**Scott-King's Modern Europe** Evelyn Waugh, 1949

**SCOTT-KING'S MODERN EUROPE** Evelyn Waugh, 2023-06-01

Scott King's *Modern Europe* is a satire on post 1945 totalitarianism. The story sets out in particular Waugh's attitudes towards communism in the Balkans and is plainly also an attack on the drabness of the continent following the Second World War. Today the Struggle Katharine Bail Hoskins, 2014-11-06. Many writers from Aristophanes to Joseph Heller have written about politics. But at certain periods in history, often at times of conflict and turmoil, writers have consciously used their literary talents to support or oppose a specific cause. The 1930s, a decade of widespread social and political breakdown, was such a period. *Today the Struggle* examines the political involvement of those leading British writers who dedicated their talents to the defense of Nationalists or Loyalists during the Spanish Civil War and who saw that war as symbolic of their own Right Left dialogue. Conservatives like William Butler Yeats and T. S. Eliot and Roman Catholics like Evelyn Waugh were passionately anti-Communist. They viewed fascism as a bulwark against communism but were unwilling to support the Franco cause actively. Other pro-Nationalists were not so hesitant. Roy Campbell and Wyndham Lewis were ardent participants in the fight against the British left wing. Pro-Loyalists united only in their antifascism, ranged from conservative to anarchist in political commitment. Their literary contributions included fine poems by W. H. Auden and Stephen Spender, experimental drama by Auden and Christopher Isherwood, and impassioned prose by Rex Warner, George Orwell, and Aldous Huxley. Katharine Hoskins's principal interest in *Today the Struggle* is to discover how and why certain writers supported specific political actions, to ascertain the effectiveness of their efforts, and to evaluate the influence of these efforts on their work.

*Evelyn Waugh* Martin Stannard, 2013-04-15. This set comprises 40 volumes covering nineteenth and twentieth century European and American authors. These volumes will be available as a complete set, mini-boxed sets by theme, or as individual volumes. This second set complements the first 68 volume set of *Critical Heritage* published by Routledge in October 1995.

**The Complete Stories** Evelyn Waugh, 2012-12-11. A lavishly entertaining Publishers Weekly distillation of Waugh's genius, abundant evidence that one of the twentieth century's most admired and enjoyed English novelists was also a master of the short form. Evelyn Waugh's short fiction reveals in miniaturized perfection the elements that made him the greatest satirist of the twentieth century. The stories collected here range from delightfully barbed portraits of the British upper classes to an alternative ending to Waugh's novel *A Handful of Dust*, from a missing chapter in the life of Charles Ryder, the nostalgic hero of *Brideshead Revisited*, to a plot-packed morality tale that Waugh composed at a very tender age, from an epistolary lark in the voice of a young lady of leisure to a darkly comic tale of scandal in a remote and imaginary African outpost.

**The Vocation of Evelyn Waugh** D. Marcel DeCoste, 2016-03-09. Arguing against the critical commonplace that Evelyn Waugh's post-war fiction represents a decline in his powers as a writer, D. Marcel DeCoste offers detailed analyses of

Waugh's major works from *Brideshead Revisited* to *Unconditional Surrender* Rather than representing an ill advised departure from his true calling as an iconoclastic satirist DeCoste suggests these novels form a cohesive artful whole precisely as they explore the extent to which the writer's and the Catholic's vocations can coincide For all their generic and stylistic diversity these novels pursue a new sustained exploration of Waugh's art and faith both As DeCoste shows Waugh offers in his later works an under remarked meditation on the dangers of a too avid devotion to art in the context of modern secularism forging in the second half of his career a literary achievement that both narrates and enacts a contrary and Catholic literary vocation     The Conservative Mind Russell Kirk, 2001-09-01 The book that launched the modern American conservative movement now available in trade paperback     **Pikareske Thematik im Romanwerk Evelyn Waugh's**, 1973  
*Catalogue* Paul C. Richards, Autographs,     *The Bookseller* ,1956     **Antiquarian Bookman** ,1966     **Spanish Newsletter** ,1947     Time & Tide Helen A. Archdale, Margaret Haig Thomas Mackworth (Viscountess Rhondda), 1948
