Champlain and Cartier Cora Taylor, 2008 Jeremy's going on more amazing voyages this time with both Canadian explorers Samuel de Champlain and Jacques Cartier and also on what could be a deadly boat race in modern day Australia Jeremy is back home after a holiday in Toronto with his dad and his dad's new wife and he's also back on his incredible travels into the past All he has to do is pick up his grandfather's old magnifying glass look at a stamp with a ship on it and instantly he's on board And he's got lots of reasons for wanting to escape Since he went on his holiday Jeremy's mom has a new boyfriend Ike It's her first boyfriend since she divorced Jeremy's father Jeremy doesn't like Ike very much but he could turn out to be Jeremy's new dad In search of escape Jeremy plunges into new shipboard adventures He almost gets caught on board Samuel de Champlain's ship during its 1606 trip up the St Lawrence River He witnesses Jacques Cartier's turbulent encounters in 1535 with Canada's original First Nations inhabitants And he nearly drowns on a yacht in the infamous Australian Sydney to Hobart race in 1998 during which five boats sink and six people die Jeremy also runs into his own grandfather as a young boy and his own grandson both travellers from their own times and they help each other out of dangerous situations Cora Taylor is one of Canada's best known children's authors She has published more than a dozen juvenile novels Cora's Coteau titles include the very successful Ghost Voyages series and the Spy Who Wasn't There series which includes Adventures in Istanbul and Murder in Mexico as well as her latest book Chaos in China
