Tony Mariot, 2018-10-17 We should not base our beliefs on some emotional experience we had which we cannot really explain with any substance other than to attribute the experience to something we want to believe was spiritual or God inspired This choice belief and faith should not be an unexplainable gut feeling or some thought shrouded in a cosmic concept of God that is neither specific nor explainable Neither should we hide behind peer pressure that makes us feel guilty if we denied having any real belief in the existence of God at all None of these aspects are the basis to knowing anything let alone foundations of a faith The question then becomes how do we know what is true and what to believe on the ground where we live What are the facts and what is folklore How can we know for certain This writing is intended to discuss what is biblically spoken of behind the faith of what Christians believe It is not however about conspiracies in the church or an attempt to air any dirty laundry The book of Revelation was chosen as the principle text of this discourse because it is intermingled throughout Scripture like no other It provides seamless segues that will open up opportunities to address other related questions in Scripture as we examine what is behind the faith **A Companion to the Bible** Jean-Jacques von Allmen, 2023-01-01 In

clear and concise fashion A Companion to the Bible provides explanation of many terms and key themes within the Bible Grounding the definitions with textual references Jean Jacques von Allmen enriches our theological understanding by concentrating on a limited number of longer articles with abundant cross referencing This approach allows for a greater depth in knowledge for all readers Written in an accessible style this book is for layfolk and scholars alike As von Allmen himself writes the book's aim is to facilitate this one thing needful to encounter through Holy Scripture Jesus Christ the Word of God *Absolute Faith in Jesus Christ* John S. O. Famodimu, 2011-03-18 ABOUT THE BOOK This book had to be written to clear up many myths about Christianity today The author's inspirational and scholarly approach to the state of religion both from a modern perspective as well as from an historical outlook is timely The author closely documents the divine glory and guidance of the Bible He laid emphasis on both the letter and the spirit of the Holy Bible and opens for all readers some of the main themes of Biblical teaching while revealing and clarifying many of the ancient stories and truths Within the worldly context the author writes in detail the hidden power and supremacy of Jesus Christ above all other religious founders He was inspired to write by his observance that many people were no longer experiencing unchallengeable power that is vested in

Christ and lead the reader to the source This volume is perhaps the doorway through which true believers may pass on their way to a richer more fulfilling religious life It will strengthen and enrich our faith ABOUT THE AUTHOR John s life is synonymous to that of the Apostle Paul in the Holy Bible who was a very religious Jew until he met Christ John grew up in a Pentecostal church where their worship style is Judaic in nature When Christ called him to be a minister he began his lifelong fight of faith against Satan and the false ministers in Satan s grasp throughout the world He is the founder and president of the Absolute Faith R In Jesus Christ Ministries He was inaugurated to the office of Bishop on July 19 2009 His ministries and messages have helped thousands of lives to obtain salvation and holistic freedom While he was born in Nigeria he now lives with his wife and children in United States of America *Through the Pentateuch, Chapter by Chapter* W. H. Griffith Thomas, 1985-05-01 Foreword by R K Harrison introduction by Warren W Wiersbe A valuable collection of notes on the first five books of the Bible Each section begins with a helpful introduction followed by a chapter by chapter study of the text

Dent, 2011 **Reading in the Presence of Christ: A Study of Dietrich Bonhoeffer's Bibliology and Exegesis** Joel Banman, 2021-02-11 Bonhoeffer s writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of Scripture have not been sufficiently explored This study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the Bible is determined by his theology of Scripture Through this analysis Joel Banman demonstrates that the uniting factor of Bonhoeffer s biblical interpretation is not methodological but bibliological he reads Scripture as the living word of the present Christ *In Search of a Confident Faith* J. P. Moreland, Klaus Issler, 2008-07-30 Emphasizing that our trust in God will grow exponentially when we have come to understand the true nature of faith J P Moreland and Klaus Issler identify the intellectual emotional relational experiential and even theological barriers to mature faith **The Bookseller and the Stationery Trades' Journal** ,1896 Official organ of the book trade of the United Kingdom Publisher and Bookseller ,1907 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series

The Simplicity of Living by Faith David Corbin, 2013-11-29 Our God is a God of faith and it takes faith to please Him It is easy to have faith in the little things and many Christians exercise their faith by what they can see hear and or feel but omit to realise that God revealed Himself through Jesus and set Jesus before us as the One to whom we must entrust ourselves for salvation This Christian book explains what faith is and elaborates on how we are to mature our faith through a relationship with Jesus in order to experience God at work in our lives This book explains through examples how we as Christians are to walk by faith and not be dependent on our feelings or circumstances by realising that faith is simply the hand that takes from the hand of God **The Holy Bible: Romans to Revelation** ,1827
