Twelve Great Scots and their Roots brings together People the Great Scots Place where they were shaped and flourished and Fame their legacy None of the Great Scots was born great There is no Robert the Bruce here no Mary Queen of Scots Although Robert III and James I get a mention There are four knights in the list but they all came from modest beginnings and made their way up the greasy pole by native genius and hard work Two of the Great Scots are still alive and it is particularly satisfying that Dr Jim Swire and Lockerbie are given close attention The Great Scots selected may be celebrated in their own fields and internationally but some may be new to some All are interesting in their own way but one or two pose a puzzle Who turned geology upside down What has number 38 in the Periodic Table of Elements to do with a little Highland village What is a thrum What do a great Canadian city and an obscure hamlet in Mull have in common Familiar or not we have twelve interesting places with twelve interesting and sometimes unlikely stories behind them A feature of the book is its emphasis on first hand observation and thinking for oneself based on evidence

Consequently each chapter has a trail so that the reader can check the veracity of the author s stories and even be inspired to cover the ground
