Etulain,2015-08-25 This exhaustive bibliographical reference will be the first stop for anyone looking for Calamity Jane in print film or photograph and wanting to know how reliable those sources may be Richard W Etulain renowned western U S historian and the author of a recent biography of this charismatic figure enumerates and assesses the most valuable sources on Calamity Jane s life and legend in newspapers magazines journals books and movies as well as historical and government archives Etulain begins with a brief biography of Martha Canary aka Calamity Jane 1856 1903 then analyzes the origins and growth of her legends The sources Etulain shows reveal three versions of Calamity Jane In the most popular one she was a Wild Woman of the Old West who helped push a roaring frontier through its final stages This is the Calamity Jane who fought Indians marched with the military and took on the bad guys Early in her life she also hoped to embody the pioneer woman seeking marriage and a stable family and home A third later version made of Calamity an angel of mercy who reached out to the poor and nursed smallpox victims no one else would help The hyperbolic journalism of the Old West as well as dime novels and the stretchers Calamity herself told in her interviews and autobiography shaped her legends through much of the twentieth century Many of the sensational early accounts of Calamity s life Etulain notes were based on rumor

and hearsay In illuminating the role of the Deadwood Dick dime novel series and other pulp fiction in shaping what we know or think we know of the American West Etulain underscores one of his fascinating themes the power of popular culture The product of twenty years labor sifting fact from falsehood or distortion this bibliography and reader s guide includes brief discussions of nearly every item s contents along with a terse entertaining evaluation of its reliability **Lone Star 37** Wesley Ellis,1985-09-01 The Apaches are being starved into war and Jessie and Ki are ready to fight in the thirty seventh Lone Star novel They call them The Lone Star Legend Jessica Starbuck a magnificent woman of the West fighting for justice on America s frontier and Ki the martial arts master sworn to protect her and the code she lived by Together they conquered the West as no other man and woman ever had **Lone Star 02** Wesley Ellis,1982-09-01 In wide open Frisco Jessie and Ki take on a Chinese gang in a deadly house of pleasure The international crime cartel that killed Jessie s dad is out to destroy the Starbuck empire and they re allied with the Steel Claw the gang leader of the West s wide open city To stop them Ki fights the tong while Jessie goes under covers in Frisco s most elegant brothel **Longarm 343** Tabor Evans,2007-05-29 Big trouble comes in small packages Chugwater Wyoming is being run by the small deadly fist of The Dwarf House Saloon And with the mayor out of the picture there s just five days before its miniature murdering proprietor makes bail and owns the town U S Marshal Custis Long s assignment is to hunt down and drag back the star witness a showgirl to sing her tune to the jury and keep him behind bars where he belongs But with a two thousand dollar bounty on her head and the dwarf s toughies behind every butte Longarm s got to move quickly and aim fast or they ll soon be dancing on the wrong side of the sod

Lone Star 04 Wesley Ellis,1982-10-01 On the dusty plains Jessie and Ki meet their old enemy and a deadly inhuman foe in the fourth Lone Star novel They call them The Lone Star Legend Jessica Starbuck a magnificent woman of the West fighting for justice on America s frontier and Ki the martial arts master sworn to protect her and the code she lived by Together they conquered the West as no other man and woman ever had *Longarm Giant 24* Tabor Evans,2005-11-29 Longarm GIANT novels the biggest and best in Western adventure U S Marshal Custis Long and Royal Canadian Mountie Sergeant Foster are crossing jurisdictions trying to find the hidden town of Natova a secret spot where outlaws with lots of money can indulge their wicked ways while spending their money and stay out of the law s way when things heat up Longarm and Forster will have to pull a notorious robbery to establish themselves as wanted men while spending their money in the mining camps to attract attention and an invite to Natova Then they can let the cavalry clean up the town if they don t get themselves killed along the way But first they ll have to raise a potful of outlaw cash while staying ahead of the meanest vigilante committee anybody ever ran from **Longarm #284: Longarm and the Haunted Whorehouse** Tabor Evans,2002-06-25 These spooky strumpets don t stand a ghost of a chance There ve been plenty of tall tales goin around about long dead madams and passed on pimps acting all too lively out near Animas Point And far be it from Deputy Custis Longarm to let a supposed haunted whorehouse go uninvestigated So under the alias Buck Crawford he gets on the trail to

spot the sexy spooks for himself But even disguised as a harmless traveler Longarm s snooping gets him close to more danger and more women than he cares to recall And if he doesn t get to the bottom of this dirty ghost town he may just wind up in their company for good **Longarm in the Hard Rock Country** Tabor Evans,1986 Tensons are high in the Colorado mining towns and the Chinese are the scapegoats *Old Times' Sake* James Reasoner,2007-11 **Calamity Jane** James D. McLaird,2012-11-27 Forget Doris Day singing on the stagecoach Forget Robin Weigert s gritty portrayal on HBO s Deadwood The real Calamity Jane was someone the likes of whom you ve never encountered That is until now This book is a definitive biography of Martha Canary the woman popularly known as Calamity Jane Written by one of today s foremost authorities on this notorious character it is a meticulously researched account of how an alcoholic prostitute was transformed into a Wild West heroine Always on the move across the northern plains Martha was more camp follower than the scout of legend A mother of two she often found employment as waitress laundress or dance hall girl and was more likely to be wearing a dress than buckskin But she was hard to ignore when she d had a few drinks and she exploited the aura of fame that dime novels created around her even selling her autobiography and photos to tourists Gun toting swearing hard drinking Calamity Jane was all of these to be sure But whatever her flaws or foibles James D McLaird paints a compelling portrait of an unconventional woman who more than once turned the tables on those who sought to condemn or patronize her He also includes dozens of photos many never before seen depicting Jane in her many guises His book is a long awaited biography of Martha Canary and the last word on Calamity Jane
