In golf nowhere is the mental strain more apparent than at the closing stages of a major championship. The crowd absorbed in every shot conveys the tension to the players who are also involved in another contest: the mind game. Before missing the most notorious putt in the history of the Open Championship, Doug Sanders was already thinking of which side of the gallery he would turn to first to acknowledge the applause. When he missed a three-foot putt that would have won him the old silver claret jug, there was no applause. Instead, people reacted as if they had just witnessed a terrible accident, which in a sporting context they had. It was Jack Nicklaus rather than Sanders who went for the jugular and in the process took possession of the jug. The line between victor and victim can be measured not only in millions of dollars but also in fractions of inches. One minute you're on cloud nine. Sam Snead remarked: *The Golf 100* Robert McCord, 2001. Profiling golf's best players past and present, this book features appendices with records and notable achievements of each player, 100 photos. *Bench & Bar*, 1997. *Mark McCormack's World of Professional Golf* Mark H. McCormack, 1987-03. The twenty-first annual edition of the ultimate golf reference book with complete tournament and tour information and statistics from the 1986 season, 64 pages of black and white photographs. *Independent Banker*, 2007. **Business Week**, 2001. **UA Journal**, 2009.
