Jasmine Zumideh Needs a Win Susan Azim Boyer, 2022-11-01 Most Anticipated YA by Buzzfeed BookRiot Epic Reads Publishers Weekly and more. A fresh spin on the cult classic *Election* meets *Darius the Great Is Not Okay* in *Jasmine Zumideh Needs a Win* when an international incident crashes into a high school election and Jasmine is caught between doing the right thing and chasing her dream. It's 1979 and Jasmine Zumideh is ready to get the heck out of her stale Southern California suburb and into her dream school NYU where she'll major in journalism and cover New York City's exploding music scene. There's just one teeny problem. Due to a deadline snafu, she maaaaaybe said she was Senior Class President Elect on her application before the election takes place. But honestly, she's running against Gerald Thomas, a rigid rule follower whose platform includes reinstating a dress code; there's no way she can lose. And she better not or she'll never get into NYU. But then a real life international incident turns the election upside down. Iran suddenly dominates the nightly news and her opponent seizes the opportunity to stir up anti-Iranian hysteria at school and turn the electorate against her. Her brother Ali is no help. He's become an outspoken advocate for Iran just as she's trying to downplay her heritage. Now as the white lie she told snowballs into an avalanche, Jasmine is stuck between claiming her heritage or hiding it, standing by her outspoken brother or turning her back on him, winning the election or abandoning her dreams for good. Told with biting insight and fierce humor, Susan Azim Boyer's *Jasmine Zumideh Needs a Win* is a fresh, unforgettable story of one Iranian American young woman's experience navigating her identity, friendship, family, her future, and a budding romance, all set against life-changing historical events with present-day relevance.
