## **Scottie Pippen:**

*Unguarded* Scottie Pippen, 2022-10-04 An unflinching memoir from the six time NBA Champion two time Olympic gold medalist and Hall of Famer revealing how Scottie Pippen the youngest of twelve overcame two family tragedies and universal disregard by college scouts to become an essential component of the greatest basketball dynasty of the last fifty years So how did the youngest of twelve go from growing up poor in the small town of Hamburg Arkansas enduring two family tragedies along the way to become a revered NBA legend How did the scrawny teen overlooked by every major collegiate basketball program go on to become the fifth overall pick in the 1987 NBA Draft And perhaps most compelling how did Pippen set aside his ego and his own limitless professional ceiling in order for the Bulls to become the most dominant basketball dynasty of the last half century In *Unguarded* Pippen reveals never before told stories about some of the most famous games in league history including the 1994 playoff game against the New York Knicks when he took himself out with 18 seconds to go He discusses what it was like dealing with Jordan on a day to day basis while serving as the facilitator for the offense and the anchor for the defense On the 30th anniversary of the Bulls first championship Pippen is finally giving millions of adoring basketball fans what they crave a raw unvarnished look into his life and role within one of the greatest most popular teams of all time

drafted surprisingly as the fifth overall pick by the Seattle Supersonics before being traded on draft night to the Chicago Bulls. He would become a central figure alongside Michael Jordan in the Bulls' historic championship runs of the 90s. Even after the Bulls dynasty dismantled, Scottie would impress as he spent the later part of his career seeking championship number seven as part of the Portland Trail Blazers. Read on to learn about the days of when Scottie Pippen played alongside Michael Jordan, Dennis Rodman, Toni Kukoc, Ron Harper, and Steve Kerr in some of the greatest times of Chicago Bulls basketball history. Here is a preview of what is inside this book: Childhood and High School Years, College Years at the University of Central Arkansas, Scottie's NBA Career, Pippen's Personal Life, Scottie Pippen's Impact on Basketball, Pippen's Most Memorable Moments, Pippen's Legacy, Future. An excerpt from the book: Tom and Jerry, Lone Ranger and Tonto, Sherlock Holmes and Dr. Watson, Batman and Robin, Jordan and Pippen. It's hard to describe a man who many have believed was a mere sidekick to Michael Jordan. However, like Jerry, Tonto, Dr. Watson, and Robin, Scottie Pippen also established a name for himself in the game of basketball. Most of his career happened in the shadows of Jordan, and people fail to realize that without Pippen, Chicago potentially would not have created the winning Bulls dynasty. Pippen once said, "Sometimes a player's greatest challenge is coming to grips with his role on the team. He not only came to grips with his role but embraced it quietly, racking up impressive statistics while giving his teammates the spotlight." The 6-time NBA Champion and all-time leader in steals and assists among forwards is one of the most versatile players in NBA history. Although Pippen averaged over 20 points a game along with 7 rebounds, he was continually overshadowed by the shooting guard god, Jordan. It wasn't until Pippen was charged with guarding Magic Johnson in the 1991 NBA Finals that everyone began to take notice and see Pippen in his own right. The world soon began to uncover the mystery surrounding Pippen's rise to fame in the basketball world. In the height of his prime, Pippen made 10 consecutive All-NBA First Defensive teams and was only one of three NBA players to record 200 steals and 100 blocks in a single season. He was known to block the lanes of opposing teams with his unusually long wingspan (2.2m) and jumping ability. Coach Phil Jackson once described him as a "one-man wrecking crew." His tireless work ethic and selfless playing style often resulted in him leading the Bulls in blocks and assists. He finished 23rd in all-time assists in his career. Pippen is truly one of the league's greatest treasures, and few players in NBA history have actually matched his versatility. He was an incredibly unique player. On defense, he combined his height with strength and athleticism, and there was no area he didn't excel in.
