Scriptural Authority And Narrative Interpretation:

Scriptural Authority and Narrative Interpretation Garrett Green, 2000-09-29 The authority of scripture as it intersects with hermeneutical questions about the character of biblical narrative is considered here by ten well respected theologians The essays in this volume derive from or are in response to the theological agenda of Hans W Frei and are being presented in honor of him in recognition of his sixty fifth birthday *Scripture, Metaphysics, and Poetry* Robert MacSwain, 2016-04-01 This book offers a critical edition of arguably the greatest work of English theology in the 20th century Austin Farrer's Bampton Lectures published as *The Glass of Vision* in 1948 Farrer was an interdisciplinary genius who made original contributions to philosophy theology and biblical studies as well as to our understanding of the role of imagination in human thought and Christian doctrine According to Farrer the three primary themes of these lectures are scripture metaphysics and poetry individually and in relation to each other The lectures defend his famous theory of divine revelation through images rather than propositions or events a provocative account of the place of metaphysical reasoning in theology and a literary approach to the Biblical text that was decades ahead of its time and is still controversial *The Glass of Vision* has generated a rich and interesting interdisciplinary conversation that has lasted for decades starting with commentators such as Helen Gardner and Frank Kermode In addition to Farrer's full text this critical edition also contains an introduction to the significance and context of Farrer's thought and a selection of thirty years worth of commentary by leading British and European theologians and literary scholars David Brown Ingolf Dalferth Hans Haug Douglas Hedley David Jasper and Gerard Loughlin Of interest to literary and biblical scholars theologians and philosophers this book holds particular value for those exploring the nature of imagination in contemporary thought and scholarship *Narrative Theology and the Hermeneutical Virtues* Jacob L. Goodson, 2015-01-21 In *Narrative Theology and the Hermeneutical Virtues* Humility Patience Prudence Jacob L Goodson offers a philosophical analysis of the arguments and tendencies of Hans Frei's and Stanley Hauerwas narrative theologies Narrative theology names a way of doing theology and thinking theologically that is part of a greater movement called the return to Scripture The return to Scripture movement makes a case for Scripture as the proper object of study within Christian theology philosophy of religion and religious ethics While thinkers within this movement agree that Scripture is the proper object of study within philosophy and religious studies there is major disagreement over what the word narrative describes in narrative theology The Yale theologian Hans Frei argues that because Scripture is the proper object of study within Christian theology and the philosophy of religion Scripture must be the exclusive object of study To think theologically means paying as close attention as possible to the details of the biblical narratives in their literal sense Different from Frei's contentions the Christian ethicist at Duke University Stanley Hauerwas claims if Scripture is the proper object of study within Christian theology then the category of narrative teaches us that we ought to give our scholarly attention to the interpretations and performances of Scripture Hauerwas emphasizes the continuity between the biblical

narratives and the traditions of the church This disagreement is best described as a hermeneutical one Frei thinks that the primary place where interpretation happens is in the text Hauerwas thinks that the primary place where interpretation occurs is in the community of interpreters In order to move beyond the dichotomy found between Frei's and Hauerwas' work but to remain within the return to Scripture movement Goodson constructs three hermeneutical virtues humility patience and prudence These virtues help professors and scholars within Christian theology philosophy of religion and religious ethics maintain objectivity in their fields of study

Revelation, Scripture and Church Richard R. Topping, 2016-04-08 How does God's involvement with the generation of Holy Scripture and its use in the life of the Christian church figure into the human work of Scripture interpretation This is the central question that this book seeks to address In critical conversation with the influential hermeneutic programs of James Barr Paul Ricoeur and Hans Frei Topping demonstrates how God's agency has been marginalized in the task of Scripture interpretation Divine involvement with the Bible is bracketed out Barr rendered in generic terms Ricoeur or left implicit Frei in these depictions of the hermeneutic field The result is that each of these hermeneutic programs is less than a realist interpretative proposal Talk of God is eclipsed by the terminal consideration of human realities Topping argues for the centrality of doctrinal description in a lively theological understanding of Scripture interpretation for the life of the church

Theology Out of Place Lynne Price, 2002-10-15 As a theological biography of Professor Walter J Hollenweger this book surveys his extensive interests varied methods and wide ranging reflection But Price also incorporates an enquiry into the nature and function of western academic theology relating to to Christian practice today Hollenweger's research into Pentecostalism Ecumenism and Intercultural Theology is here brought together in a synthetic overview Issues such as the unity and diversity of the Bible and its interpretations the particular and universal dimensions of worldwide Christianity and relations between Christians and between Christians and the others are all exploited in order to stimulate fresh thinking on the mission of the churches

creative theoretical concerns with practical questions about how we read biblical texts The Bible as Word of God Terence Fretheim, Karlfried Froehlich, 2001-12-26 How is the Bible authoritative in this postmodern age In this exchange from the 1995 Hein Fry Lectures Series Fretheim and Froehlich mount important though divergent analyses of the contemporary situation regarding Scripture and suggest varying strategies to meet it What does it mean to say that Scripture has authority for Christian faith and life in light of contemporary forms of biblical criticism How do we understand a biblical text to be the Word of God when the meaning of the text can vary depending on the perspective of the reader hearer Given the profound hermeneutical challenges of our time how does Scripture serve as a guide in worship doctrine preaching and ethical decision making for the people of God From the Foreword Kingdom Come Jason Byassee, Jeremy Kidwell, Jonathan Wilson-Hartgrove, Leah Wilson-Hartgrove, 2022-09-19 For four decades the Rev Dr Jonathan R Wilson has cultivated an imagination for kingdom realism as a pastor teacher theologian and friend To celebrate his seventieth birthday Kingdom Come has gathered reflections from fellow theologians popular authors poets and practitioners to mark both the range of Wilson s influence on the Christian church and the consistency of his prayer and work for God s kingdom to come here on earth as it is in heaven With contributions from Isaac Villegas Reggie Williams Willie Jennings Stanley Hauerwas Greg Jones Tim Dickau Chandra Mallampalli Reinhard Hutter Axel Schoeber John Berkman Phil Kenneson AKM Adam Margaret Adam Craig Smith Jen Harvey Jeff Greenman Loren Wilkinson Marilyn McEntyre Anna Robbins Terry Smith Munyamasoko Gato Corneil Mike Pears James Purves Danny Zacharias Mike Swalm Susan Phillips Ross Lockhart Ross Hastings Matt Humphrey Peter Harris Anthony Brown Phil Rolnick Andrew Shepherd Chris Hall Joy Banks Christopher Johnston Soohwan Park

The Legacy of Hans W. Frei ,2023-01-26 This volume demonstrates Hans W Frei s unique contribution to theology and biblical hermeneutics Divided into five parts the volume first outlines key biographical details including a little known interview from 1980 excerpted and Frei s Jewish background while growing up in Nazi Germany The subsequent four parts offer insights into both the centrality of biblical narrative and its fateful eclipse by modernity as well as Frei s usage of Anselm and Barth The scholars who contribute to this volume examine Frei s analytical rigor his plea for a high Christology in the service of the church and his shifting interpretations over the years regarding scripture s literal sense They examine Frei s relationship to other contemporary notables such as Paul Ricoeur Eberhard J ngel George A Lindbeck and Carl F H Henry along with an alternative Roman Catholic reading of the history of biblical hermeneutics over against the one he advocates

The Old Testament: Canon, Literature and Theology John Barton, 2016-02-17 This collection of John Barton s work engages with current concern over the biblical canon in both historical and theological aspects with literary reading of the Bible and current literary theory as it bears on biblical studies and with the theological reading and use of the biblical text John Barton s distinctive writing reflects a commitment to a liberal approach to the Bible which places a high value on traditional biblical criticism and also seeks to show how evocative and full of insight the biblical texts are and how

they can contribute to modern theological concerns This invaluable selection of published writings by one of the leading authorities on biblical text and canon also includes new essays and editorial introductions from the author

Theology and the Public Daniel D. Shin, 2018-11-28 Hans W Frei's groundbreaking achievement in theological hermeneutics Christology and theological method has made possible new alternatives in contemporary theology and has become a key impetus to the emergence of postliberal theology also known as the Yale School Much discussion has taken place since the publication of *The Eclipse of Biblical Narrative* in 1974 and his work continues to generate intense debate among his proponents critics and sympathetic observers One of the key questions in this conversation is whether Frei's work signals a sectarian flight from the public world at large to a private enclave in the intratextual world of biblical narrative Unfortunately his critics have misinterpreted his thought and failed to recognize that the notion of the public is a pivotal feature of his theology Therefore the aim of this book is to debunk common misunderstandings of his project by showing that Frei maintains a sustained and robust commitment to the public world This book demonstrates the public character of Frei's thought by examining the major foci of his work theological hermeneutics Christology ecclesiology and theological method It begins with an introductory chapter on postliberal theology with special attention to the criticism of sectarianism followed by a study of Frei's constructive proposals in relation to the church society and academy

The One Story John W. Simpson, 2025-01-23 Our creation and redemption by God and our discipleship to Jesus are all one story and it is an odd story It is odd because the method God follows in all his actions toward us and which we imitate in discipleship to Jesus is characterized not by triumph even paradoxical triumph or by assertion of a hero's individuality and strength but by weakness submission self enslavement and loss God has followed this method in creating a universe to stand alongside and even challenge God's existence God has also acted in this way in continuing to nurture the existence of the human rebels against God So God has also acted in the incarnation in that is the kenosis of Christ his self emptying Philippians 2:7 which provides us the sharpest delineation of the divine method And so God has acted for our redemption and our creation as a people conformed to Jesus and giving testimony to the defeat by his kenosis of the powers that have enslaved humanity *The One Story* fills out the progress of this one story of creation and redemption and speaks a challenge to how the church understands and lives out the victory by kenosis of Jesus

Obedience, Suspicion and the Gospel of Mark Lydia Neufeld Harder, 2006-01-01 How do our social political and religious commitments influence our interpretation of biblical texts Are obedience and suspicion necessarily opposite ways to respond to the authority of the Bible Can one criticize and be transformed at the same time Lydia Neufeld Harder explores these questions from the vantage point of a scholar a feminist and a member of a faith community A hermeneutics of obedience rising out of the Mennonite theological tradition and a hermeneutics of suspicion advocated by many feminist theologians seem to represent opposite approaches to the Bible's authority The resulting polarization could easily have led to static definitions of authority and the subtle domination of those who differ from the majority However by

focusing on the common theological concept of discipleship Harder has constructed a critical dialogue beginning a process of creative change in her own view of authority This new view opens the way for an interpretation of the Gospel of Mark A new appreciation of both the power and the vulnerability of the biblical text leads to a view of authority that embraces both suspicion and obedience in a dynamic interpretative process

A Pentecostal Hermeneutic for the Twenty First Century Kenneth Archer,2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture

Liberalism Versus Postliberalism John Allan Knight,2013 The book provides an original analysis of the central philosophical differences between liberal and postliberal theology Knight argues that important developments in philosophy of language reveal serious problems with the central methodological commitments of liberalism and postliberalism and suggest ways in which the divide can be bridged

The Bible Made Impossible Christian Smith,2012-08-01 Biblicism an approach to the Bible common among some American evangelicals emphasizes together the Bible s exclusive authority infallibility clarity self sufficiency internal consistency self evident meaning and universal applicability Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims If evangelical biblicism worked as its proponents say it should

there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible Far from challenging the inspiration and authority of Scripture Smith critiques a particular rendering of it encouraging evangelicals to seek a more responsible coherent and defensible approach to biblical authority This important book has generated lively discussion and debate The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked
