characters how to adapt a novel a play or an article for the screen the three ways to claim legal ownership of your work tips for allowing your creative self to break free when you hit the wall how to overcome writer s block forever Featuring expert analysis of popular films including Pulp Fiction Thelma Louise and the Lord of the Rings trilogy The Essential Screenplay will transform your initial idea into a screenplay that s destined for success and maybe even Cannes Praise for Syd Field The most sought after screenwriting teacher in the world The Hollywood Reporter Syd Field is the preeminent analyzer in the study of American screenplays James L Brooks Academy Award winning writer director producer      **Screenwriters** José Guilherme Correa,2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script As a former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited      *The Joseph M.
