David M. Addison,2011-05-10 When in 1978 as a participant in a teacher exchange programme the author accompanied by his wife and young family exchanged his boring existence in Grangemouth in central Scotland for life in Missoula Montana in the western United States he could not have foreseen just how much of a life changing experience it would be not just for him and his family but for his exchangee as well He was prepared for a less formal atmosphere in the classroom while for their part his students had been warned that he would be Mr Strict It was not long before this clash of cultures reared its ugly head and the author found himself in big trouble But as he had found out from the very instant he arrived on the continent just because we share a common language it doesnt mean Americans do things the same way And the Montanans he was to discover do things more differently still There were times in the beginning when he wished he had stayed at home in his boring but safe existence in Scotland and there were times when life got more than just a little bit too exciting for comfort But mainly this is a heart warming and humorous tale of how this Innocent abroad confronted with one culture shock after another overcame his trials and tribulations and thanks to a whole array of colourful and kind people finally came to realise that this exchange was the best thing he had ever done The Future of Scotland Robert Underwood,2021-10-12 Originally published in 1977 at a time when Scottish affairs were in a state of flux as the debate over political devolution and self government was pursued this book deals with key features of Scottish development It explores the main issues which were then being considered in the planning of Scotland s future The contributors discuss the issues from a global perspective using Scotland as an occasion for detailed focus Fodor's Scotland Michael Gonzalez,Shona Main,2010 Includes

HomeBaking Jeffrey Alford,Naomi Duguid,2016-10-21 Home baking may be a humble art but its roots are deeply planted On an island in Sweden a grandmother teaches her granddaughter how to make slagbrot a velvety rye bread just as she was taught to make it by her grandmother many years before In Portugal village women meet once each week to bake at a community oven while the large stone oven heats up children come running for sweet sugary flatbreads made specially for them In Toronto Naomi makes her grandmother s recipe for treacle tart and Jeffrey makes the truck stop cinnamon buns he and his father loved From savory pies to sweet buns from crusty loaves to birthday cake from old world apple pie to peanut cookies to custard tarts these recipes capture the age old rhythm of turning simple ingredients into something wonderful to eat HomeBaking rekindles the simple pleasure of working with your hands to feed your family And it ratchets down the competitive demands we place on ourselves as home cooks Because in striving for professional results we lose touch with the pleasures of the process with the homey and imperfect with the satisfaction of knowing that you can as a matter of course prepare something lovely and delicious and always have a full cookie jar or some homemade cake on hand to offer Jeffrey Alford and Naomi Duguid collected the recipes in HomeBaking at their source from farmhouse kitchens in northern France to bazaars in Fez They traveled tens of thousands of miles to six continents in search of everyday gems such as Taipei Coconut Buns Welsh Cakes Moroccan Biscotti and Tibetan Overnight Skillet Breads They tasted interpreted photographed and captured not just the recipes but the people who made them as well Then they took these spot on flavors of far away and put them side by side with cherished recipes from friends and family closer to home The result is a collection of treasures cherry strudel from Hungary stollen from Germany bread pudding from Vietnam anise crackers from Barcelona More than two hundred recipes that resonate with the joys and flavors of everyday baking at home and around the world Inexperienced home bakers can confidently pass through the kitchen doors armed with Naomi and Jeffrey s calming and easy to follow recipes A relaxed easy handed approach to baking is they insist as much a part of home baking traditions as are the recipes themselves In fact it s often the last minute recipes semonlina crackers a free form fruit galette or a banana coconut loaf that offer the most unexpected delights Although many of the sweets and savories included here are the products of age old oral traditions the recipes themselves have been carefully developed and tested designed for
