

# SCOTTISH POPULAR POLITICS

From Radicalism to Labour

W. HAMISH FRASER

# Scottish Popular Politics

**Graeme Morton**

## **Scottish Popular Politics:**

**Scottish Popular Politics** W. Hamish Fraser, 2000 This book traces the Scottish route from radical protest at the end of the eighteenth century to the formation and development of the Labour Party through to 1922 when Labour became the largest party in Scotland **Protest, Resistance and Popular Politics in Late Medieval Scotland** Gordon

McKelvie, 2025-07-23 This book is the first sustained analysis of popular politics in Scotland during the fourteenth and fifteenth centuries Despite the long running historiography on popular protests in both England and continental Europe there has been little discussion of this phenomenon in Scotland in part because historians specialising in Scotland have paid little attention to the phenomenon of popular revolt save an occasional comment in wider studies There were no large scale popular uprisings in Scotland like the Peasants Revolt in England the Jacquerie in France or the Ciompi in Florence but that does not mean that the wider populace was not politically engaged Indeed many of the key sources for late medieval Scotland including The Bruce Scotichronicon The Dethe of the Kynge of Scotis and the records of the Scottish parliament all contain hints of popular political engagement It is only when these sources are read with a focus on the lower echelons of society that a clearer picture of a populace with political ideals they sought to uphold emerges *Liberty, Property and Popular Politics* Gordon Pentland, 2015-12-11 This collection in honour of an internationally renowned scholar who had shaped both scholarly and popular understandings of the period comprises fourteen chapters written by specialists in the period and provides an appealing and illuminating cross section of current research *The Oxford Handbook of Modern Scottish History* T. M. Devine, Jenny Wormald, 2012-01-26 Over the last three decades major advances in research and scholarship have transformed understanding of the Scottish past In this landmark study some of the most eminent writers on the subject together with emerging new talents have combined to produce a large scale volume which reconsiders in fresh and illuminating ways the classic themes of the nation's history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Such major themes as the Reformation the Union of 1707 the Scottish Enlightenment clearances industrialisation empire emigration and the Great War are approached from novel and fascinating perspectives but so too are such issues as the Scottish environment myth family criminality the literary tradition and Scotland's contemporary history All chapters contain expert syntheses of current knowledge but their authors also stand back and reflect critically on the questions which still remain unanswered the issues which generate dispute and controversy and sketch out where appropriate the agenda for future research The Handbook also places the Scottish experience firmly into an international historical perspective with a considerable focus on the age old emigration of the Scottish people the impact of successive waves of immigrants to Scotland and the nation's key role within the British Empire The overall result is a vibrant and stimulating review of modern Scottish history essential reading for students and scholars alike **Public**

**Opinion in Early Modern Scotland, c.1560-1707** Karin Bowie, 2020-12-17 Reveals the dynamics and rise in prominence of

Scottish public opinion in a period of religious and constitutional tension      **Politics and Society in Scotland** Alice Brown, David McCrone, Lindsay Paterson, 1998-11-11 Substantially revised and rewritten in the light of the 1997 General Election and Devolution referendum the 2nd edition of this widely used text provides an up to date assessment of Scottish politics under Blair and the likely impact of the new Scottish Parliament The book focuses in particular on Scotland's constitutional position within the UK its system of policy making the nature of the Scottish economy and the changing patterns of party electoral and grass roots politics An important feature is its focus throughout on the relationship between culture identity and ethnicity and that between politics and civil society as it has developed since the Act of Union in 1707

**British Jacobin Politics, Desires, and Aftermaths** James Epstein, David Karr, 2021-01-31 This book explores the hopes desires and imagined futures that characterized British radicalism in the 1790s and the resurfacing of this sense of possibility in the following decades The articulation of Jacobin sentiments reflected the emotional investments of men and women inspired by the French Revolution and committed to political transformation The authors emphasize the performative aspects of political culture and the spaces in which mobilization and expression occurred including the club room tavern coffeehouse street outdoor meeting theater chapel courtroom prison and convict ship America imagined as a site of republican citizenship and New South Wales experienced as a space of political exile widened the scope of radical dreaming Part 1 focuses on the political culture forged under the shifting influence of the French Revolution Part 2 explores the afterlives of British Jacobinism in the year 1817 in early Chartist memorialization of the Scottish martyrs of 1794 and in the writings of E P Thompson The relationship between popular radicals and the Romantics is a theme pursued in several chapters a dialogue is sustained across the disciplinary boundaries of British history and literary studies The volume captures the revolutionary decade's effervescent yearning and its unruly persistence in later years      Scottish Presbyterianism and Settler Colonial Politics Valerie Wallace, 2018-02-01 This book offers a new interpretation of political reform in the settler colonies of Britain's empire in the early nineteenth century It examines the influence of Scottish Presbyterian dissenting churches and their political values It re-evaluates five notorious Scottish reformers and unpacks the Presbyterian foundation to their political ideas Thomas Pringle 1789-1834 a poet in Cape Town Thomas McCulloch 1776-1843 an educator in Pictou John Dunmore Lang 1799-1878 a church minister in Sydney William Lyon Mackenzie 1795-1861 a rebel in Toronto and Samuel McDonald Martin 1805-1848 a journalist in Auckland The book weaves the five migrants' stories together for the first time and demonstrates how the campaigns they led came to be intertwined The book will appeal to historians of Scotland Britain Canada Australia New Zealand South Africa the British Empire and the Scottish diaspora      **The Scottish People and the French Revolution** Bob Harris, 2015-09-30 Presents a study of the political culture of Scotland in the 1790s This book compares the emergence of the people as a political force with popular political movements in England and Ireland It analyses Scottish responses to the French Revolution across the political spectrum explaining Loyalist as well as Radical

opinions and organisations      *Impaled Upon a Thistle: Scotland since 1880* Ewen Cameron, 2010-03-30 Ewen Cameron explores the political debate between unionism liberalism socialism and nationalism and the changing political relationship between Scotland and the United Kingdom He sets Scottish experience alongside the Irish Welsh and European and considers British dimensions of historical change involvement in two world wars imperial growth and decline for example from a Scottish perspective He relates political events to trends and movements in the economy culture and society of the nation s regions borders lowlands highlands and islands Underlying the history and sometimes impelling its ambitions are the evolution and growth of national self confidence and identity which fundamentally affected Scotland s destiny in the last century Dr Cameron ends by considering how such forces may transform it in this one Like the period it describes this book has politics at its heart The recent upsurge of scholarship and publication backed by the author s extensive primary research underpin its vivid and well paced narrative      *The Oxford Handbook of the English Revolution* Michael J.

Braddick, 2015-03-05 This Handbook brings together leading historians of the events surrounding the English revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of the each of the Three Kingdoms England Scotland and Ireland It captures a shared British and Irish history comparing the significance of events and outcomes across the Three Kingdoms In doing so the Handbook offers a broader context for the history of the Scottish Covenanters the Irish Rising of 1641 and the government of Confederate Ireland as well as the British and Irish perspective on the English civil wars the English revolution the Regicide and Cromwellian period The Oxford Handbook of the English Revolution explores the significance of these events on a much broader front than conventional studies The events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and political thought social relations and standard forms of cultural expression The contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis The Handbook goes on to explore the long term legacies of the crisis in the Three Kingdoms and their impact in a wider European context      Scotland Jenny Wormald, 2005      **New Perspectives on the Politics and Culture of Early Modern Scotland**

John Dwyer, Roger A. Mason, 2021-12-01 This collection of essays on early modern Scotland offers new perspectives on aspects of Scottish history from 1560 to 1800 Some essays challenge accepted interpretations others explore subjects and sources that have previously not attracted the attention of historians all represent new research on Scottish history from the Reformation to the Enlightenment They indicate renewed interest in an age crucial to the development of modern Scotland Contents Rex Stolicus George Buchanan James VI and the Scottish Polity Scotland Antichrist and the Invention of Great Britain Scottish Gaeldom 1638 1651 The Vernacular Response to the Covenanting Dynamic The Military and Ministers as Agents of Presbyterian Imperialism in England and Ireland 1640 1648 Sackcloth for the Sinner or Punishment for the Crime Church and Secular Courts in Cromwellian Scotland York in Edinburgh James VII and the Patronage of Learning in Scotland

1679 1688 The Polite Academy and the Presbyterians 1720 1770 Moderates Managers and Popular Politics in mid 18th century Edinburgh The Drysdale Bustle of the 1760s Paradigms and Politics Manners Morals and the Rise of Henry Dundas 1770 1784 Rethinking Das Adam Smith Problem Childhood and Society in 18th Century Scotland The Heavenly City of the 18th Century Moderate Divines      **Rethinking the Scottish Revolution** Laura A. M. Stewart, 2018-11-08 The English revolution is one of the most intensely debated events in history parallel events in Scotland have never attracted the same degree of interest Rethinking the Scottish Revolution argues for a new interpretation of the seventeenth century Scottish revolution that goes beyond questions about its radicalism and reconsiders its place within an overarching British narrative In this volume Laura Stewart analyses how interactions between print and manuscript polemic crowds and political performances enabled protestors against a Prayer Book to destroy Charles I's Scottish government Particular attention is given to the way in which debate in Scotland was affected by the emergence of London as a major publishing centre The subscription of the 1638 National Covenant occurred within this context and further politicized subordinate social groups that included women Unlike in England however public debate was contained A remodelled constitution revived the institutions of civil and ecclesiastical governance enabling Covenanted Scotland to pursue interventionist policies in Ireland and England albeit at terrible cost to the Scottish people War transformed the nature of state power in Scotland but this achievement was contentious and fragile A key weakness lay in the separation of ecclesiastical and civil authority which justified for some a strictly conditional understanding of obedience to temporal authority Rethinking the Scottish Revolution explores challenges to legitimacy of the Covenanted constitution but qualifies the idea that Scotland was set on a course to destruction as a result Covenanted government was overthrown by the new model army in 1651 but its ideals persisted In Scotland as well as England the language of liberty true religion and the public interest had justified resistance to Charles I The Scottish revolution embedded a distinctive and durable political culture that ultimately proved resistant to assimilation into the nascent British state      **Red Scotland!** William Kenefick, 2007-07-16 An excellent resource for teaching and learning this book explores the rise and decline of left radicalism in Scotland c 1872 to 1932 A journey through these turbulent times observes the response of Scottish artisans to legal restrictions on trade union activities in the 1870s trade union formation among the unskilled from the late 1880s and the origins and impact of the Scottish socialist movement The Labour movement in Scotland was to face many new challenges by the twentieth century During the era of Red Scotland 1910 to 1922 we see Scottish workers fully engaged in the labour and social unrest in the years before the Great War monitor the incubation of workers grievances during the war see the growth of the anti war movement and the influence of revolutionary politics from 1918 and witness Scottish Labour on the threshold of an extraordinary political breakthrough by 1922 The 1920s saw the rapid rise of Labour but growing unemployment and a massive emigration of Scottish workers helped to fragment the left and set in motion the decline of left radicalism in Scotland This book represents a major and up to

date survey of the most dramatic years in the history of Scottish Labour      **Beside the Bard** George S. Christian,2020-03-13 *Beside the Bard* argues that Scottish poetry in the age of Burns reclaims not a single past dominated and overwritten by the unitary national language of an elite ruling class but a past that conceptualizes the Scottish nation in terms of local self identification linguistic multiplicity cultural and religious difference and transnational political and cultural affiliations This fluid conception of the nation may accommodate a post Union British self identification but it also recognizes the instrumental and historically contingent nature of Britishness Whether male or female loyalist or radical literati or autodidacts poets such as Alexander Wilson Carolina Olyphant Robert Tannahill and John Lapraik among others adamantly refuse to imagine a single nation British or otherwise instead preferring an open polyvocal field on which they can stage new national and personal formations and fight new revolutions In this sense Scotland is a revolutionary category always subject to creative destruction and reformation Published by Bucknell University Press Distributed worldwide by Rutgers University Press      **History of Everyday Life in Scotland, 1800 to 1900** Graeme Morton,2010-08-31 This volume explores the experience of everyday life in Scotland over two centuries characterised by political religious and intellectual change and ferment It shows how the extraordinary impinged on the ordinary and reveals people s anxieties joys comforts passions hopes and fears It also aims to provide a measure of how the impact of change varied from place to place The authors draw on a wide range of primary and secondary sources including the material survivals of daily life in town and country and on the history of government religion ideas painting literature and architecture As B S Gregory has put it everyday history is an endeavour that seeks to identify and integrate everything all relevant material social political and cultural data that permits the fullest possible reconstruction of ordinary life experiences in all their varied complexity as they are formed and transformed      **Restless Revolutionaries** Clive Bloom,2016-08-12 From regicides to revolutionaries from fascists to anarchists from Tom Paine to Tom Wintringham this book is a history of noble ideals and crushing failures in which Clive Bloom takes us on a journey through British history exploring our often rocky relationship with the ruling elite A History of Britain s Fight for a Republic reveals our surprising legacy of terrorism and revolution reminding us that Britain has witnessed centuries of revolt This is a history encompassing three bloody civil wars in Ireland the bombing campaigns by the IRA two Welsh uprisings one Lowland Scottish civil war uprisings in Derbyshire and Kent five attempts to assassinate the entire cabinet and seize London and numerous attempts to murder the royal family This new and revised edition takes the story of modern monarchy back to its origins in the Anglo Saxon kingdoms and forward to the reign of Charles III and includes the story of the continuing struggle for democratic rights and republican values from medieval times up to the present struggle for Scottish and Welsh independence      **Scotland, empire and decolonisation in the twentieth century** Bryan Glass,John M. MacKenzie,2017-03-01 This volume represents one of the first attempts to examine the connection between Scotland and the British empire throughout the entire twentieth century As the century dawned the

Scottish economy was still strongly connected with imperial infrastructures like railways engineering construction and shipping and colonial trade and investment By the end of the century however the Scottish economy its politics and its society had been through major upheavals which many connected with decolonisation The end of empire played a defining role in shaping modern day Scotland and the identity of its people Written by scholars of distinction these chapters represent ground breaking research in the field of Scotland s complex and often changing relationship with the British empire in the period The introduction that opens the collection will be viewed for years to come as the single most important historiographical statement on Scotland and empire during the tumultuous years of the twentieth century A final chapter from Stuart Ward and Jimmi stergaard Nielsen covers the 2014 referendum

**A Nation of Petitioners** Henry J. Miller, 2023-02-09 Between 1780 and 1918 over one million petitions from across the four nations were sent to the House of Commons A Nation of Petitioners is the first study of this nineteenth century heyday of petitioning in the United Kingdom It explores how ordinary men and women engaged with politics in an era of democratisation but not democracy and restores their voices and actions to the story of UK political culture Drawing on more than a million petitions as well as archives of leading politicians institutions and pressure groups Henry J Miller demonstrates the centrality of petitions and petitioning to mass campaigning representation collective action and forging collective identities at the local and national level From the early nineteenth century the massive growth of petitions underpinned and reshaped the popular authority of the UK state including Parliament the monarchy and government Challenging accounts that have stressed disciplinary or exclusionary processes in the evolution of popular politics A Nation of Petitioners conclusively establishes the importance of the mass participation of ordinary people through petitions

## **Scottish Popular Politics Introduction**

In today's digital age, the availability of Scottish Popular Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Scottish Popular Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Scottish Popular Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Scottish Popular Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Scottish Popular Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Scottish Popular Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Scottish Popular Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Scottish Popular Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Scottish Popular Politics books and manuals for download and embark on your journey of knowledge?

## **FAQs About Scottish Popular Politics Books**

1. Where can I buy Scottish Popular Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Scottish Popular Politics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Scottish Popular Politics books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Scottish Popular Politics audiobooks, and where can I find them? Audiobooks: Audio recordings of books,

perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
