## **Scripture Stories With Micah:**

Scripture Stories with Micah James Rockenstein,2003-01-01 The greatest stories ever told are the stories of Jesus from the Gospels They have captured the heart mind and faith of countless millions over the centuries and they can be retold time and again Here with love and a fresh approach James E Rockenstein faithfully retells these magical stories for children

**Bizarre Bible Stories** Dan Cooley,2022-12-06 Jonah and the whale Heart that David and Goliath Know them Noah and the ark So it rained Get ready for wild wacky and weird stories you d be surprised to find in Scripture But beware It s not your parents storybook

**Jacob's Story as Christian Scripture** Philip H. Kern,2021-01-06 Jacob is all too often underappreciated in works on biblical theology He nevertheless stands squarely in the line of promise and is the man who becomes Israel His blessings come not because he is virtuous but because God remains faithful In this his story contributes to the themes of Genesis and of the Pentateuch as a whole and extends into the life of the church Jacob s Story as Christian Scripture begins with a reading of Genesis 25 to 35 and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons Jacob s blessings give shape to Balaam s oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah Prophetic appropriation of Jacob s story presented here via a fresh investigation of OT passages from Jeremiah Obadiah Micah and others includes troubling elements of Jacob s character to indict the nation in the hope that God s people like the patriarch will stop being Jacob and become Israel

**Scripture's Grand Story through the Old Testament** Bryan Beyer,Bill Jones,2022-01-13 The Bible contains the greatest story ever told It reveals the God of history who is writing his story through history s events It tells us about life and it itself is life It tells us about Jesus God s Son who secured salvation for a lost world two thousand years ago Maybe you ve tried to read the Bible all the way through before and didn t finish Maybe you need a tool to guide you in your journey That s what we hope this book will be for you The Bible is sixty six books yet it is one book with one story It was written over 1 500 years ago but with one theme Jesus The Bible has forty human authors but one divine author and one central story It invites us into that story to embrace the life God designed for us Scripture s Grand Story can help people with little Bible knowledge achieve a basic framework for grasping the Bible s main story Those with a basic understanding of Scripture will benefit by seeing how each story plays a part in the one central story Jesus

The child's commentator on the holy Scriptures Ingram Cobbin,1864 *Understanding the Pentateuch as a Scripture* James W. Watts,2017-07-27 A cutting edge scholarly review of how the Pentateuch functions as a scripture and how it came to be ritualized in this way Understanding the Pentateuch as a Scripture is a unique account of the first five books of the Bible describing how Jews and Christians ritualize the Pentateuch as a scripture by interpreting it by performing its text and contents and by venerating the physical scroll and book Pentateuchal studies are known for intense focus on questions of how and when the first five books of the Bible were composed edited and canonized as scripture Rather than such purely historical literary or theological approaches Hebrew Bible scholar James W Watts organizes this description

of the Pentateuch from the perspectives of comparative scriptures and religious studies He describes how the Pentateuch has been used in the centuries since it began to function as a scripture in the time of Ezra and the origins of its ritualization before that time The book Analyzes the semantic contents of the Pentateuch as oral rhetoric that takes the form of stories followed by lists of laws and sanctions Gives equal space to its ritualization in the iconic and performative dimensions as to its semantic interpretation Fully integrates the cultural history of the Pentateuch and Bible with its influence on Jewish and Christian ritual and in art music theatre and film Understanding the Pentateuch as a Scripture is a groundbreaking work that highlights new research data and organizes the material to focus attention on the Pentateuch's and Bible's function as a scripture

**Micah's Mother** John Stephenson Rowntree, 1893      Scriptures Hebrew and Christian: Hebrew story from Creation to the Exile Edward Totterson Bartlett, John Punnett Peters, 1886      You don't Understand the Bible because you are Christian

Richard Gist,2014-07-25 By the early second century the Christian Church was predominantly Gentile having separated from its Jewish roots and base It lost most all understanding of Jewish culture Very few in the church could read Hebrew and as significantly its Scriptures were in Greek which contributed to its growing ignorance of the intricacies of Jewish word play They could not and did not retain the richness the interconnectedness and the brilliance of the Hebrew writing and thereby misinterpreted much of what they cherished Today many if not most Christians also lack the basic knowhow needed to adequately appreciate our Jewish written Scriptures This little 150 page book will not heal what ails us but in a light sometimes fun other times serious way it will help and that is needed It may even erase a few of the lines that separate our two great communities Jewish and Christian and remind us of our shared humanity and Faith Creative insightful humorous sensitive challenging thought provoking What other words are used to describe this book and its author See pages iv and v

The Human Bible Eric Sutherland Robertson,1920 **Telling Bible Stories** Louise Seymour Houghton,1905 Conversations with Scripture Roy Heller,2011-09-01 The Book of Judges appropriate for Sunday School curriculum or an irredeemably violent book Throughout its history Judges has both entertained and appalled readers some read it as a series of simple stories about faithfulness and some as a brutal and bloodthirsty book Heller explores how Judges can shape our understanding of our world our relationships and can provide a path to a deeper appreciation of the ways of God among people Far from seeing the book as either simplistic or cruel Heller allows this odd text to speak to us anew about God sin relationships and justice
